"We serve the local community as an independent oncology practice focused on providing the best oncology and hematology care while also responsibly controlling cancer costs for patients," said Zangmeister Medical Oncologist [Dr. Sam Mikhail](#). "This combination ensures the best possible outcomes while reducing financial burdens for patients."

"As a long-term community oncology practice, the Zangmeister model of care is to provide the best possible yet affordable care close to where their patients live. The opening of this new clinic will bring Grove City patients access to the latest advancements in diagnosing and treating cancer right in the community where they live," said AON Chief Executive Officer [Todd Schonherz](#).

AON President & Chief Development Officer [Brad Prechtel, MBA](#) added, "Our Grove City patients will have access to a diverse range of support services including 24/7 pharmacy assistance, behavioral therapy, nutrition and financial counseling—giving them unparalleled access to comprehensive, integrated cancer care, close to home."

Zangmeister offers comprehensive medical oncology and hematology treatment close to home. Zangmeister physicians collaborate with their colleagues in radiation therapy, surgery, genetics, pathology and clinical research to ensure each patient has a comprehensive, multidisciplinary plan of care. Support from in-house pharmacists, social workers, nurse navigators, dietitians and financial counselors minimize the impact of cancer on daily life.

About American Oncology Network, LLC: ([AONcology.com](#))

American Oncology Network, LLC (AON) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success of community oncology. Launched in 2018, the rapidly expanding AON network represents 105 physicians and 79 nurse practitioners and physician assistants practicing across 16 states. The executive management team of AON encompasses more than three decades of oncology practice management experience, enabling physicians to focus on what matters most – providing the highest quality care for patients.

The organization provides unique and comprehensive protocols for managing administrative procedures and enhancing ancillary services for its affiliates. AON is able to aggregate volume and attain economies of scale, as it guides its member physicians and practices through the transition to value-based reimbursement

models that improve the patient experience and help to reduce the per-capita cost of cancer care.

AON also provides a unique model of physician led, community-based oncology management. With services such as a centralized specialty pharmacy, diagnostics, pathology, fully integrated electronic medical records, a care management team and a variety of financial assistance programs, an alliance with AON ensures that patients' experiences will be at the very pinnacle of cancer care today.
