American Oncology Network, LLC & Vista Oncology Welcome Devinderpal Singh Randhawa, MD

August 2, 2021

Fort Myers, Fla., August 2, 2021 – Drs. Min Kang, Linli Xuan and Joseph Ye of Vista Oncology (Vista) welcome Medical Oncologist/Hematologist Devinderpal Singh Randhawa, MD to the community oncology practice. Vista Oncology, an American Oncology Network, LLC (AON) partner, has two locations in Thurston County and one in Mason County serving the South Puget Sound region of Washington State.

Dr. Randhawa obtained his medical degree from Punjabi University, Patiala, Punjab, India. He then completed his residency and fellowship training at Seton Hall University School of Medicine in Newark, N.J.

“We are impressed with Dr. Randhawa’s background. With five board certifications including hospice and palliative medicine, he will be an invaluable addition to our team providing whole person care,” said Dr. Joseph Ye of Vista Oncology.

The Vista team now includes four medical oncologists, three nurse practitioners and a dietitian providing comprehensive cancer care and treatments. Through its partnership with AON, the practice offers home delivery of oral oncolytic medications, 24/7 pharmacy assistance and care management services with the highest quality care close to where patients live.

“We are fortunate to have Dr. Randhawa join AON and Vista,” said AON President & Chief Development Officer Brad Prechtl, MBA. “His colleagues describe him as compassionate and down to earth, while bringing a calmness to the clinic.”

“We welcome Dr. Randhawa to our team. His approach is to help patients make informed decisions about their care, truly developing an individualized treatment plan based on each patient,” said AON CEO Todd Schonherz.

About American Oncology Network, LLC: (AONcology.com)
American Oncology Network, LLC (AON) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success of community oncology. Launched in 2018, the rapidly expanding AON network represents 102 physicians and 71 nurse practitioners and physician assistants practicing across 17 states. The executive management team of AON encompasses more than three decades of oncology practice management experience, enabling physicians to focus on what matters most – providing the highest quality care for patients.

The organization provides unique and comprehensive protocols for managing administrative procedures and enhancing ancillary services for its

affiliates. AON is able to aggregate volume and attain economies of scale, as it guides its member physicians and practices through the transition to value-based reimbursement models that improve the patient experience and help to reduce the per-capita cost of cancer care.

AON also provides a unique model of physician led, community-based oncology management. With services such as a centralized specialty pharmacy, diagnostics, pathology, fully integrated electronic medical records, a care management team and a variety of financial assistance programs, an alliance with AON ensures that patients' experiences will be at the very pinnacle of cancer care today.
