

## Low Country Cancer Care Expands to the Hinesville Area

March 25, 2021

**Hinesville, Ga., Mar. 25, 2021** – [Low Country Cancer Care](#) (LCCC), is pleased to announce the opening of their new location in Hinesville, Ga., at 740 E. General Stewart Way, Suite 210B. This new clinic is designed for patients to have easy access to the highest quality cancer care. LCCC has three other locations including Savannah and Pooler, Ga. and Bluffton, S.C.

The team consists of six providers including two medical oncologists/hematologists, two physician assistants and two nurse practitioners who deliver a comprehensive range of treatment for patients diagnosed with cancer and blood disorders.

In 2020, LCCC joined the [American Oncology Network, LLC](#) (AON), a high-growth medical oncology provider with a focus on supporting the long-term viability of cancer treatment in community-based settings. The LCCC and AON partnership helps provide the best cancer care with additional services including efficient home delivery of oral cancer medications, access to a care management team and financial assistance programs to help navigate insurance coverage.

### **About Low Country Cancer Care: ([LCCCSav.com](#))**

Low Country Cancer Care has four locations, including one office in Savannah and three satellite offices in Hinesville and Pooler, Georgia and Bluffton, South Carolina. The team includes two medical oncologists, two physician assistants and two nurse practitioners who provide a comprehensive range of treatment for patients diagnosed with cancer and blood disorders.

### **About American Oncology Network, LLC: ([AONcology.com](#))**

American Oncology Network, LLC (AON) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success of community oncology. Launched in 2018, the rapidly expanding AON network represents 92 physicians and 62 nurse practitioners and physician assistants practicing across 16 states. The executive management team of AON encompasses more than three decades of oncology practice management experience, enabling physicians to focus on what matters most – providing the highest quality care for patients.

The organization provides unique and comprehensive protocols for managing administrative procedures and enhancing ancillary services for its affiliates. AON is able to aggregate volume and attain economies of scale, as it guides its member physicians and practices through the transition to value-based reimbursement models that improve the patient experience and help to reduce the per-capita cost of cancer care.

AON also provides a unique model of physician led, community-based oncology management. With services such as a centralized specialty pharmacy, diagnostics, pathology, fully integrated electronic medical records, a care management team and a variety of financial assistance programs, an alliance with AON ensures that patients' experiences will be at the very pinnacle of cancer care today.
