

## Genesis Cancer and Blood Institute Relocates Mena Clinic to Larger Location; Adds Clinic Day

September 17, 2024

*Local oncology practice relocates to new location and adds additional clinic day to continue providing enhanced cancer care to the Mena community.*

**MENA, AR, Sept. 17, 2024** – [Genesis Cancer and Blood Institute](#), a partner practice of [American Oncology Network](#) (AON) (OTCQX: AONC), has relocated its clinic in Mena to 400 Crestwood Circle Medical Office, Suite G. The clinic is expanding its services with staff available onsite from 8 a.m. to 4 p.m. Monday through Friday to better serve patients. Current or prospective patients can call (479) 385-8011 for inquiries or to schedule an appointment.

Board-certified medical oncologist and hematologist, [Kristen Sager, MD](#) is the primary physician at Genesis Cancer and Blood Institute's Mena clinic, and she is joined by the practice's experienced clinical team. The expanded clinic includes additional private exam rooms that provide dedicated space for patient-physician conversations, and additional lab testing capabilities.

"While our clinic has a new address, our standards of patient care have not changed," said Dr. Sager. "The practice holds itself to a high standard of continuously providing exceptional care and services to our patients in a compassionate and holistic manner that is central to our patient-first mindset. This is the standard in all of Genesis Cancer and Blood Institute's [12 clinic locations](#). We appreciate our patients' continued trust and look forward to serving them at our new address in Mena."

Genesis Cancer and Blood Institute has been delivering care to patients living in Mena, Arkadelphia, Benton, Camden, Hot Springs, Hot Springs Village, Little Rock, Malvern, Nashville, Russellville, and surrounding areas for many years. The practice ensures patients receive personalized care and treatment plans that are designed exclusively for their unique needs. As a community-based practice, Genesis Cancer and Blood Institute provides affordable care in a comfortable environment while offering high-quality, state-of-the-art treatment in convenient locations.

The practice is a partner of American Oncology Network, one of the nation's fastest-growing community-based oncology networks. Through this partnership, Genesis Cancer and Blood Institute makes additional patient care and services available such as access to the in-house specialty pharmacy with home delivery of certain medications among other benefits.

"We cannot wait to welcome our patients to the new space, where we will continue to prioritize their health and well-being," said Dr. Sager. "The relocation will allow us to expand patient services and therapeutics, while also providing a larger space for additional staff to deliver one-on-one care."

### About American Oncology Network

[American Oncology Network](#) (AON) (OTCQX: AONC) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success and viability of community oncology and other specialties. Founded in 2018, AON's rapidly expanding network represents more than 250 providers practicing across 21 states. AON pioneers innovative healthcare solutions through its physician-led model, fostering value-based care that improves patient outcomes while reducing costs and expanding access to quality care. AON equips its network physicians with the tools they need to thrive independently while providing comprehensive support, integrated revenue-diversifying ancillary services, and practice management expertise, enabling physicians to focus on what matters most – providing the highest standard of care for every patient. AON is committed to promoting health equity by addressing disparities in cancer care and ensuring that all patients have access to the care they need to achieve optimal health outcomes. With a focus on innovation and collaboration, AON is shaping the future of community oncology.
