

American Oncology Network Expands Footprint in Arizona with the Addition of Pinal Cancer & Surgery Center

November 1, 2021

Fort Myers, Fla., Nov. 1, 2021 – [American Oncology Network, LLC \(AON\)](#), a high-growth national network of independent community oncologists, is pleased to announce that [Pinal Cancer & Surgery Center](#) in Casa Grande, Ariz., formerly Alliance Cancer Care and Alliance Surgery Arizona, joined AON effective November 1, 2021. This community-based practice is now the second practice in Arizona to partner with AON.

Pinal Cancer & Surgery Center (PCSC) provides general and oncology surgery specializing in minimally invasive, minor and major surgical conditions, as well as radiation oncology and medical oncology/hematology treatments and services for patients diagnosed with cancer and blood disorders. Making care easily accessible for patients, the cancer clinic and the surgery center are both conveniently located in Casa Grande.

PCSC treats a wide variety of tumor types while offering personalized care customized for each patient. Additionally, patients will have access to centralized laboratory and pathology, home delivery of oral cancer medications and care management support.

About American Oncology Network, LLC: ([AONcology.com](#))

American Oncology Network, LLC (AON) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success of community oncology. Launched in 2018, the rapidly expanding AON network represents 104 physicians and 78 nurse practitioners and physician assistants practicing across 16 states. The executive management team of AON encompasses more than three decades of oncology practice management experience, enabling physicians to focus on what matters most – providing the highest quality care for patients.

The organization provides unique and comprehensive protocols for managing administrative procedures and enhancing ancillary services for its affiliates. AON is able to aggregate volume and attain economies of scale, as it guides its member physicians and practices through the transition to value-based reimbursement models that improve the patient experience and help to reduce the per-capita cost of cancer care.

AON also provides a unique model of physician led, community-based oncology management. With services such as a centralized specialty pharmacy, diagnostics, pathology, fully integrated electronic medical records, a care management team and a variety of financial assistance programs, an alliance with AON ensures that patients' experiences will be at the very pinnacle of cancer care today.
