

New Clinic Suite, Same Personalized Care: Woodlands Cancer Institute Expands Its Conroe Location

October 15, 2024

Local oncology practice expands its clinic moving to a larger suite in the same building to continue providing enhanced cancer care to the Conroe community.

CONROE, TX., Oct. 14, 2024 – [Woodlands Cancer Institute](#), a partner practice of [American Oncology Network](#) (AON) (OTCQX: AONC), has expanded its clinic in Conroe and moved to a new, larger suite in the same building at 603 Conroe Medical Drive. The expanded clinic is now located at Suite 160. It is now open to new and current patients.

Krishna K. Pachipala, MD, MRCP
Oncology and Hematology
Woodlands Cancer Institute

Board-certified medical oncologists, [Eric P. Kleinbaum, MD](#), [Sandeep "Kodi" Kodityal, MD, FACP](#), and [Krishna K. Pachipala, MD, MRCP](#) are the physicians at the newly expanded Woodlands Cancer Institute suite in Conroe, while Board-certified radiation oncologist [Jason Berilgen, MD](#) continues to see new and existing patients in the same building at 603 Conroe Medical Drive, in Suites 100 and 110. The newly expanded clinic in Suite 160 offers four private exam rooms that provide dedicated space for patient-physician conversations and 12 infusion chairs for patients receiving certain therapies as part of their treatment plans. The new suite is also equipped with an onsite laboratory for immediate blood draws and other necessary procedures.

"Our clinic has expanded to a new suite in the same conveniently located building to provide additional services to our patients," said Dr. Kleinbaum. "We hold ourselves to a high standard of continuously providing exceptional care and services to our patients in a compassionate and holistic manner that is central to our patient-first mindset. This is the standard in all three Woodlands Cancer Institute clinic locations. We appreciate our patients' continued trust and look forward to serving them at our newly expanded clinic in Conroe."

Woodlands Cancer Institute has been delivering care to patients living in Conroe and the surrounding area for many years. The practice ensures patients receive personalized care and treatment plans that are designed exclusively for their unique needs. As a community-based practice, Woodlands Cancer Institute provides affordable care in a comfortable environment while offering high-quality, state-of-the-art treatment in convenient locations.

The practice is a partner of American Oncology Network, one of the nation's fastest-growing community-based oncology networks. Through this partnership, Woodlands Cancer Institute makes additional patient care and services available such as access to the in-house specialty pharmacy with home delivery of certain medications among other benefits.

"We cannot wait to welcome our patients to the new space, where we will continue to prioritize their health and well-being," said Dr. Kleinbaum. "The new suite will allow us to expand patient services and therapeutics, while also providing a larger space for additional staff to deliver one-on-one care."

About American Oncology Network

[American Oncology Network](#) (AON) (OTCQX: AONC) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success and viability of community oncology and other specialties. Founded in 2018, AON's rapidly expanding network represents more than 250 providers practicing across 21 states. AON pioneers innovative healthcare solutions through its physician-led model, fostering value-based care that improves patient outcomes while reducing costs and expanding access to quality care. AON equips its network physicians with the tools they need to thrive independently while providing

comprehensive support, integrated revenue-diversifying ancillary services, and practice management expertise, enabling physicians to focus on what matters most – providing the highest standard of care for every patient. AON is committed to promoting health equity by addressing disparities in cancer care and ensuring that all patients have access to the care they need to achieve optimal health outcomes. With a focus on innovation and collaboration, AON is shaping the future of community oncology.
