About American Oncology Network, LLC

The [American Oncology Network, LLC](#) (AON), an Inc. 5000-recognized company, is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success of community oncology. Launched in 2018, the rapidly expanding AON network represents 106 physicians and 86 nurse practitioners and physician assistants practicing across 19 states. The executive management team of AON encompasses more than three decades of oncology practice management experience, enabling physicians to focus on what matters most — providing the highest quality care

for patients.

The organization provides unique and comprehensive protocols for managing administrative procedures and enhancing ancillary services for its affiliates. AON is able to aggregate volume and attain economies of scale, as it guides its member physicians and practices through the transition to value-based reimbursement models that improve the patient experience and help to reduce the per-capita cost of cancer care.

AON also provides a unique model of physician-led, community-based oncology management. With services such as a centralized specialty pharmacy, diagnostics, pathology, fully integrated electronic medical records, a care management team and a variety of financial assistance programs, an alliance with AON ensures that patients' experiences are at the very pinnacle of cancer care today.
