Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, on October 5, 2022, Digital Transformation Opportunities Corp., a Delaware corporation (“DTOC”), entered into a Business Combination Agreement, which was subsequently amended and restated on January 6, 2023 and April 27, 2023 (the “Business Combination Agreement”), with American Oncology Network, LLC, a Delaware limited liability company (“AON”) pursuant to which the combined company will be organized in an umbrella partnership C corporation structure, in which substantially all of the assets and the business of the combined company will be held by AON (the “Business Combination”). Upon the consummation of the Business Combination, the members of AON will include DTOC and current common unitholders of AON, and DTOC will be renamed American Oncology Network, Inc. (the “New AON”).

On June 14, 2023, DTOC, AON, GEF AON Holdings Corp., a Delaware corporation (the “AON Class C Preferred Investor”), and DTOC Merger Sub, Inc., a Delaware corporation and a direct, wholly owned subsidiary of DTOC (“Merger Sub”) amended and restated the Business Combination Agreement (as amended, the “Third Amended and Restated Business Combination Agreement”) to provide, among other things, that (a) on the Closing Date, New AON will file a certificate of designations of the Series A preferred stock, par value \$0.0001 per share (the “New AON Series Preferred Stock”) providing for the voting power, preferences and other rights of the New AON Series Preferred Stock, (b) the existing AON Class C preferred units held by the AON Class C Preferred Investor will be reclassified into a number of new AON Series A preferred units pursuant to the exchange ratio terms set forth in the Third Amended and Restated Business Combination Agreement, (c) Merger Sub will merge with and into the AON Class C Preferred Investor whereby the separate existence of Merger Sub will cease and New AON will issue a number of shares of New AON Series A Preferred Stock equal to the number of AON Series A preferred units held by the AON Class C Preferred Investor to AEA Growth Management LP, the parent of AON Class C Preferred Investor (“AEA Growth”) in exchange for all the shares of common stock held by AEA Growth in the AON Class C Preferred Investor (the “First Merger”), and (d) promptly after the First Merger, the AON Class C Preferred Investor will merge with and into New AON whereby the separate existence of the AON Class C Preferred Investor will cease and New AON will hold all the AON Series A preferred units. Prior to the Third Amended and Restated Business Combination Agreement, the AON Class C Preferred Investor entered into a unit purchase agreement, pursuant to which the AON Class C Preferred Investor purchased Class C preferred units in AON for an aggregate purchase price of approximately \$65 million (the “Class C Investment”). As a result of the Class C Investment, the Third Amended and Restated Business Agreement was also amended to remove the PIPE financing and the minimum cash requirement that was previously a condition to the closing of the Business Combination.

The foregoing description of the Third Amended and Restated Business Combination Agreement and the transactions contemplated thereby does not purport to be complete and is subject to and qualified in its entirety by reference to the Third Amended and Restated Business Combination Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 2.1.

(v) enter into any Contract, or otherwise become obligated, to do any action prohibited under Section 6.01(a) through (v).

Notwithstanding anything in this Section 6.01 or this Agreement to the contrary, nothing shall give Acquiror, directly or indirectly, the right to control or direct the operations of any Company Group Member prior to the Closing.

Section 6.02 Inspection. The Company will afford to Acquiror and its Representatives reasonable access during normal business hours and upon reasonable advanced notice to its and its Subsidiaries' properties, books, records and personnel during the Interim Period to obtain all information concerning its business, properties, results of operations and personnel for purposes of this Agreement, as Acquiror may reasonably request; provided, that such party may restrict the foregoing access (i) to the extent that any Law applicable to the Company requires it or its Subsidiaries to restrict or prohibit access to any such properties or information, (ii) if such access would result in the waiver of any attorney-client privilege, the work product doctrine or similar privilege or protection applicable to such information or documents; provided, further, that in the event that the Company relies on the foregoing proviso to withhold access to disclosure, Acquiror shall, to the extent permitted by Law and the protection of such privilege, promptly notify Acquiror of the nature of the withheld information.

Section 6.03 No Claim Against the Trust Account. The Company, on behalf of itself and the Company Equityholders and other Affiliates, represents and warrants that it has read the IPO Prospectus and other SEC Reports, the Acquiror Organizational Documents, and the Trust Agreement and understands that Acquiror established the Trust Account containing the proceeds of its initial public offering (the "IPO") and the over-allotment securities acquired by Acquiror's underwriters and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of Acquiror's public stockholders (including over-allotment shares acquired by Acquiror's underwriters, the "Public Stockholders"), and that, except as otherwise described in the IPO Prospectus, Acquiror may disburse monies from the Trust Account only: (a) to the Public Stockholders if they elect to redeem their Acquiror shares in connection with the consummation of Acquiror's initial business combination or in connection with an extension of Acquiror's deadline to consummate a business combination; (b) to the Public Stockholders if Acquiror fails to consummate a business combination within 24 months after the closing of the IPO, subject to extension by an amendment to the Acquiror Organizational Documents; (c) with respect to any interest earned on the amounts held in the Trust Account, amounts necessary to pay for any franchise or income taxes; or (d) to Acquiror after or concurrently with the consummation of a business combination. The Company, on behalf of itself and the Company Equityholders and other Affiliates, acknowledges and agrees that, notwithstanding anything to the contrary in this Agreement, neither the Company, nor any of the Company Equityholders or Affiliates, do now or shall at any time hereafter have any right, title, interest or claim of any kind in or to any monies in the Trust Account or distributions therefrom, or make any claim against the Trust Account (including any distributions therefrom), regardless of whether such claim arises as a result of, in connection with or relating in any way to, this Agreement or any proposed or actual business relationship between Acquiror or its Representatives, on the one hand, and the Company, the Company Equityholders and their Representatives, on the other hand, or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (collectively, the "Released Claims"). The Company, on behalf of itself and the Company Equityholders and other Affiliates, (i) hereby irrevocably waive any Released Claims that the Company, the Company Equityholders and its respective Affiliates may have against the Trust Account (including any distributions therefrom) now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with Acquiror or its Representatives and will not seek recourse against the Trust Account (including any distributions therefrom) for any reason whatsoever to the extent arising out of the Released Claims (including for an alleged breach of this Agreement or any other agreement with Acquiror or its Affiliates), (ii) agree and acknowledge that such irrevocable waiver is material to this Agreement and the Transactions and specifically relied upon by Acquiror to induce Acquiror to enter into this Agreement, and (iii) intend and understand such waiver to be valid, binding and enforceable against the Company, the Company Equityholders and its respective Affiliates under applicable Law. To the extent the Company, the Company Equityholders and its respective Affiliates commence any Action or proceeding based upon, in connection with, relating to or arising out of any matter relating to Acquiror or its Representatives, which proceeding seeks, in whole or in part, monetary relief against Acquiror or its Representatives, the Company, on behalf of itself and the Company Equityholders and other Affiliates, hereby acknowledge and agree that the Company, the Company Equityholders and their Affiliates' sole remedy shall be against funds held outside of the Trust Account and that such claim shall not permit such Persons (or any Person claiming on any of their behalves or in lieu of any of them) to have any claim against the Trust Account (including any distributions therefrom) or any amounts contained therein. This Section 6.03 shall survive the termination of this Agreement for any reason.

Section 6.04 Proxy Statement; Registration Statement.

(a) As promptly as reasonably practicable following the Original Agreement Date, the Company shall deliver to Acquiror (i) the Company Financial Statements, and (ii) any other audited or unaudited consolidated balance sheets and the related audited or unaudited consolidated statements of operations and comprehensive loss, stockholders' deficit and cash flows of the Company Group Members (including any financial statements of any acquiree of any Company Group Member required under Rule 3-05 of Regulation S-X) as of and for a year-to-date period ended as of the end of any other different fiscal quarter (and as of and for the same period from the previous fiscal year) or fiscal year, as applicable that is required to be included in the Proxy Statement or the Registration Statement. Promptly following its completion, the Company shall deliver to Acquiror the audited consolidated financial statements of income and comprehensive income, consolidated statement of stockholders' equity (deficit) and consolidated statement of cash flows of the Company Group for the year ended December 31, 2022, together with the notes and schedules to the foregoing, which comply with the applicable accounting requirements and with the applicable rules and regulations of the SEC, the Exchange Act and the Securities Act (the "Additional Audited Financial Statements"). Upon delivery of the Additional Audited Financial Statements, the representations and warranties set forth in Section 4.08 shall be deemed to apply in the same manner as the Company Financial Statements. All such financial statements (A) will fairly present in all material respects the consolidated financial position, cash flows, income, changes in equity and results of operations of the Company Group for the respective periods then ended (subject, in the case of any interim financial statements, to normal year-end audit adjustments (none of which is expected to be material) and the absence of footnotes), (B) will be prepared in conformity with GAAP applied on a consistent basis during the periods involved, (C) in the case of any audited financial statements, will be audited in accordance with the standards of the PCAOB, with respect to the Company Group, and (D) will comply in all material respects with the applicable accounting requirements and with the applicable rules and regulations of the SEC, the Exchange Act and the Securities Act in effect as of the respective dates thereof (including Regulation S-X or Regulation S-K, as applicable). The Company shall be available to, and the Company and its Subsidiaries shall use its reasonable best efforts to make their officers and employees available to, in each case upon reasonable advance notice, Acquiror and its counsel in connection with (I) the drafting of the Proxy Statement and the Registration Statement and (II) responding in a timely manner to comments on the Proxy Statement and the Registration Statement from the SEC. Without limiting the generality of the foregoing, the Company shall reasonably cooperate with Acquiror (i) to cause the preparation in a timely manner of any other financial information or statements (including customary pro forma financial statements) that are required to be included in the Proxy Statement and the Registration Statement and any other filings to be made by Acquiror with the SEC in connection with the Transactions, in each case, that comply with the applicable accounting requirements and with the applicable rules and regulations of the SEC, the Exchange Act and the Securities Act in effect as of the respective dates thereof (including Regulation S-X or Regulation S-K, as applicable), and (ii) to obtain the consents of the Company's auditors with respect thereto as may be required by applicable Law or requested by the SEC.

(b) From and after the date on which the Proxy Statement is mailed to Acquiror's stockholders and the Registration Statement is mailed to the Company Employees, the Company will give Acquiror prompt written notice of any action taken or not taken by such Company or its Subsidiaries or of any development regarding such Company or its Subsidiaries, in any such case which is or becomes known by such Company, that would cause the Proxy Statement and the Registration Statement to contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements, in light of the circumstances under which they were made, not misleading; provided, that if any such action shall be taken or fail to be taken or such development shall otherwise occur, Acquiror and the Company shall cooperate fully to cause an amendment or supplement to be made promptly to the Proxy Statement, and the Registration Statement such that the Proxy Statement and the Registration Statement no longer contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements, in light of the circumstances under which they were made, not misleading; provided, further, however, that no information received by Acquiror pursuant to this Section 6.04(b) shall operate as a waiver or otherwise affect any representation, warranty or agreement given or made by the Party who disclosed such information, and no such information shall be deemed to change, supplement or amend the Schedules.

Section 6.05 FIRPTA. At the Closing, the Company shall deliver to Acquiror a duly completed and executed certificate, dated as of the Closing Date, in form and substance reasonably satisfactory to Acquiror and conforming to the requirements of Treasury Regulations Section 1.1445-11T(d)(2)(i); provided, that, if the Company fails to deliver such certificate and notice, Acquiror shall have the option, at its sole discretion, to waive the requirement to deliver such certificate and notice, in which case the Transactions shall nonetheless be able to close and Acquiror shall be entitled to withhold from any consideration paid pursuant to this Agreement the amount required to be withheld under Section 1445 of the Code as reasonably determined by Acquiror.

Section 6.06 [Reserved].

Section 6.07 No Acquiror Common Stock Transactions. The Company acknowledges and agrees that it is aware, and that its Representatives are aware or, upon receipt of any material nonpublic information, will be advised of the restrictions imposed by Securities Laws on a Person possessing material nonpublic information about a publicly traded company. The Company hereby agrees that, while it is in possession of such material nonpublic information, it shall not and it will cause its Subsidiaries and direct its directors, officers and its and their respective Affiliates not to purchase or sell any securities of Acquiror (other than engaging in the Transactions), communicate such information to any third party, take any other action with respect to Acquiror in violation of such Laws, or cause or encourage any third party to do any of the foregoing.

**ARTICLE VII
COVENANTS OF ACQUIROR**

Section 7.01 Indemnification and Directors' and Officers' Insurance.

(a) From and after the Closing, Acquiror shall, and shall cause the Company to, indemnify and hold harmless each present and former director/manager and officer of Acquiror, the Company and the Company's Subsidiaries, or any individual who, at any time prior to the Closing, is or was serving at the request of Acquiror, the Company and the Company's Subsidiaries as a director/manager or officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any Action, whether civil, criminal, administrative or investigative, arising out of or pertaining to matters existing or occurring at or prior to the Closing, whether asserted or claimed prior to, at or after the Closing and relating to the fact that such Person was a director/manager or officer of Acquiror, the Company, or any of the Company's Subsidiaries, to the fullest extent that Acquiror, the Company or any of the Company's Subsidiaries would have been permitted under applicable Law and their respective certificate of incorporation, bylaws or other organizational documents in effect on the Original Agreement Date to indemnify such Person in its capacity as a director/manager or officer (including, within twenty (20) days after any written request is received by Acquiror, the advancing of expenses as incurred to the fullest extent permitted under such organizational documents or under any employment or indemnification agreement set forth on Schedule 7.01(a), which such advancement right shall include any expenses incurred by such Person in connection with enforcing any rights to indemnification under this Section 7.01, in each case, without the requirement of any bond or security). Without limiting the foregoing, Acquiror shall, and shall cause the Company and the Company's Subsidiaries to, (i) maintain for a period of not less than six years from the Closing provisions in its respective certificate of incorporation, bylaws and other organizational documents concerning the indemnification and exoneration (including provisions relating to expense advancement) of officers and directors/managers that are no less favorable to those Persons than the provisions of such certificates of incorporation, bylaws and other organizational documents as of the Original Agreement Date and (ii) not amend, repeal or otherwise modify such provisions in any respect that would adversely affect the rights of those Persons thereunder, in each case, except as required by Law. All rights to indemnification and advancement conferred under this Section 7.01 shall continue as to any indemnified Person who has ceased to be a director/manager or officer of Acquiror, the Company or the Company's Subsidiaries at or after the Closing and inure to the benefit of such person's heirs, executors and personal and legal representatives.

(b) Acquiror shall purchase, at or prior to the Closing, and Acquiror shall or shall cause one or more of its Subsidiaries to maintain in effect for a period of six years from the Closing Date, directors' and officers' liability insurance covering those Persons who are currently covered by Acquiror or the Company or any of the Company's Subsidiaries' directors' and officers' liability insurance policies (true, correct and complete copies of which have been heretofore made available to Acquiror or its agents or representatives) on terms not less favorable than the terms of such current insurance coverage, except that in no event shall Acquiror or its Subsidiaries be required to pay an aggregate premium for such insurance in excess of 300% of the annual premium payable in the aggregate by Acquiror, the Company, and the Company's Subsidiaries for such insurance policies for the year ended December 31, 2021; provided, however, that (i) Acquiror may cause coverage to be extended under the current directors' and officers' liability insurance by obtaining a six-year "tail" policy containing terms not materially less favorable than the terms of such current insurance coverage with respect to claims existing or occurring at or prior to the Closing (the "D&O Tail") and (ii) if any claim is asserted or made within such six-year period, any insurance required to be maintained under this Section 7.01 shall be continued in respect of such claim until the final disposition thereof.

(c) Notwithstanding anything contained in this Agreement to the contrary, this Section 7.01 shall survive the consummation of the Transactions indefinitely and shall be binding, jointly and severally, on Acquiror and the Company and all successors and assigns of Acquiror and the Company. If Acquiror or the Company or any of their respective successors or assigns consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of Acquiror or the Company, as the case may be, shall succeed to the obligations set forth in this Section 7.01.

Section 7.02 Conduct of Acquiror During the Interim Period.

(a) During the Interim Period, except as set forth on Schedule 7.02, as contemplated by this Agreement (including any changes relating to the capitalization of Acquiror as may reasonably be required to effect and consummate the Transactions), as consented to by the Company in writing (which consent shall not be unreasonably conditioned, withheld or delayed), or as required by applicable Law (including COVID-19 Measures), Acquiror shall not:

(i) change, modify or amend the Trust Agreement, the Sponsor Agreement, the Acquiror Organizational Documents;

(ii) (A) declare, set aside or pay any dividends on, or make any other distribution in respect of any outstanding Equity Securities of Acquiror, (B) split, combine or reclassify any Equity Securities of Acquiror, or (C) other than in connection with the Acquiror Stockholder Redemption or as otherwise required by Acquiror Organizational Documents in order to consummate the Transactions, repurchase, redeem or otherwise acquire, or offer to repurchase, redeem or otherwise acquire, any Equity Securities of Acquiror;

(iii) make, change or revoke any material Tax election, change or revoke any accounting method with respect to Taxes, settle or compromise any Tax liability or any Action, audit or other similar proceeding related to Taxes, enter into any closing agreement, surrender any right to claim a refund of Taxes, enter into any Tax sharing or similar agreement, file any amended material Tax Return, or consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment;

(iv) enter into, renew or amend in any material respect, any transaction or Contract with an Affiliate of Acquiror (including, for the avoidance of doubt, (A) the Sponsor and (B) any Person in which the Sponsor has a direct or indirect legal, contractual or beneficial ownership interest of 5% or greater);

(v) waive, release, compromise, settle or satisfy any pending or threatened material claim (which shall include, but not be limited to, any pending or threatened Action) or compromise or settle any liability, in each case other than compromises or settlements in an aggregate amount not greater than \$250,000; provided, that this Section 7.02(a)(v) will not apply with respect to any Transaction Litigation;

(vi) incur or assume any Indebtedness or guarantee any Indebtedness of another Person, issue or sell any debt securities or warrants or other rights to acquire any debt securities of another Person;

(vii) (A) offer, issue, deliver, grant or sell, or authorize or propose to offer, issue, deliver, grant or sell, any Equity Securities other than (x) issuance of Acquiror Common Stock in connection with the exercise of any Acquiror Warrants outstanding on the Original Agreement Date, (y) the Transactions, or (z) the issuance of Acquiror Series A Preferred Stock in connection with the First Merger, or (B) amend, modify or waive any of the terms or rights set forth in, any Acquiror Warrant or the applicable warrant agreement, including any amendment, modification or reduction of the warrant price set forth therein;

(viii) make any material change in accounting principles or methods of accounting, other than as may be required by GAAP;
or

(ix) enter into any agreement, or otherwise become obligated, to do any action prohibited under this Section 7.02(a).

(b) Notwithstanding anything in this Section 7.02 or this Agreement to the contrary, (i) nothing shall give the Company, directly or indirectly, the right to control or direct the operations of Acquiror and (ii) nothing set forth in this Agreement shall prohibit, or otherwise restrict the ability of, Acquiror from using the funds held by Acquiror outside the Trust Account to pay any Acquiror expenses or liabilities prior to the Closing.

(c) During the Interim Period, Acquiror shall use its commercially reasonable efforts to comply with, and continue performing under, as applicable, material Contracts to which Acquiror may be a party.

Section 7.03 Inspection. Acquiror will afford to the Company and its Representatives reasonable access during normal business hours and upon reasonable advanced notice to its properties, books, records and personnel during the Interim Period to obtain all information concerning its business, properties, results of operations and personnel for purposes of this Agreement, as the Company may reasonably request; provided, that such party may restrict the foregoing access (i) to the extent that any Law applicable to Acquiror requires it to restrict or prohibit access to any such properties or information, (ii) if such access would result in the waiver of any attorney-client privilege, the work product doctrine or similar privilege or protection applicable to such information or documents; provided, further, that in the event that Acquiror relies on the foregoing proviso to withhold access to disclosure, Acquiror shall, to the extent permitted by Law and the protection of such privilege, promptly notify the Company of the nature of the withheld information.

Section 7.04 Section 16 Matters. Prior to the Closing, Acquiror shall take all commercially reasonable steps as may be required (to the extent permitted under applicable Law) to cause any acquisition or disposition of the Acquiror Class A Common Stock that occurs or is deemed to occur by reason of or pursuant to the Transactions by each individual who is or will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Acquiror to be exempt under Rule 16b-3 promulgated under the Exchange Act, including adopting resolutions and taking other steps in accordance with the No-Action Letter, dated as of January 12, 1999, issued by the SEC regarding such matters.

Section 7.05 Post-Closing Directors and Officers. Subject to the terms of the Acquiror Organizational Documents, Acquiror shall take all such action within its power as may be necessary or appropriate such that immediately following the Closing:

(a) the Acquiror Board as of the Closing shall have eight (8) members and shall be divided into three classes, as nearly equal in number as possible, as set forth in the Acquiror Organizational Documents. The Acquiror Board as of the Closing shall initially include:

(i) two director nominees to be designated by the Sponsor or Acquiror in Class III (as defined in the Amended and Restated Acquiror Certificate of Incorporation) pursuant to a written notice to be delivered to the Company as soon as reasonably practicable following the Original Agreement Date, who shall be reasonably acceptable to the Company;

(ii) the chief executive officer of the Company immediately following Closing in Class III (as defined in the Amended and Restated Acquiror Certificate of Incorporation);

(iii) the chief medical officer of the Company immediately following Closing in Class II (as defined in the Amended and Restated Acquiror Certificate of Incorporation);

(iv) one director nominee to be designated by the C Preferred Parent Investor in Class I (as defined in the Amended and Restated Acquiror Certificate of Incorporation) pursuant to a written notice to be delivered to the Company as soon as reasonably practicable following the date hereof;

(v) three other director nominees nominated by the Company as identified in the Proxy Statement; and

(b) the officers of Acquiror after the Closing shall be as set forth on Schedule 7.05(b) (which schedule may be modified from time to time in the Company's sole discretion prior to the Closing), who shall serve in such capacity in accordance with the terms of the Acquiror Organizational Documents following the Closing.

Section 7.06 Incentive Equity Plan and Practice Profit Pool.

(a) Prior to the Closing Date, Acquiror shall adopt, subject to approval of the stockholders of Acquiror, an Incentive Equity Plan in substantially the form attached hereto as Exhibit C (the "Incentive Equity Plan") to be effective as of the Closing or as otherwise set forth in the applicable plan document. Within two Business Days following the expiration of the 60 day period following the date Acquiror has filed current Form 10 information with the SEC reflecting its status as an entity that is not a shell company, Acquiror shall file an effective registration statement on Form S-1 (or other applicable form) with respect to the Acquiror Common Stock issuable under the Incentive Equity Plan, and Acquiror shall use commercially reasonable efforts to maintain the effectiveness of such registration statement(s) (and maintain the current status of the prospectus or prospectuses contained therein) for so long as awards granted pursuant to the Incentive Equity Plan remain outstanding.

(b) Following the Closing Date, subject to compliance with applicable Laws, Acquiror shall issue a number of shares of Acquiror Class A Common Stock equal to the Adjusted Practice Profit Pool Amount to the eligible recipients thereof, with such terms and in such manner as determined by the Acquiror Board.

Section 7.07 Acquiror Public Filings. From the Original Agreement Date through the Closing, Acquiror will keep current and timely file all reports required to be filed or furnished with the SEC and otherwise comply in all material respects with its reporting obligations under applicable Laws.

Section 7.08 Nasdaq Listing. From the Original Agreement Date through the Closing, Acquiror shall use its reasonable best efforts to ensure that Acquiror remains listed as a public company on the Nasdaq, and shall cause Acquiror Common Stock to be issued in the Transaction to be approved for listing on Nasdaq or another reputable national securities exchange, subject to official notice of issuance, prior to the Closing, and the Company shall reasonably cooperate with Acquiror with respect to such listing.

Section 7.09 Employee Benefits.

(a) Comparability. For a period of 12 months following the Closing Date, Acquiror shall cause the Company to provide each employee of the Company as of immediately prior to the Closing (each, a "Continuing Employee"), during his or her continued employment, with (i) annual base salary or hourly wage rate and incentive compensation opportunities (excluding any equity or equity-based incentive compensation) that are no less than the annual base salary, hourly wage rate and incentive compensation opportunities (excluding any equity or equity-based incentive compensation), respectively, provided to such Continuing Employee immediately prior to the Closing Date, and (ii) employee benefits that are not less favorable in the aggregate to such Continuing Employee than those provided to such Continuing Employee immediately prior to the Closing Date under the Company Benefit Plans listed on Schedule 4.13(a).

(b) Service Credit. From and after the Closing, Acquiror shall cause the Company to give or cause to be given to each Continuing Employee credit for purposes of eligibility to participate, vesting of employer 401(k) plan contributions, level of severance and vacation/paid time off, but not for benefit accrual purposes under any defined benefit pension plan, under each employee benefit plan, program or arrangement established or maintained by Acquiror under which Continuing Employees are eligible to participate on or after the Closing (a "New Plan") to the same extent and for the same purpose as such service with the Company or any predecessor thereof was credited on or prior to the Closing under the comparable Company Benefit Plan; provided, however, that such credit need not be provided to the extent that such credit would result in any duplication of benefits for the same period of service.

(c) Pre-Existing Conditions/Copayment Credit. With respect to each New Plan that is a group welfare benefit plan in which any Continuing Employee or spouse or dependent thereof may be eligible to participate on or after the Closing, Acquiror shall use commercially reasonable efforts to (i) waive, or cause its Affiliates or insurance carrier to waive, all limitations as to preexisting conditions, actively-at-work requirements, exclusions and waiting periods, if any, with respect to participation and coverage requirements applicable to each Continuing Employee or spouse or dependent thereof, and any other similar restrictions that would prevent immediate or full participation by such Continuing Employee or eligible spouse or dependent thereof, under such New Plan, to the same extent satisfied or waived under a comparable Company Benefit Plan in which such Continuing Employee participated, and (ii) provide or cause its Affiliates to provide credit to each Continuing Employee or eligible spouse or dependent thereof with respect to the New Plan year in which the Closing occurs for any co-payments, deductibles, out-of-pocket expenses and for any lifetime maximums paid by such Continuing Employee or eligible spouse or dependent thereof under the comparable Company Benefit Plan during the plan year of the Company Benefit Plan up to and including the Closing to the same extent and for the same purpose as credited under such comparable Company Benefit Plan as if such amounts had been paid under such New Plan.

(d) Limitations. The Company and Acquiror acknowledge and agree that all provisions contained in this Section 7.09 are included for their sole benefit, and that nothing contained herein, express or implied, (i) confers any third-party beneficiary or other rights (including any right to continued employment for any period, to any particular term or condition of employment or to continued receipt of any specific employee benefit), or (ii) shall constitute an establishment, amendment to or any other modification of any New Plan, Company Benefit Plan or other employee benefit plan, or shall limit the right of Acquiror or any of its Affiliates to amend, terminate or otherwise modify any New Plan, Company Benefit Plan or other employee benefit plan, program or arrangement following the Closing Date.

Section 7.10 Additional Equity Financing. During the Interim Period, Acquiror may not execute agreements with equity investors or otherwise seek additional financing from potential equity or equity-linked investors without the prior written consent of the Company and the C Preferred Parent Investor.

Section 7.11 Exclusivity. Acquiror agrees that immediately following the execution of this Agreement it shall, and shall use its best efforts to cause its Representatives to, cease any solicitations, discussions or negotiations with any Person (other than the parties hereto and their respective Representatives) conducted heretofore in connection with a business combination or any inquiry or request for information that could reasonably be expected to lead to, or result in, a business combination.

ARTICLE VIII JOINT COVENANTS

Section 8.01 Efforts to Consummate.

(a) Subject to the terms and conditions herein, each of the Parties shall use their respective reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary or advisable to consummate and make effective as promptly as reasonably practicable the Transactions (including the satisfaction of the closing conditions set forth in Article IX). Without limiting the generality of the foregoing, each of the Parties shall use reasonable best efforts to obtain, file with or deliver to, as applicable, any consents of any Governmental Authorities or other Persons necessary to consummate the Transactions and the transactions contemplated by the Transaction Agreements. Each Party shall (A) make all required filings pursuant to the HSR Act with respect to the Transactions promptly (and in any event within 10 Business Days) following the Original Agreement Date and (B) respond as promptly as reasonably practicable to any requests by any Governmental Authority for additional information and documentary material that may be requested pursuant to the HSR Act. Acquiror shall promptly inform the Company of any communication between Acquiror, on the one hand, and any Governmental Authority, on the other hand, and the Company shall promptly inform Acquiror of any communication between either Company, on the one hand, and any Governmental Authority, on the other hand, in either case, regarding any of the Transactions or any Transaction Agreement. Without limiting the foregoing, (x) the Parties agree to request early termination of all waiting periods applicable to the Transactions under the HSR Act, and (y) each Party and its respective Affiliates shall not extend any waiting period, review period or comparable period under the HSR Act or enter into any agreement with any Governmental Authority not to consummate the Transactions, except with the prior written consent of the other Parties. The Company will pay all filing fees in connection with the HSR Act when due and such fees shall be deemed 50% Company Transaction Expenses and 50% Acquiror Transaction Expenses. Notwithstanding anything to the contrary in this Agreement, nothing in this Section 8.01 or any other provision of this Agreement obligates any Party or any of its Affiliates to agree to (i) sell, license or otherwise dispose of, or hold separate and agree to sell, license or otherwise dispose of, any entities or assets of the Company or any of their respective Subsidiaries or any entity or asset of such Party or any of its Affiliates or any other Person or (ii) terminate, amend or assign any existing relationships and contractual rights or obligations. No Party shall agree to any of the measures in the foregoing sentence with respect to any other Party or any of its Affiliates, except with each of the other Parties' prior written consent. During the Interim Period, Acquiror, on the one hand, and the Company, on the other hand, shall give counsel for the Company (in the case of Acquiror) or Acquiror (in the case of the Company), a reasonable opportunity to review in advance, and consider in good faith the views of the other in connection with, any proposed written communication to any Governmental Authority relating to the Transactions or the Transaction Agreements. Each of the Parties agrees not to participate in any substantive meeting or discussion, either in person or by telephone, with any Governmental Authority in connection with the Transactions unless it consults with, in the case of Acquiror and the Company, in advance and, to the extent not prohibited by such Governmental Authority, gives, in the case of Acquiror and the Company, or, in the case of either Company or Acquiror, the opportunity to attend and participate in such meeting or discussion.

(b) Notwithstanding anything to the contrary in the Agreement, (i) if this Section 8.01 conflicts with any other covenant or agreement in this Agreement that is intended to specifically address any subject matter, then such other covenant or agreement shall govern and control solely to the extent of such conflict and (ii) in no event shall Acquiror or the Company be obligated to bear any expense or pay any fee or grant any concession in connection with obtaining any consents, authorizations or approvals pursuant to the terms of any Contract to which the Company or its Subsidiaries is a party.

(c) During the Interim Period, Acquiror, on the one hand, and the Company, on the other hand, shall each notify the other in writing promptly after learning of any shareholder demands or other shareholder proceedings (including derivative claims) relating to this Agreement, any Transaction Agreements or any matters relating thereto (collectively, the “Transaction Litigation”) commenced against, in the case of Acquiror or any of its Representatives (in their capacity as a representative of Acquiror) or, in the case of the Company, or any respective Representatives of the Company (in their capacity as a representative of the Company). Acquiror and the Company shall each (i) keep the other reasonably informed regarding any Transaction Litigation, (ii) give the other the opportunity to, at its own cost and expense, participate in the defense, settlement and compromise of any such Transaction Litigation and reasonably cooperate with the other in connection with the defense, settlement and compromise of any such Transaction Litigation (subject to a customary joint defense agreement), (iii) consider in good faith the other’s advice with respect to any such Transaction Litigation, and (iv) reasonably cooperate with each other. Notwithstanding the foregoing, Acquiror shall, subject to and without limiting the covenants and agreements, and the rights of the Company, set forth in the immediately preceding sentence, control the negotiation, defense and settlement of any such Transaction Litigation; provided, however, that in no event shall Acquiror settle or compromise any Transaction Litigation without the prior written consent of the Company (not to be unreasonably withheld, conditioned or delayed). Without limiting the generality of the foregoing, in no event shall the Company or its Subsidiaries or any of their respective Representatives settle or compromise any Transaction Litigation without Acquiror’s prior written consent (not to be unreasonably withheld, contained or delayed).

(d) If Acquiror and the Company determine in good faith that it is probable that the Transactions will not be consummated on or before March 12, 2023 (the “Acquiror Termination Date”), then (i) Acquiror shall call a special meeting of its stockholders to be held and shall use its reasonable best efforts to obtain approval from such stockholders prior to the Acquiror Termination Date of a proposal to amend the Acquiror Organizational Documents to extend the deadline by which Acquiror is required to consummate the Transactions to a date that is no earlier than June 30, 2023 (such proposed extended deadline, the “Extension Date”, and such proposal, the “Extension Proposal”), (ii) Acquiror and the Company shall cooperate with the preparation, filing and mailing of proxy materials to be sent to Acquiror’s stockholders seeking approval of the Extension Proposal in accordance with the same efforts, notice, consent and other cooperation standards applicable to the preparation, filing and mailing of the Proxy Statement, and other related materials and actions, as set forth in Section 8.02, (iii) to the extent required to obtain approval of the Extension Proposal and to cause sufficient funds to be retained in the Trust Account as is reasonably expected to be needed to satisfy the conditions set forth in Section 9.01(f), Acquiror shall deposit such additional amount of funds to the Trust Account (which deposit shall be funded by a loan from the Sponsor to Acquiror) necessary to obtain approval of the Extension Proposal in a manner that is expected to cause sufficient funds to be retained in the Trust Account as is reasonably expected to be needed to satisfy the conditions set forth in Section 9.01(f), such amount to be determined in good faith by Acquiror after consultation with its advisors, and (iv) and in the event the Extension Proposal is duly approved by the affirmative vote of the holders of the requisite number of Acquiror Common Stock entitled to vote thereon in accordance with the Acquiror Organizational Documents and applicable Law, Acquiror shall promptly thereafter amend the Acquiror Organizational Documents to provide for the extension of the deadline by which Acquiror is required to consummate the Transactions to the Extension Date contemplated by the Extension Proposal. If, following any such approval of the Extension Proposal, Acquiror and the Company determine in good faith that it is probable that the Transactions will not be consummated on or before the Extension Date, Acquiror and the Company shall cooperate in good faith to request and effectuate further amendments to the Acquiror Organizational Documents to provide for additional extensions of the deadline applicable to the consummation of a business combination in accordance with the foregoing sentence.

Section 8.02 Proxy Statement; Special Meeting; Registration Statement.

(a) Proxy Statement.

(i) As promptly as practicable after the execution of this Agreement, Acquiror and the Company shall jointly prepare and Acquiror shall file with the SEC, a proxy statement to be filed with the SEC and sent to the stockholders of Acquiror relating to the Special Meeting (such proxy statement, together with any amendments or supplements thereto, the "Proxy Statement"). Each of Acquiror and the Company shall use its reasonable best efforts to cause the Proxy Statement to comply with the rules and regulations promulgated by the SEC. Acquiror shall use its reasonable best efforts to have the Proxy Statement cleared by the SEC under the Exchange Act as promptly as practicable. Each of Acquiror and the Company agrees to furnish to the other party all information concerning itself, its Subsidiaries, officers, directors, managers, stockholders, and other equityholders and information regarding such other matters as may be reasonably necessary or advisable or as may be reasonably requested in connection with the Proxy Statement, a Current Report on Form 8-K pursuant to the Exchange Act in connection with the Transactions, or any other statement, filing, notice or application made by or on behalf of Acquiror, the Company or the Company's Subsidiaries to any regulatory authority (including Nasdaq) in connection with the Transactions (the "Other Documents"). Acquiror will cause the Proxy Statement to be mailed to the stockholders of Acquiror in each case promptly after it is cleared by the SEC. To the extent not prohibited by Law, the Company and Acquiror shall provide the C Preferred Parent Investor and its counsel a reasonable opportunity to review and comment on the Proxy Statement and any Other Document before any such document or any pre-effective amendment thereto is submitted or filed with the SEC (but in any event no less than three (3) Business Days prior to such submission or filing), and Acquiror shall give reasonable and good faith consideration to any comments made by the C Preferred Parent Investor and its counsel.

(ii) To the extent not prohibited by Law, Acquiror will advise the Company, reasonably promptly after Acquiror receives notice thereof, of the time when the Proxy Statement has been cleared or any supplement or amendment has been filed, or of any request by the SEC for the amendment or supplement of the Proxy Statement or for additional information. To the extent not prohibited by Law, the Company and their counsel shall be given a reasonable opportunity to review and comment on the Proxy Statement and any Other Document each time before any such document is filed with the SEC, and Acquiror shall give reasonable and good faith consideration to any comments made by the Company and its counsel. To the extent not prohibited by Law, Acquiror shall provide the Company and the C Preferred Parent Investor and their respective counsels with (i) any comments or other communications, whether written or oral, that Acquiror or its counsel may receive from time to time from the SEC or its staff with respect to the Proxy Statement or Other Documents promptly after receipt of those comments or other communications and (ii) a reasonable opportunity to participate in the response of Acquiror to those comments and to provide comments on that response (to which reasonable and good faith consideration shall be given), including by participating with the Company or its counsel in any discussions or meetings with the SEC.

(iii) Each of Acquiror and the Company shall ensure that none of the information supplied by or on its behalf for inclusion or incorporation by reference in the Proxy Statement will, at the date it is first mailed to the stockholders of Acquiror and at the time of the Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(iv) If at any time prior to the Closing any information relating to Acquiror, the Company, any of the Company's Subsidiaries, or their respective Affiliates, directors or officers is discovered by the Company or Acquiror, which is required to be set forth in an amendment or supplement to the Proxy Statement, so that such document would include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Law, disseminated to the stockholders of Acquiror.

(b) Special Meeting.

(i) Acquiror shall file the definitive Proxy Statement with the SEC and cause the Proxy Statement to be mailed to its stockholders of record, as of the record date to be established by the board of directors of Acquiror, as promptly as practicable following the earlier to occur of: (A) in the event the preliminary Proxy Statement is not reviewed by the SEC, the expiration of the waiting period in Rule 14a-6(a) under the Exchange Act; and (B) in the event the preliminary Proxy Statement is reviewed by the SEC, receipt of oral or written notification of the completion of the review by the SEC (such earlier date, the "SEC Clearance Date").

(ii) Promptly following the SEC Clearance Date, Acquiror shall: (a) (i) take all action necessary under applicable Law and the Acquiror Organizational Documents and Nasdaq listing rules to set a record date for, call, give notice of, convene and hold a meeting of the stockholders of Acquiror (the "Special Meeting") for a date no later than thirty (30) Business Days following the SEC Clearance Date, and (ii) solicit proxies from the holders of Acquiror Common Stock to vote in favor of each of the Transaction Proposals, and (b) provide its stockholders with the opportunity to elect to effect an Acquiror Stockholder Redemption. Acquiror shall, through the Acquiror Board, recommend to its stockholders the (A) amendment and restatement of the Acquiror Organizational Documents, including any separate or unbundled proposals as are required to implement the foregoing, (B) the adoption and approval of this Agreement and the Transactions in accordance with applicable Law and exchange rules and regulations, (C) approval of the issuance of shares of Acquiror Class A Common Stock and Acquiror Series A Preferred Stock as contemplated by this Agreement and in connection with the First Merger, including any required approvals under Nasdaq Listing Rule 5635 (or the equivalent rule on any other national securities exchange on which the Acquiror Class A Common Stock is listed in connection with the Transaction), (D) approval of the adoption by Acquiror of the Incentive Equity Plan described in Section 7.06, (E) adoption and approval of any other proposals as the SEC (or staff member thereof) may indicate are necessary in its comments to the Proxy Statement or correspondence related thereto, (F) adoption and approval of any other proposals as reasonably agreed to by Acquiror and the Company to be necessary or appropriate in connection with the transactions contemplated hereby, and (G) adjournment of the Special Meeting, if necessary, to permit further solicitation of proxies because there are not sufficient votes to approve and adopt any of the foregoing (such proposals in (A) through (G), together, the "Transaction Proposals"), and include such recommendation in the Proxy Statement, with such changes as mutually agreed to by the Parties.

(iii) Acquiror may only adjourn the Special Meeting (A) to solicit additional proxies for the purpose of obtaining the Acquiror Stockholder Approval, (B) for the absence of a quorum and (C) to allow reasonable additional time for the filing or mailing of any supplemental or amended disclosure that Acquiror has determined in good faith after consultation with outside legal counsel is required under applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by stockholders of Acquiror prior to the Special Meeting; provided, that the Special Meeting (x) may not be adjourned to a date that is more than fifteen (15) days after the date for which the Special Meeting was originally scheduled (excluding any adjournments required by applicable Law) and (y) shall not be held later than three (3) Business Days prior to the Termination Date. Acquiror agrees that it shall provide the holders of shares of Acquiror Class A Common Stock the opportunity to elect redemption of such shares of Acquiror Class A Common Stock in connection with the Special Meeting, as required by Acquiror Organizational Documents.

(iv) Notwithstanding the foregoing, at any time prior to, but not after, obtaining approval of the Transaction Proposals, solely in response to an Acquiror Intervening Event, the Acquiror Board may fail to make, amend, change, withdraw, modify, withhold or qualify the Acquiror Board Recommendation (any such action, a "Change in Recommendation") if the Acquiror Board shall have determined in good faith, after consultation with its outside legal counsel, that, in response to such Acquiror Intervening Event, a failure to make a Change in Recommendation would result in a breach of its fiduciary duties under applicable Law; provided that the Acquiror Board will not be entitled to make, or agree or resolve to make, a Change in Recommendation until (A) Acquiror delivers to the Company a written notice (an "Acquiror Intervening Event Notice") advising the Company that the Acquiror Board proposes to take such action and containing the material facts underlying the Acquiror Board's determination that an Acquiror Intervening Event has occurred, (B) until 5:00 p.m., Eastern Time, on the third Business Day immediately following the day on which Acquiror delivered the Acquiror Intervening Event Notice (such period from the time the Acquiror Intervening Event Notice is provided until 5:00 p.m. Eastern Time on the third Business Day immediately following the day on which Acquiror delivered the Acquiror Intervening Event Notice (it being understood that any material development with respect to an Acquiror Intervening Event shall require a new notice but with an additional two-Business Day (instead of three-Business Day) period from the date of such notice), the "Acquiror Intervening Event Notice Period"), Acquiror and its Representatives shall have negotiated in good faith with the Company and its Representatives regarding any revisions or adjustments proposed by the Company during the Acquiror Intervening Event Notice Period to the terms and conditions of this Agreement as would enable Acquiror to proceed with its recommendation of this Agreement and the Transactions and not make such Change in Recommendation, and (C) if the Company requested negotiations in accordance with the foregoing clause (B), Acquiror may make a Change in Recommendation only if the Acquiror Board, after considering in good faith any revisions or adjustments to the terms and conditions of this Agreement that the Company shall have, prior to the expiration of the three-Business Day period, offered in writing in a manner that would form a binding Contract if accepted by Acquiror (and the other applicable parties hereto), reaffirms in good faith (after consultation with its outside legal counsel) that the failure to make an Change in Recommendation would result in a breach of its fiduciary duties under applicable Law. For the avoidance of doubt, a Change in Recommendation will not affect Acquiror's obligations pursuant to this Section 8.02 (other than as set forth in the immediately preceding sentence) or elsewhere in this Agreement.

(c) Exchange Offer; Registration Statement.

(i) Prior to adoption of the Amended and Restated Company LLC Agreement, Acquiror shall commence, and use its commercially reasonable efforts to consummate as of immediately prior to the effectiveness of the Amended and Restated Company LLC Agreement, the Company Class B-1 Unit Award Exchange Offer in compliance with the applicable rules under the Exchange Act, including Regulation 14E thereunder.

(ii) On or promptly following the Original Agreement Date, Acquiror and the Company shall jointly prepare and Acquiror shall file with the SEC, a registration statement on Form S-4 with respect to any shares of Acquiror Class A Common Stock to be issued in the Company Class B-1 Unit Award Exchange Offer (such registration statement, together with any amendments or supplements thereto, the "Registration Statement"). Each of Acquiror and the Company shall use its reasonable best efforts to cause the Registration Statement to comply with the rules and regulations promulgated by the SEC. Acquiror shall use its reasonable best efforts to have the Registration Statement declared effective by the SEC under the Securities Act as promptly as practicable. Each of Acquiror and the Company agrees to furnish to the other party all information concerning itself, its Subsidiaries, officers, directors, managers, stockholders, and other equityholders and information regarding such other matters as may be reasonably necessary or advisable or as may be reasonably requested in connection with the Registration Statement. Acquiror will cause the Registration Statement to be mailed to the Company Employees promptly after it is declared effective by the SEC.

(iii) To the extent not prohibited by Law, Acquiror will advise the Company, reasonably promptly after Acquiror receives notice thereof, of the time when the Registration Statement has been declared effective or any supplement or amendment has been filed, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information. To the extent not prohibited by Law, the Company and their counsel shall be given a reasonable opportunity to review and comment on the Registration Statement each time before any such document is filed with the SEC, and Acquiror shall give reasonable and good faith consideration to any comments made by the Company and its counsel. To the extent not prohibited by Law, Acquiror shall provide the Company and their counsel with (i) any comments or other communications, whether written or oral, that Acquiror or its counsel may receive from time to time from the SEC or its staff with respect to the Registration Statement promptly after receipt of those comments or other communications and (ii) a reasonable opportunity to participate in the response of Acquiror to those comments and to provide comments on that response (to which reasonable and good faith consideration shall be given), including by participating with the Company or its counsel in any discussions or meetings with the SEC.

(iv) Each of Acquiror and the Company shall ensure that none of the information supplied by or on its behalf for inclusion or incorporation by reference in the Registration Statement will, at the date it is first mailed to the Company Employees, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(v) If at any time prior to the Closing any information relating to Acquiror, the Company, any of the Company's Subsidiaries, or their respective Affiliates, directors or officers is discovered by the Company or Acquiror, which is required to be set forth in an amendment or supplement to the Registration Statement, so that such document would include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Law, disseminated to the Company Employees.

(vi) Acquiror may, upon prior notice to the Company, elect to file the Registration Statement and the Proxy Statement as a joint proxy statement/prospectus, provided that Acquiror complies with its obligations under this Section 8.02 with respect to the preparation, filing and mailing of such documents and any amendments and supplements thereto.

Section 8.03 Tax Matters.

(a) Intended Tax Treatment. For U.S. federal income tax purposes (and for purposes of any applicable state or local income tax that follows the U.S. federal income tax treatment), each of the Parties intends that (A) the transactions described in Section 2.01(d)(i)(A) be treated as a contribution pursuant to Section 721(a) of the Code by Acquiror and (B) the Mergers, taken together, be treated as a single integrated transaction that qualifies as a "reorganization" under Section 368(a) of the Code and the Treasury Regulations promulgated thereunder (the "Intended Income Tax Treatment"). With respect to the Mergers, this Agreement is intended to constitute, and is hereby adopted as, a "plan of reorganization" within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a). The Parties will prepare and file all Tax Returns consistent with the foregoing provisions of this Section 8.03(a) and will not take any inconsistent position on any Tax Return or during the course of any Action, audit, or other similar proceeding with respect to Taxes, except as otherwise required by a determination within the meaning of Section 1313(a) of the Code (or any similar or corresponding provision of state or local Law). Each of the Parties agrees to promptly notify all other Parties of any challenge to the Intended Income Tax Treatment by any Governmental Authority.

(b) Tax Matters Cooperation. Each of the Parties shall (and shall cause their respective Affiliates to) cooperate fully, as and to the extent reasonably requested by another Party, in connection with the filing of relevant Tax Returns, any claim for a refund of any Tax, and any audit or Tax proceeding. Such cooperation shall include the retention and (upon the other Party's reasonable request) the provision (with the right to make copies) of records and information reasonably relevant to any tax proceeding or audit, making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder.

(c) Transfer Taxes. All transfer, stamp, documentary, sales, use, registration, value-added and other similar Taxes (including all applicable real estate transfer Taxes) incurred in connection with this Agreement and the Transactions (“Transfer Taxes”) will be borne and paid by Acquiror. The Parties shall use commercially reasonable efforts to obtain any certificate or other document from any Governmental Authority or any other Person as may be necessary to mitigate, reduce or eliminate any Transfer Tax that could be imposed in connection with the Transactions.

Section 8.04 Confidentiality; Publicity.

(a) Acquiror acknowledges that the information being provided to it in connection with this Agreement and the consummation of the Transactions is subject to the terms of the Company Confidentiality Agreement, the C Preferred Investor Confidentiality Agreement and Sections 10.6 and 10.7 of the UPA, the terms of which are incorporated herein by reference. The Company Confidentiality Agreement shall survive the execution and delivery of this Agreement and shall apply to all information furnished thereunder or hereunder and any other activities contemplated thereby (and with respect to the C Preferred Investor Confidentiality Agreement and Sections 10.6 and 10.7 of the UPA, as if Acquiror were a party to such agreements).

(b) Subject to Section 8.04(c), none of the Parties nor any of their respective Representatives shall issue any press releases or make any public announcements (including communications disseminated via social media, news feeds, chat rooms or other similar electronic platforms for communicating to persons who are not otherwise obligated to maintain the confidentiality of such communications) with respect to this Agreement or the Transactions or any subject matter disclosed or required to be disclosed in the Proxy Statement or the Registration Statement without the prior written consent of the other Parties, prior to the Closing; provided, however, that each Party may make any such announcement or other communication (i) if such announcement or other communication is required by applicable Law or the rules of any stock exchange, in which case the disclosing Party shall, to the extent permitted by applicable Law, first allow (A) the Company, if the disclosing party is Acquiror or (B) Acquiror, if the disclosing party is the Company (prior to the Closing), to review such announcement or communication and the opportunity to comment thereon and the disclosing Party shall consider such comments in good faith, (ii) to the extent such announcements or other communications contain only information previously disclosed in a public statement, press release or other communication previously approved in accordance with this Section 8.04, and (iii) to Governmental Authorities in connection with any consents required to be made under this Agreement or in connection with the Transactions. Notwithstanding anything to the contrary in this Section 8.04 or otherwise in this Agreement, the Parties agree that the Sponsor, Acquiror and their respective Representatives may provide general information about the subject matter of this Agreement and the Transactions to any direct or indirect current or prospective investor or in connection with normal fund raising or related marketing or informational or reporting activities, in each case, so long as such recipients are obligated to keep such information confidential.

(c) The initial press release concerning this Agreement and the Transactions shall be a joint press release in the form agreed by the Company and Acquiror prior to the execution of this Agreement and such initial press release (the “Signing Press Release”) shall be released as promptly as practicable after the execution of this Agreement (but in any event within four Business Days thereafter). Promptly after the execution of this Agreement (but in any event within four Business Days thereafter), Acquiror shall file a current report on Form 8-K (the “Signing Filing”) with the Signing Press Release and a description of this Agreement as required by Securities Laws, which the Company shall have the opportunity to review and comment upon prior to filing and Acquiror shall consider such comments in good faith. The Company, Acquiror and the Sponsor shall mutually agree upon (such agreement not to be unreasonably withheld, conditioned or delayed by any of them) and, as promptly as practicable after the Closing (but in any event within four Business Days thereafter), issue a press release announcing the consummation of the Transactions (the “Closing Press Release”). Promptly after the Closing (but in any event within four Business Days after the Closing), Acquiror shall file a current report on Form 8-K (the “Closing Filing”) with the Closing Press Release and a description of the Closing as required by Securities Laws, which the Sponsor shall have the opportunity to review and comment upon prior to filing and Acquiror shall consider in good faith such comments. In connection with the preparation of the Signing Press Release, the Signing Filing, the Closing Press Release or the Closing Filing, each Party shall, upon written request by any other Party, furnish such other Party with all information concerning itself, its directors, officers and equityholders, and such other matters as may be reasonably necessary for such press release or filing.

Section 8.05 Registration Rights. In connection with the consummation of the Transactions, Acquiror, the Sponsor and certain holders of Acquiror Common Stock and Acquiror Series A Preferred Stock shall enter into the registration rights agreement substantially in the form attached hereto as Exhibit D (the "Registration Rights Agreement"), pursuant to which (i) certain holders of Acquiror Common Stock and Acquiror Series A Preferred Stock shall be granted registration rights substantially consistent with those set forth in the Registration and Stockholder Rights Agreement, dated as of March 9, 2021, by and among Acquiror, the Sponsor and the other parties thereto, and (ii) Acquiror shall be obligated to file a registration statement registering the resale or other disposition of the Acquiror Class A Common Stock issued in connection with the any exchange or redemption of Company Common Units, Acquiror Class B Common Stock (including, for greater certainty, Acquiror Class B Common Stock issuable upon the exercise of any Acquiror Class B Warrants) and Acquiror Series A Preferred Stock pursuant to the terms of the Amended and Restated Company LLC Agreement or Amended and Restated Acquiror Certificate of Incorporation, as applicable.

Section 8.06 Transaction Expenses. The Parties shall reasonably cooperate so as to cause the sum of the Company Transaction Expenses and Acquiror Transaction Expenses not to exceed \$32,000,000.

Section 8.07 Post-Closing Cooperation; Further Assurances. Following the Closing, each Party shall, on the request of any other Party, execute such further documents, and perform such further acts, as may be reasonably necessary or appropriate to give full effect to the allocation of rights, benefits, obligations and liabilities contemplated by this Agreement and the Transactions.

ARTICLE IX CONDITIONS TO OBLIGATIONS

Section 9.01 Conditions to Obligations of All Parties. The obligations of the Acquiror and the Company to consummate, or cause to be consummated, the Transactions are subject to the satisfaction of the following conditions, any one or more of which may be waived (if legally permitted) in writing by all of such Parties:

Section 9.02 Additional Conditions to Obligations of Acquiror. The obligations of Acquiror to consummate, or cause to be consummated, the Transactions are subject to the satisfaction of the following additional conditions, any one or more of which may be waived in writing by Acquiror:

(a) Representations and Warranties.

(i) The representations and warranties of the Company contained in Section 4.01 (Corporate Organization of the Company), Section 4.02 (Subsidiaries), Section 4.03 (Due Authorization), Section 4.07 (Capitalization of Subsidiaries), Section 4.23 (Brokers), and Section 4.26 (Proxy Statement; Registration Statement; Information Provided) shall be true and correct (without giving any effect to any limitation as to “materiality” or “Company Material Adverse Effect” or any similar limitation set forth therein) in all material respects as of the Original Agreement Date and as of the Closing Date as though then made (except to the extent such representations and warranties expressly relate to an earlier date, which in such case, shall be true and correct in all material respects on and as of such earlier date).

(ii) The representations and warranties of the Company contained in Section 4.06 (Current Capitalization) (together with the representations and warranties identified in Section 9.02(a)(i), the “Company Specified Representations”) shall be true and correct (without giving any effect to any limitation as to “materiality” or “Company Material Adverse Effect” or any similar limitation set forth therein) in all respects as of the Original Agreement Date and as of the Closing Date as though then made other than *de minimis* inaccuracies.

(iii) Each of the representations and warranties contained in Article IV (other than the Company Specified Representations and Section 4.22(c) (Absence of Changes)) shall be true and correct (without giving any effect to any limitation as to “materiality” or “Company Material Adverse Effect” or any similar limitation set forth therein) as of the Original Agreement Date and as of the Closing Date as though then made (except to the extent such representations and warranties expressly relate to an earlier date, which in such case, shall be true and correct on and as of such earlier date), except, in either case, where the failure of such representations and warranties to be so true and correct, individually or in the aggregate, has not had, and would not reasonably be expected to have, a Company Material Adverse Effect.

(b) Agreements and Covenants. The covenants and agreements of the Company in this Agreement to be performed as of or prior to the Closing shall have been performed in all material respects.

(c) Officer's Certificate. The Company shall have delivered to Acquiror a certificate signed by an officer of the Company, dated as of the Closing Date, certifying that, to the knowledge and belief of such officer, the conditions specified in Section 9.02(a) and Section 9.02(b) have been fulfilled.

(d) Company Material Adverse Effect. Since the Original Agreement Date, no Company Material Adverse Effect shall have occurred which is continuing and uncured.

Section 9.03 Additional Conditions to the Obligations of the Company. The obligation of the Company to consummate, or cause to be consummated, the Transactions is subject to the satisfaction of the following additional conditions, any one or more of which may be waived in writing by the Company:

(a) Representations and Warranties.

(i) Each of the representations and warranties of Acquiror contained in Article V (other than the representations and warranties of Acquiror contained in Section 5.01 (Corporate Organization), Section 5.02 (Due Authorization) and Section 5.11 (Capitalization)) shall be true and correct (without giving any effect to any limitation as to "materiality" or "Acquiror Material Adverse Effect" or any similar limitation set forth therein) as of the Original Agreement Date and as of the Closing Date as though then made (except to the extent such representations and warranties expressly relate to an earlier date, which in such case, shall be true and correct on and as of such earlier date), except, in either case, where the failure of such representations and warranties to be so true and correct, individually or in the aggregate, has not had, and would not reasonably be expected to have, an Acquiror Material Adverse Effect.

(ii) Each of the representations and warranties of Acquiror contained in Section 5.01 (Corporate Organization), Section 5.02 (Due Authorization) and Section 5.11 (Capitalization) shall be true and correct (without giving any effect to any limitation as to "materiality" or any similar limitation set forth therein) in all material respects as of the Closing Date as though then made (except to the extent such representations and warranties expressly relate to an earlier date, which in such case, shall be true and correct in all material respects on and as of such earlier date).

(b) Agreements and Covenants. The covenants and agreements of Acquiror in this Agreement to be performed as of or prior to the Closing shall have been performed in all material respects.

(c) Officer's Certificate. Acquiror shall have delivered to the Company a certificate signed by an officer of Acquiror, dated as of the Closing Date, certifying that, to the knowledge and belief of such officer, the conditions specified in Section 9.03(a) and Section 9.03(b) have been fulfilled.

(d) Acquiror Directors and Officers. As of immediately following the Closing, the Acquiror Board and officers shall be constituted in accordance with Section 7.05.

Section 9.04 Frustration of Conditions. A Party may not rely on the failure of any condition set forth in this Article IX to be satisfied if such failure was due to the failure of such Party to perform any of its obligations under this Agreement.

ARTICLE X TERMINATION/EFFECTIVENESS

Section 10.01 Termination. This Agreement may be validly terminated and the Transactions may be abandoned at any time prior to the Closing only as follows:

(a) by mutual written agreement of Acquiror and the Company;

(b) by either Acquiror or the Company, if there shall be in effect any (i) Law in any jurisdiction of competent authority or (ii) Governmental Order issued, promulgated, made, rendered or entered into by any court or other tribunal of competent jurisdiction, that, in the case of each of clauses (i) and (ii), permanently restrains, enjoins, makes illegal or otherwise prohibits the consummation of the Business Combination and in the case of any such Governmental Order, such Governmental Order shall have become final and non-appealable, except that the right to terminate this Agreement pursuant to this Section 10.01(b) will not be available to any Party that has failed to use its reasonable best efforts to resist, appeal, obtain consent pursuant to, resolve or lift, as applicable, such final and non-appealable order;

(c) by Acquiror or the Company, if the Closing has not occurred by 11:59 p.m., Eastern Time, on October 5, 2023 (the "Termination Date"); provided, that the Termination Date shall be automatically extended for an additional 60 days to the extent there is any delay to the applicable waiting or review periods, or any extension thereof, by any Governmental Authority or Nasdaq (including any specific request from any Governmental Authority or Nasdaq to delay filings or for additional time to review the Transactions) that would, or would reasonably be expected to, have the effect of delaying, impeding, hindering or preventing the review of the Transaction or issuance of clearance or approval from such Governmental Authority to the extent required to satisfy the condition set forth in Section 9.01(b); provided, further, that the right to terminate this Agreement pursuant to this Section 10.01(c) will not be available to any Party whose breach of any provision of this Agreement primarily causes or results in the failure of the Business Combination to be consummated by such time;

(d) by either Acquiror or the Company, if Acquiror fails to obtain the Acquiror Stockholder Approval upon vote taken thereon at the Special Meeting (or at a meeting of its stockholders following any adjournment or postponement thereof);

(e) by Acquiror, if the Company has breached or failed to perform any of its (i) representations or warranties or (ii) covenants or other agreements contained in this Agreement, which breach or failure to perform (A) would result in the failure of a condition set forth in Section 9.02(a) or Section 9.02(b) to be satisfied and (B) is not capable of being cured by the Termination Date or, if capable of being cured by the Termination Date, is not cured by the Company before the earlier of (I) the fifth Business Day immediately prior to the Termination Date and (II) the 30th day following receipt of written notice from Acquiror of such breach or failure to perform; provided, that Acquiror shall not have the right to terminate this Agreement pursuant to this Section 10.01(e) if it is then in material breach of any representations, warranties, covenants or other agreements contained in this Agreement that would result in the failure of a condition set forth in Section 9.03(a) or Section 9.03(b) to be satisfied;

(f) by the Company, if Acquiror has breached or failed to perform any of its respective representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform (A) would result in the failure of a condition set forth in Section 9.03(a) or Section 9.03(b) to be satisfied and (B) is not capable of being cured by the by the Termination Date or, if capable of being cured by the Termination Date, is not cured by Acquiror, as applicable, before the earlier of (I) the fifth Business Day immediately prior to the Termination Date and (II) the 30th day following receipt of written notice from the Company of such breach or failure to perform; provided, that the Company shall not have the right to terminate this Agreement pursuant to this Section 10.01(f) if it is then in material breach of any representations, warranties, covenants or other agreements contained in this Agreement that would result in the failure of a condition set forth in Section 9.02(a) or Section 9.02(b) to be satisfied;

(g) by the Company if the Company Board authorizes the Company to enter in a definitive agreement with any Person other than Acquiror with respect to an Acquisition Transaction and concurrently with the termination of this Agreement, the Company enters into such definitive agreement, or by Acquiror if the Company enters into such a definitive agreement without concurrently terminating this Agreement pursuant to this Section 10.01(g); or

(h) by Acquiror or the Company, if (i) the Closing has not occurred by 11:59 p.m., Eastern Time, on the Acquiror Termination Date and (ii) on or before such date, amendments to the Acquiror Organizational Documents have not been duly made effective in accordance with applicable law to extend the deadline by which Acquiror is required to consummate the Transactions to the Extension Date; provided, that in the event that Acquiror and the Company determine in good faith that it is probable that the Transactions will not be consummated on or before the Extension Date pursuant to the last sentence of Section 8.01(d), the Acquiror Termination Date shall be automatically extended to such Extension Date and neither Acquiror nor the Company may terminate this Agreement pursuant to this Section 10.01(h) unless on or before such Extension Date amendments to the Acquiror Organizational Documents have not been duly made effective in accordance with applicable law to further extend the deadline by which Acquiror is required to consummate the Transactions to a date after the Extension Date;

The Party seeking to terminate this Agreement pursuant to this Section 10.01 (other than Section 10.01(a)) shall give prompt written notice of such termination to the other Parties hereto specifying the provision hereof pursuant to which such termination is made.

Section 10.02 Effect of Termination.

(a) Except as otherwise set forth in this Section 10.02, if this Agreement terminates pursuant to Section 10.01, this Agreement shall forthwith become void and have no effect, without any liability on the part of any Party or its respective Affiliates, officers, directors, employees or stockholders, other than liability of any Party for any Fraud or any willful and knowing material breach of this Agreement by such Party occurring prior to such termination. The provisions of Section 6.03 (No Claim Against the Trust Account), Section 8.04 (Confidentiality; Publicity), this Section 10.02 (Effect of Termination) and Article XI (Miscellaneous) (collectively, the “Surviving Provisions”) and the Company Confidentiality Agreement, and any other Section or Article of this Agreement referenced in the Surviving Provisions which are required to survive in order to give appropriate effect to the Surviving Provisions, shall in each case survive any termination of this Agreement.

(b) In the event that this Agreement is terminated pursuant to Section 10.01(g), the Company shall pay to Sponsor the Company Termination Fee by wire transfer of immediately available cash funds no later than the earlier of (i) the date that is six (6) months following the termination of this Agreement by Acquiror or the Company pursuant to Section 10.01(g) or (ii) the date of consummation of the Acquisition Transaction.

(c) In the event that this Agreement is terminated by:

(i) the Company or Acquiror pursuant to Section 10.01(d) or Section 10.01(h),

(ii) the Company pursuant to Section 10.01(f), or

(iii) the Company or Acquiror pursuant to Section 10.01(c) in circumstances in which the condition set forth under Section 9.01(f) (Stock Exchange Listing) shall have not been satisfied or waived and, in the event such condition has not been waived, the Company is not then in material breach of any representations, warranties, covenants or other agreements contained in this Agreement that would have contributed to the failure to satisfy such condition,

Acquiror shall pay to the Company, within five (5) Business Days of the termination of this Agreement, by wire transfer of immediately available cash funds an amount equal to the sum of all reasonable, documented out-of-pocket legal and accounting expenses actually incurred by the Company and its Affiliates in connection with the Transactions.

Without limiting the foregoing, any Party may give any notice, request, instruction, demand, document or other communication hereunder using any other means (including personal delivery, expedited courier, messenger service, ordinary mail or electronic mail), but no such notice, request, instruction, demand, document or other communication shall be deemed to have been duly given unless and until it actually is received by the Party for whom it is intended.

Section 11.03 Assignment. No Party shall assign this Agreement or any part hereof without the prior written consent of the other Parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 11.03 shall be null and void, *ab initio*.

Section 11.04 Rights of Third Parties. Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon or give any Person, other than the Parties, any right or remedies under or by reason of this Agreement; provided, however, that notwithstanding the foregoing (a) if the Closing occurs, the present and former officers and directors of the Company and Acquiror (and their successors, heirs and representatives) are intended third-party beneficiaries of, and may enforce, Section 7.01, (b) the past, present and future directors, officers, employees, incorporators, members, partners, stockholders, Affiliates, agents, attorneys, advisors and representatives of the Parties, and any Affiliate of any of the foregoing (and their successors, heirs and representatives), are intended third-party beneficiaries of, and may enforce, Section 11.14, and (c) the Sponsor (including its successors and representatives) are intended third-party beneficiaries of, and may enforce, Section 10.02(b).

Section 11.05 Expenses. Except as otherwise provided herein, each Party shall bear its own expenses incurred in connection with this Agreement and the Transactions whether or not such transactions shall be consummated, including all fees of its legal counsel, financial advisers and accountants; provided, that if the Closing occurs, Acquiror and the Company shall bear and pay at or promptly after Closing all Acquiror Transaction Expenses and all Company Transaction Expenses.

Section 11.06 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the Transactions, shall be governed by, and construed in accordance with, the internal substantive Laws of the State of Delaware applicable to contracts entered into and to be performed solely within such state, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction.

Section 11.07 Captions; Counterparts. The captions in this Agreement are for convenience only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Section 11.08 Schedules and Exhibits. The Schedules and Exhibits referenced herein are a part of this Agreement as if fully set forth herein. All references herein to Schedules and Exhibits shall be deemed references to such parts of this Agreement, unless the context shall otherwise require. Any disclosure made by a Party in the Schedules with reference to any section or schedule of this Agreement shall be deemed to be a disclosure with respect to all other sections or schedules to which such disclosure may apply solely to the extent the relevance of such disclosure is reasonably apparent on the face of the disclosure in such Schedule. Certain information set forth in the Schedules is included solely for informational purposes. The disclosure of any information shall not be deemed to constitute an acknowledgement that such information is required to be disclosed in connection with the representations and warranties made in this Agreement, nor shall such information be deemed to establish a standard of materiality.

Section 11.09 Entire Agreement. This Agreement (together with the Schedules and Exhibits to this Agreement), the Transaction Agreements (together with the Schedules and Exhibits thereto), the Non-Disclosure Agreement, by and between the Company and Acquiror, dated as of April 29, 2022 (as amended, modified or supplemented from time to time, the "Company Confidentiality Agreement"), constitute the entire agreement among the Parties relating to the Transactions and supersede any other agreements, whether written or oral, that may have been made or entered into by or among any of the Parties or any of their respective Subsidiaries relating to the Transactions. No representations, warranties, covenants, understandings, agreements, oral or otherwise, relating to the Transactions exist between the Parties except as expressly set forth or referenced in this Agreement and the Company Confidentiality Agreement.

Section 11.10 Amendments. This Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed by each of the Parties in the same manner as this Agreement and which makes reference to this Agreement. The approval of this Agreement by the stockholders of any of the Parties shall not restrict the ability of the board of directors or managers (or other body performing similar functions) of any of the Parties to terminate this Agreement in accordance with Section 10.01 or to cause such Party to enter into an amendment to this Agreement pursuant to this Section 11.10.

Section 11.11 Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement shall remain in full force and effect. The Parties further agree that if any provision contained herein is, to any extent, held invalid or unenforceable in any respect under the Laws governing this Agreement, they shall take any actions necessary to render the remaining provisions of this Agreement valid and enforceable to the fullest extent permitted by Law and, to the extent necessary, shall amend or otherwise modify this Agreement to replace any provision contained herein that is held invalid or unenforceable with a valid and enforceable provision giving effect to the intent of the Parties.

Section 11.12 Jurisdiction; WAIVER OF TRIAL BY JURY. Any Action based upon, arising out of or related to this Agreement or the Transactions may be brought in federal and state courts located in the State of Delaware, and each of the Parties irrevocably submits to the exclusive jurisdiction of each such court in any such Action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the Action shall be heard and determined only in any such court, and agrees not to bring any Action arising out of or relating to this Agreement or the Transactions in any other court. Nothing herein contained shall be deemed to affect the right of any Party to serve process in any manner permitted by Law or to commence legal proceedings or otherwise proceed against any other Party in any other jurisdiction, in each case, to enforce judgments obtained in any Action brought pursuant to this Section 11.12. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION BASED UPON, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS.

Section 11.13 Enforcement. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur if the Parties do not perform their obligations under the provisions of this Agreement (including failing to take such actions as are required of them hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that (a) Acquiror and the Company shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof and thereof, without proof of damages, prior to the valid termination of this Agreement in accordance with Section 10.01, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific enforcement is an integral part of the Transactions and without that right, none of the Parties would have entered into this Agreement. Each Party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other Parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The Parties acknowledge and agree that neither of Acquiror nor the Company, in seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 11.13, shall be required to provide any bond or other security in connection with any such injunction.

Section 11.14 Non-Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the Transactions may only be brought against, the entities that are expressly named as Parties and then only with respect to the specific obligations set forth herein with respect to such Party. Except to the extent a Party (and then only to the extent of the specific obligations undertaken by such Party in this Agreement), (a) no past, present or future director, officer, employee, sponsor, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any Party and (b) no past, present or future director, officer, employee, sponsor, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of Acquiror or the Company under this Agreement of or for any claim based on, arising out of, or related to this Agreement or the Transactions. Nothing in this Section 11.14 shall limit any claim against a Person in respect of such Person's Fraud.

Section 11.15 Nonsurvival of Representations, Warranties and Covenants. None of the representations, warranties, covenants, obligations or other agreements in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants, obligations, agreements and other provisions, shall survive the Closing and shall terminate and expire upon the occurrence of the Closing (and there shall be no liability after the Closing in respect thereof), except for (a) those covenants and agreements contained herein that by their terms apply in whole or in part at or after the Closing and then only with respect to any breaches occurring at or after the Closing and (b) this Article XI. Nothing in this Section 11.15 shall relieve any Party of liability in the case of Fraud committed by such Party.

Section 11.16 Acknowledgements. Each of the Parties acknowledges and agrees (on its own behalf and on behalf of its respective Affiliates and its and their respective Representatives) that (a) it has conducted its own independent investigation of the financial condition, results of operations, assets, liabilities, properties and projected operations of the other Parties (and their respective Subsidiaries) and has been afforded satisfactory access to the books and records, facilities and personnel of the other Parties (and their respective Subsidiaries) for purposes of conducting such investigation; (b) the representations and warranties in Article IV constitute the sole and exclusive representations and warranties of the Company in connection with the Transactions; (c) the representations and warranties in Article V constitute the sole and exclusive representations and warranties of Acquiror; (d) except for the representations and warranties in Article IV by the Company and the representations and warranties in Article V by Acquiror, none of the Parties or any other Person makes, or has made, any other express or implied representation or warranty with respect to any Party (or any Party's Subsidiaries), including any implied warranty or representation as to condition, merchantability, suitability or fitness for a particular purpose or trade as to any of the assets of the such Party or its Subsidiaries or the Transactions and all other representations and warranties of any kind or nature expressed or implied (including (i) regarding the completeness or accuracy of, or any omission to state or to disclose, any information, including in the estimates, projections or forecasts or any other information, document or material provided to or made available to any Party or their respective Affiliates or Representatives in certain "data rooms," management presentations or in any other form in expectation of the Transactions, including meetings, calls or correspondence with management of any Party (or any Party's Subsidiaries), and (ii) any relating to the future or historical business, condition (financial or otherwise), results of operations, prospects, assets or liabilities of any Party (or its Subsidiaries), or the quality, quantity or condition of any Party's or its Subsidiaries' assets) are specifically disclaimed by all Parties and their respective Subsidiaries and all other Persons (including the Representatives and Affiliates of any Party or its Subsidiaries); and (e) each Party and its respective Affiliates are not relying on any representations and warranties in connection with the Transactions except the representations and warranties in Article IV by the Company and the representations and warranties in Article V by Acquiror. The foregoing does not limit any rights of any Party pursuant to any other Transaction Agreement against any other Party pursuant to such Transaction Agreement to which it is a party or an express third-party beneficiary thereof. Nothing in this Section 11.16 shall relieve any Party of liability in the case of Fraud or willful misconduct committed by such Party.

(b) *Future Stock Incentive Plans*. Nothing in this Agreement shall be construed or applied to preclude or restrain the Corporation from adopting, modifying or terminating stock incentive plans for the benefit of employees, directors or other business associates of the Corporation, the Company or any of their respective Affiliates. The Members acknowledge and agree that, in the event that any such plan is adopted, modified or terminated by the Corporation, amendments to this Section 3.10 may become necessary or advisable and that any approval or consent to any such amendments requested by the Corporation shall be deemed granted by the Board of Managers and the Members, as applicable, without the requirement of any further consent or acknowledgement of any other Member.

(c) *Anti-dilution Adjustments*. For all purposes of this Section 3.10, the number of shares of Class A Common Stock and the corresponding number of Common Units shall be determined after giving effect to all anti-dilution or similar adjustments that are applicable, as of the date of exercise or vesting, to the option, warrant, restricted stock or other equity interest that is being exercised or becomes vested under the applicable Equity Plan and applicable award or grant documentation.

Section 3.11 Dividend Reinvestment Plan, Cash Option Purchase Plan, Stock Incentive Plan or Other Plan. Except as may otherwise be provided in this Article III, all amounts received or deemed received by the Corporation in respect of any dividend reinvestment plan, cash option purchase plan, stock incentive or other stock or subscription plan or agreement, either (a) shall be utilized by the Corporation to effect open market purchases of shares of Class A Common Stock, or (b) if the Corporation elects instead to issue new shares of Class A Common Stock with respect to such amounts, shall be contributed by the Corporation to the Company in exchange for additional Common Units. Upon such contribution, the Company will issue to the Corporation a number of Common Units equal to the number of new shares of Class A Common Stock so issued.

Section 3.12 Rights of Series A Preferred Units.

(a) The Corporation shall be entitled to receive liquidating distributions in respect of the Series A Preferred Units in the manner set forth in Section 14.02(c). The Corporation shall be entitled to receive distributions other than liquidating distributions in respect of the Series A Preferred Units in the manner set forth in Section 4.01(a)(i) and Section 4.01(b)(i)(A).

(b) The holders of the Series A Preferred Units shall be entitled to vote on all matters requiring the approval or vote of the holders of Units. Notwithstanding any other provision of this Agreement, in addition to all other requirements imposed by the Act, and all other voting rights granted under this Agreement, the affirmative vote of the holder of a majority of the outstanding Series A Preferred Units, voting separately as a class based upon one vote per Series A Preferred Unit, shall be necessary on any matter that (i) adversely affects any of the rights, preferences and privileges of the Series A Preferred Units or (ii) amends, waives or modifies any of the rights or terms of the Series A Preferred Units.

(c) Each time that a share of Series A Preferred Stock is converted into shares of Class A Common Stock, an equal number of Series A Preferred Units shall automatically convert (without any further action of the Company or the Corporation) into Common Units at the same conversion ratio as applied to the conversion of the Series A Preferred Stock into Class A Common Stock (the “**Series A Preferred Conversion**”).

(d) Immediately prior to the time that a share of Series A Preferred Stock is to be repurchased or redeemed by the Corporation, the Company shall repurchase or redeem an equal number of Series A Preferred Units in exchange for the same consideration that is to be paid by the Corporation in the repurchase or redemption of the Series A Preferred Stock. For example, if 100,000 shares of Series A Preferred Stock are to be repurchased by the Corporation in exchange for \$3,000,000 in cash and 400,000 shares of Class A Common Stock, then 100,000 Series A Preferred Units shall be repurchased by the Company from the Corporation in exchange for \$3,000,000 in cash and 400,000 Common Units.

(e) Notwithstanding Section 3.12(c) and Section 3.12(d), no repurchase, redemption or conversion shall be effected to the extent such repurchase, redemption or conversion would render the Company insolvent or violate the Delaware Act or applicable Law. For purposes of the foregoing sentence, “insolvency” means the inability of the Company to meet its payment obligations when due. Notwithstanding Section 3.12(d), no repurchase or redemption of the Series A Preferred Units shall be required or effected if such redemption would cause the Series A Preferred Units to be treated as “disqualified stock,” “disqualified capital stock” or any equivalent term under any credit agreement, loan agreement, indenture or other credit facility to which the Company is a party at the time of the repurchase or redemption.

(f) It is intended that the conversion right applicable to the Series A Preferred Units will be treated as a noncompensatory option within the meaning of Treasury Regulations Section 1.721-2(f). Consistent with such intention, the Company shall comply with the allocation provisions set forth in Treasury Regulations Section 1.704-1(b)(2)(iv)(s) and 1.704-1(b)(4)(x) (including making any required “corrective” allocations in accordance with those Treasury Regulations) and other applicable provisions in this Agreement.

ARTICLE IV
DISTRIBUTIONS

Section 4.01 Distributions.

(a) *Distributable Cash; Other Distributions.*

(i) After making provision for Distributions under Section 4.01(b) and subject to Section 4.01(c), Distributions shall, with respect to each outstanding Series A Preferred Unit, accrue on the Series A Preferred Accrued Value at the Series A Preferred Annual Rate on each Series A Preferred Unit and shall be cumulative and accrue daily from and after the Effective Date, but shall compound on a semi-annual basis on each Semi-Annual Distribution Date (the “**Series A Preferred Accrued Distributions**”). Such Series A Preferred Accrued Distributions may be paid in cash (“**Series A Preferred Cash Distribution**”) or by increasing the Series A Preferred Accrued Value by the Series A Preferred Annual Rate (decreased proportionately to the extent of any cash paid in respect of such Series A Preferred Accrued Distributions for such Series A Preferred Distribution Period (e.g., if 25% of the Series A Preferred Accrued Distributions for such Series A Preferred Distribution Period is paid in cash, the rate would be reduced by 1.0% to 3.0%)) in lieu of paying such Series A Preferred Accrued Distributions in cash (in part or in full), such increase to be effective at 9:00 a.m. (New York time) on the day following the last day of such Series A Preferred Distribution Period, and shall be payable only to the extent that an equal amount of cash dividends are declared by the Corporation with respect to the Series A Preferred Stock, and when so declared, shall be payable immediately prior to the time that such cash dividends are paid by the Corporation with respect to the Series A Preferred Stock. Once a Series A Preferred Cash Distribution has been made under this Section 4.01(a)(i) in respect of a Series A Preferred Accrued Distributions, the amount of Series A Preferred Accrued Distributions shall be reduced by the amount of such Series A Preferred Cash Distribution.

(ii) After making or providing for any Distributions under Section 4.01(a)(i) and Section 4.01(b), and subject to Section 4.01(c), Distributions to Members may be declared by the Board of Managers out of Distributable Cash or other funds or property legally available therefor in such amounts, at such time and on such terms (including the payment dates of such Distributions) as the Board of Managers in its sole discretion shall determine using such record date as the Board of Managers may designate. All Distributions made under this Section 4.01(a)(ii) shall be made to the Members as of the close of business on such record date in accordance with each Member’s Percentage Interest (other than, for the avoidance of doubt, any Distributions made pursuant to Section 4.01(a)(iv)) as of the close of business on such record date; provided, however, that the Manager shall have the obligation to make distributions as set forth in Section 4.01(b) and Section 14.02.

(iii) Notwithstanding anything to the contrary in this Section 4.01(a), (A) the Company shall not make a distribution (other than Tax Distributions under Section 4.01(b)) to any Member in respect of any Common Units which remain subject to vesting conditions in accordance with any applicable equity plan or individual award agreement and (B) with respect to any amounts that would otherwise have been distributed to a Member but for the preceding clause (A), such amount shall be held in trust by the Company for the benefit of such Member unless and until such time as such Common Units have vested in accordance with the applicable equity plan or individual award agreement, and within five Business Days of such time, the Company shall distribute such amounts to such Member.

(iv) Notwithstanding the provisions of Section 4.01(a)(ii), the Board of Managers, in its sole discretion, may authorize that cash be paid to the Corporation (which payment shall be made without pro rata distributions to the other Common Units) in exchange for the redemption, repurchase or other acquisition of Equity Securities in the Company which are held by the Corporation to the extent that such cash payment is used to redeem, repurchase or otherwise acquire an equal number of corresponding Equity Securities of the Corporation in accordance with Section 3.05.

(v) The Corporation shall not be entitled to receive, with respect to any Series A Preferred Units that are converted pursuant to a Series A Preferred Conversion, any payment of distributions declared pursuant to Section 4.01(a)(i) if such distribution follows the date on which such Series A Preferred Conversion occurs.

(vi) Notwithstanding any other provision herein to the contrary, no Distributions shall be made to any Member to the extent such Distribution would render the Company insolvent or violate the Delaware Act or any applicable Law. For purposes of the foregoing sentence, “insolvency” means the inability of the Company to meet its payment obligations when due.

(b) *Tax Distributions.*

(i) With respect to each Taxable Year, the Company shall, to the extent the Company has available cash for distribution by the Company under applicable Law and subject to any applicable agreement to which the Company or any of its Subsidiaries is a party governing the terms of third party indebtedness for borrowed money, and subject to the retention and establishment of reserves, or payment to third parties, of such funds as the Board of Managers deems necessary or desirable in its sole discretion with respect to the reasonable needs and obligations of the Company or any of its Subsidiaries and to prevent their insolvency (such limitations, the “**Liquidity Limitations**”), make cash distributions (“**Tax Distributions**”) as follows:

(A) to the Corporation at such times and in such amounts as the Board of Managers reasonably determines is necessary to enable the Corporation to timely satisfy all of its U.S. federal, state and local and non-U.S. tax liabilities with respect to any items of gross income and gain allocated to it, and any guaranteed payments for capital (within the meaning of Section 707(a) of the Code), in each case with respect to the Series A Preferred Units (the “**Preferred Unit Related Taxes**”); provided, that in no circumstances shall the amounts distributed pursuant to this Section 4.01(b)(i)(A) exceed the Corporation’s actual U.S. federal, state and local and non-U.S. cash tax liabilities with respect to such Taxable Year; provided, further, that the amounts distributable pursuant to this Section 4.01(b)(i)(A) shall be reduced, in the sole discretion of the Board of Managers, to the extent the amount distributable to the Corporation pursuant to Section 4.01(b)(i)(B) exceeds the Corporation’s actual tax obligations (excluding Preferred Unit Related Taxes) for the relevant Taxable Year or quarter, as applicable; and

(B) to each Member in an amount equal to (1) such Member’s Assumed Tax Liability; *provided, however*, that to the extent a Member would otherwise be entitled to receive less than its Percentage Interest of the aggregate Tax Distributions to be paid pursuant to this Section 4.01(b)(i)(B) on any given date, then the Tax Distributions to such Member shall be increased, as necessary, to ensure that all such Tax Distributions made pursuant to this Section 4.01(b)(i)(B) are made pro rata in accordance with the Members’ respective Percentage Interest or (2) if the amount the Corporation would receive under clause (1) is, in the sole discretion of the Board of Managers, reasonably expected to be less than the amount that will enable the Corporation to meet its tax obligations (other than Preferred Unit Related Taxes), then (I) the Corporation shall receive an amount that will enable the Corporation to meet its tax obligations (other than Preferred Unit Related Taxes) for the relevant Taxable Year or quarter, as applicable, and (II) the Members (other than the Corporation) shall receive an amount necessary to ensure that the Tax Distributions made pursuant to this Section 4.01(b)(i)(B), when taking into account the amount to be distributed to the Corporation under clause (2)(I), are made pro rata in accordance with the Members’ respective Percentage Interests.

(ii) Tax Distributions pursuant to Section 4.01(b)(i) shall be estimated by the Company on a quarterly basis and, to the extent feasible, shall be distributed to the Members (together with a statement showing the calculation of such Tax Distribution and an estimate of the Company’s net taxable income allocable to each Member for such period) on a quarterly basis on April 15th, June 15th, September 15th and December 15th (or such other dates for which corporations or individuals are required to make quarterly estimated tax payments for U.S. federal income tax purposes, whichever is earlier) (each, a “**Quarterly Tax Distribution**”); *provided*, that the foregoing shall not restrict the Company from making a Tax Distribution on any other date as the Company determines is necessary to enable the Members to timely make estimated income tax payments. Quarterly Tax Distributions shall take into account the estimated taxable income or loss of the Company for the Taxable Year through the end of the relevant quarterly period. A final accounting for Tax Distributions shall be made for each Taxable Year after the allocation of the Company’s actual net taxable income or loss has been determined and any shortfall in the amount of Tax Distributions a Member received for such Taxable Year based on such final accounting shall promptly be distributed to such Member (subject to the Liquidity Limitations). For the avoidance of doubt, any excess Tax Distributions a Member receives with respect to any Taxable Year shall reduce future Tax Distributions otherwise required to be made to such Member with respect to any subsequent Taxable Year, but shall not reduce Tax Distributions made to a Member to provide such Member with its Percentage Interest of Tax Distributions made pursuant to Section 4.01(b)(i)(B). Notwithstanding anything to the contrary in this Agreement, the Board of Managers shall make, in its reasonable discretion, equitable adjustments (downward (but not below zero) or upward) to the Members’ Tax Distributions (but in any event accordance with the Members’ respective Percentage Interests) to take into account increases or decreases in the Percentage Interest of each Member during the relevant period.

(iii) In the event of any audit by, or similar event with, a Governmental Entity that affects the calculation of any Member's Assumed Tax Liability for any Taxable Year (other than an audit conducted pursuant to the Revised Partnership Audit Provisions (or any similar provision of state, local or other Law) for which no election is made pursuant to Section 6226 of the Code and the Treasury Regulations promulgated thereunder (or any similar provision of state, local or other Law)), or in the event the Company files an amended tax return or administrative adjustment request, each Member's Assumed Tax Liability and Preferred Unit Related Taxes with respect to such year shall be recalculated by giving effect to such event (for the avoidance of doubt, taking into account interest, penalties or additions to tax). Any shortfall in the amount of Tax Distributions the Members and former Members received for the relevant Taxable Years based on such recalculated Assumed Tax Liability promptly shall be distributed to such Members and the successors of such former Members, except, for the avoidance of doubt, to the extent Distributions were made to such Members and former Members pursuant to Section 4.01(a)(ii), Section 4.01(a)(iii) and this Section 4.01(b) in the relevant Taxable Years sufficient to cover such shortfall.

(iv) In the event that an adjustment pursuant to Section 481(a) of the Code relating to any income, gain, loss, deduction or credit with respect to a taxable period ending on or prior to the Effective Date (any such adjustment, the "481 Income Adjustment") results in a requirement under Section 4.01(b) for the Company to make material Tax Distributions, then the Manager and the Members shall cooperate in good faith and use commercially reasonable efforts to minimize the amount of such Tax Distributions required, taking into account the amount of cash needed by the Members to meet their tax obligations with respect to their interests in the Company, items of deductions, losses and credits available in the relevant Taxable Year that may be used to offset such 481 Income Adjustment, and the cash requirements of the Company.

(c) *Limitations.* For purposes of determining the amount of Distributions to be made under this Section 4.01 (including Tax Distributions), each Member shall be treated as having made the Capital Contributions made by, been allocated the net taxable income or loss of the Company (in accordance with the definition of Assumed Tax Liability) allocated to, and received the Distributions made to or received by, its predecessors in respect of any of such Member's Units.

ARTICLE V
CAPITAL ACCOUNTS; ALLOCATIONS; TAX MATTERS

Section 5.01 Capital Accounts.

(a) The Company shall maintain a separate Capital Account for each Member according to the rules of Treasury Regulations Section 1.704-1(b)(2)(iv) and Section 704(b) of the Code. For this purpose, the Company may (in the discretion of the Board of Managers), upon the occurrence of the events specified in Treasury Regulations Section 1.704-1(b)(2)(iv), increase or decrease the Capital Accounts in accordance with the rules of such Treasury Regulations to reflect a revaluation of the Company's property. If any noncompensatory options are outstanding upon the occurrence of a revaluation event described in this Section 5.01(a) (including the convertible feature of the Series A Preferred Units) (other than, if applicable, the noncompensatory options being exercised that give rise to the occurrence of such event), the Company shall adjust the Book Values of its properties in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f)(1) and 1.704-1(b)(2)(iv)(h)(2).

(b) For purposes of computing the amount of any item of income, gain, loss or deduction with respect to the Company to be allocated pursuant to Article V and to be reflected in the Capital Accounts of the Members, the determination, recognition and classification of any such item shall be the same as its determination, recognition and classification for U.S. federal income tax purposes (including any method of depreciation, cost recovery or amortization used for this purpose); *provided however* that:

(i) The computation of all items of income, gain, loss and deduction shall include those items described in Section 705(a)(1)(B) of the Code or Section 705(a)(2)(B) of the Code and Treasury Regulations Section 1.704-1(b)(2)(iv)(i), without regard to the fact that such items are not includible in gross income or are not deductible for U.S. federal income tax purposes.

(ii) If the Book Value of any property of the Company is adjusted pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(e), (f) or (s), the amount of such adjustment shall be taken into account as gain or loss from the disposition of such property.

(iii) Items of income, gain, loss or deduction attributable to the disposition of property of the Company having a Book Value that differs from its adjusted basis for tax purposes shall be computed by reference to the Book Value of such property.

(iv) Items of depreciation, amortization and other cost recovery deductions with respect to property of the Company having a Book Value that differs from its adjusted basis for tax purposes shall be computed by reference to the property's Book Value in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(g).

(v) To the extent an adjustment to the adjusted tax basis of any asset of the Company pursuant to Sections 732(d), 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis).

Section 5.02 Allocations. Except as otherwise provided in this Agreement, and after giving effect to Section 5.03 and Section 5.04, Net Profits and Net Losses for any Taxable Year or Fiscal Period shall be allocated to the Members in such manner that the Capital Account balance of each Member shall, to the greatest extent possible immediately after making such allocations, be equal (proportionately) to (x) the amount that would be distributed to such Member (after satisfaction of any financial obligations of each Member to the Company under any provisions of this Agreement), if (a) the Company were to sell all or substantially all assets of the Company for their Book Values, (b) all Company liabilities were satisfied (limited with respect to each nonrecourse liability to the Book Values of the assets securing such liability), (c) the Company were to distribute the remaining proceeds of sale pursuant to Section 14.02(c) immediately after making such allocations and (d) the Company were to dissolve pursuant to Article XIV, minus (y) such Member's share of Minimum Gain and Member Minimum Gain, computed immediately prior to the hypothetical sale of assets; *provided* that, solely for these purposes, (i) any Common Units which are subject to vesting conditions in accordance with any applicable equity plan or individual award agreement are treated as fully vested, and (ii) the Series A Preferred Applicable Percentage shall be 100% unless and until there is actually an event that results in a different Series A Preferred Applicable Percentage.

Section 5.03 Regulatory Allocations.

(a) Losses attributable to partner nonrecourse debt (as defined in Treasury Regulations Section 1.704-2(b)(4)) shall be allocated in the manner required by Treasury Regulations Section 1.704-2(i). If there is a net decrease during a Taxable Year in partner nonrecourse debt minimum gain (as defined in Treasury Regulations Section 1.704-2(i)(3)), Profits for such Taxable Year (and, if necessary, for subsequent Taxable Years) shall be allocated to the Members in the amounts and of such character as determined according to Treasury Regulations Section 1.704-2(i)(4).

(b) Nonrecourse deductions (as determined according to Treasury Regulations Section 1.704- 2(b)(l)) for any Taxable Year shall be allocated pro rata among the Members in accordance with their Percentage Interests. Except as otherwise provided in Section 5.03(a), if there is a net decrease in the Minimum Gain during any Taxable Year, each Member shall be allocated Profits for such Taxable Year (and, if necessary, for subsequent Taxable Years) in the amounts and of such character as determined according to Treasury Regulations Section 1.704-2(f). This Section 5.03(b) is intended to be a minimum gain chargeback provision that complies with the requirements of Treasury Regulations Section 1.704- 2(f), and shall be interpreted in a manner consistent therewith.

(c) If any Member that unexpectedly receives an adjustment, allocation or Distribution described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) (4), (5) and (6) has an Adjusted Capital Account Deficit as of the end of any Taxable Year, computed after the application of Section 5.03(a) and Section 5.03(b) but before the application of any other provision of this Article V, then Profits for such Taxable Year shall be allocated to such Member in proportion to, and to the extent of, such Adjusted Capital Account Deficit. This Section 5.03(c) is intended to be a qualified income offset provision as described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted in a manner consistent therewith.

(d) If the allocation of Net Losses to a Member as provided in Section 5.02 would create or increase an Adjusted Capital Account Deficit, there shall be allocated to such Member only that amount of Losses as will not create or increase an Adjusted Capital Account Deficit. The Net Losses that would, absent the application of the preceding sentence, otherwise be allocated to such Member shall be allocated to the other Members in accordance with their relative Percentage Interests, subject to this Section 5.03(d).

(e) Profits and Losses described in Section 5.01(b)(v) shall be allocated in a manner consistent with the manner that the adjustments to the Capital Accounts are required to be made pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(j), (k) and (m).

(f) The allocations set forth in Section 5.03(a) through and including Section 5.03(e) (the “**Regulatory Allocations**”) are intended to comply with certain requirements of Sections 1.704-1(b) and 1.704-2 of the Treasury Regulations. The Regulatory Allocations may not be consistent with the manner in which the Members intend to allocate Profit and Loss of the Company or make Distributions. Accordingly, notwithstanding the other provisions of this Article V, but subject to the Regulatory Allocations, income, gain, deduction and loss with respect to the Company shall be reallocated among the Members so as to eliminate the effect of the Regulatory Allocations and thereby cause the respective Capital Accounts of the Members to be in the amounts (or as close thereto as possible) they would have been if Profit and Loss (and such other items of income, gain, deduction and loss) had been allocated without reference to the Regulatory Allocations. In general, the Members anticipate that this will be accomplished by specially allocating other Profit and Loss (and such other items of income, gain, deduction and loss) among the Members so that the net amount of the Regulatory Allocations and such special allocations to each such Member is zero.

Section 5.04 Final Allocations.

(a) Notwithstanding any contrary provision in this Agreement except Section 5.03, if (i) the date on which a Liquidating Event occurs there is at least one outstanding Series A Preferred Unit and (ii) after having made all allocations provided for in Section 5.03 for the Taxable Year or portion thereof in which the Liquidating Event occurs, the Series A Per Unit Capital Amount of each Series A Preferred Unit would not equal or exceed the Series A Liquidation Value, then items of income, gain, loss and deduction for such Taxable Year or portion thereof shall instead be allocated among the Members in a manner determined appropriate by the Board of Managers so as to cause, to the maximum extent possible, the Series A Per Unit Capital Amount in respect of each Series A Preferred Unit to equal the Series A Liquidation Value (and no other allocation pursuant to this Agreement shall reverse the effect of such allocation). In the event that (x) the date on which a Liquidating Event occurs is on or before the date (not including any extension of time) prescribed by law for the filing of the Company’s federal income tax return for the Taxable Year immediately prior to the Taxable Year in which the Liquidating Event occurs and (y) the reallocation of items for the Taxable Year in which the Liquidating Event occurs as set forth above in this Section 5.04(a) fails to achieve the Series A Per Unit Capital Amounts described above, then items of income, gain, loss and deduction for such Taxable Year shall be allocated among all Members in a manner that will, to the maximum extent possible and after taking into account all other allocations made pursuant to this Section 5.04(a), cause the Series A Per Unit Capital Amount in respect of each Series A Preferred Unit to equal the Series A Liquidation Value.

(b) If any holder of Common Units which are subject to vesting conditions forfeits (or the Company has repurchased at less than fair market value) all or a portion of such holder's unvested Common Units, the Company shall make forfeiture allocations in respect of such unvested Common Units in the manner and to the extent required by proposed Treasury Regulations Section 1.704-1(b)(4)(xii) (as such proposed Treasury Regulations may be amended or modified, including upon the issuance of temporary or final Treasury Regulations).

Section 5.05 Tax Allocations.

(a) The income, gains, losses, deductions and credits of the Company will be allocated, for federal, state and local income tax purposes, among the Members in accordance with the allocation of such income, gains, losses, deductions and credits among the Members for computing their Capital Accounts; *provided* that, if any such allocation is not permitted by the Code or other applicable Law, the Company's subsequent income, gains, losses, deductions and credits will be allocated among the Members so as to reflect as nearly as possible the allocation set forth herein in computing their Capital Accounts.

(b) Items of taxable income, gain, loss and deduction of the Company with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Section 704(c) of the Code so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value using any permissible method or methods selected in the discretion of the Board of Managers.

(c) If the Book Value of any asset of the Company is adjusted pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(e), (f) or (s), including adjustments to the Book Value of any asset of the Company in connection with the execution of this Agreement, subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value using any permissible method or methods selected in the discretion of the Board of Managers.

(d) Allocations of tax credits, tax credit recapture, and any items related thereto shall be allocated to the Members as determined by the Board of Managers taking into account the principles of Treasury Regulations Section 1.704-1(b)(4)(ii).

(e) For purposes of determining a Member's share of the Company's "excess nonrecourse liabilities" within the meaning of Treasury Regulations Section 1.752-3(a)(3), each Member's interest in income and gain shall be determined pursuant to any proper method, as reasonably determined by the Board of Managers; *provided* that, each year the Board of Managers shall use its reasonable best efforts (using in all instances any proper method, including the "additional method" described in Treasury Regulations Section 1.752-3(a)(3)) to allocate a sufficient amount of the excess nonrecourse liabilities to those Members who would have at the end of the applicable Taxable Year, but for such allocation, taxable income due to the deemed distribution of money to such Member pursuant to Section 752(b) of the Code that is in excess of such Member's adjusted tax basis in its Units.

(f) If, pursuant to Section 5.03(e), the Board of Managers causes a Capital Account reallocation in accordance with principles similar to those set forth in Treasury Regulations Section 1.704-1(b)(2)(iv)(s)(3), the Board of Managers shall make corrective allocations in accordance with principles similar to those set forth in Treasury Regulations Section 1.704-1(b)(4)(x).

(g) Allocations pursuant to this Section 5.05 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses, Distributions or other items of the Company pursuant to any provision of this Agreement.

Section 5.06 Adjustment for Noncompensatory Options. So long as the Series A Preferred Units (and any other Units or other securities issued by the Company that are treated as noncompensatory options, as defined in Treasury Regulations Section 1.721-2) are outstanding, the Board of Managers shall make such adjustments to the Book Value of the Company's assets, allocation of Profits and Losses, Capital Accounts and allocations of items for income tax purposes as it may determine may be necessary to comply with the provisions of Treasury Regulations Section 1.721-2 and Treasury Regulations Section 1.704-1(b)(2)(iv)(s) or any successor provisions relating thereto and to properly reflect the economic sharing arrangement associated with the noncompensatory options.

Section 5.07 Compliance with Tax Laws. The allocation rules set forth in Section 5.01 through Section 5.06 are intended to comply with the Code and Treasury Regulations and to ensure that all allocations under this Article V are respected for U.S. federal income tax purposes and reflect the economic sharing arrangement among the Members. If for any reason the Board of Managers (or its designee) determines that any provisions in Section 5.01 through Section 5.06 do not comply with the Code or Treasury Regulations or that the allocations under this Article V may not be respected for U.S. federal income tax purposes or reflect the economic sharing arrangement among the Members, the Board of Managers may take all reasonable actions, including amending this Article V or adjusting a Member's Capital Account or how Capital Accounts are maintained, to ensure compliance with the Code and Treasury Regulations and that the allocations provided for in this Article V shall be respected for U.S. federal income tax purposes; *provided however* that, no such change shall have a material adverse effect upon the amount of cash or other property distributable to any Member.

Section 5.08 Indemnification and Reimbursement for Payments on Behalf of a Member. If the Company or any other Person in which the Company holds an interest is obligated to pay any amount to a Governmental Entity (or otherwise makes a payment to a Governmental Entity, including any amounts withheld from amounts directly or indirectly payable to the Company or to any other Person in which the Company holds an interest) that is specifically attributable to a Member or a Member's status as such (including federal income taxes, additions to tax, interest and penalties as a result of obligations of the Company pursuant to the Revised Partnership Audit Provisions (or any similar provision of state, local and other Law), federal withholding taxes, state personal property taxes and state unincorporated business taxes, but excluding payments such as payroll taxes, withholding taxes, benefits or professional association fees and the like required to be made or made voluntarily by the Company on behalf of any Member based upon such Member's status as an employee of the Company) (a "**Withholding Payment**"), then such Member shall indemnify the Company in full for the entire amount paid (including interest, penalties and related expenses). If the Company incurs an Imputed Underpayment Amount, the Board of Managers shall determine in its reasonable discretion the portion of such Imputed Underpayment Amount attributable to each Member or former Member and such attributable amount shall be treated as a Withholding Payment with respect to such Member or former Member. The Board of Managers may offset Distributions to which a Member is otherwise entitled under this Agreement against such Member's obligation to indemnify the Company under this Section 5.08. In addition, notwithstanding anything to the contrary, each Member agrees that any Cash Settlement such Member is entitled to receive pursuant to Article XI may be offset by an amount equal to such Member's obligation to indemnify the Company under this Section 5.08 and that such Member shall be treated as receiving the full amount of such Cash Settlement and paying to the Company an amount equal to such obligation. A Member's obligation to make payments to the Company under this Section 5.08 shall survive the transfer or termination of any Member's interest in any Units of the Company, the termination of this Agreement and the dissolution, liquidation, winding up and termination of the Company. In the event that the Company has been terminated prior to the date such payment is due, such Member shall make such payment to the Board of Managers (or its designee), which shall distribute such funds in accordance with this Agreement. The Company may pursue and enforce all rights and remedies it may have against each Member under this Section 5.08, including instituting a lawsuit to collect such contribution with interest calculated at a rate per annum equal to the sum of the Base Rate plus 300 basis points (but not in excess of the highest rate per annum permitted by Law). Each Member hereby agrees to furnish to the Company such information and forms as required or reasonably requested in order to comply with any Laws and regulations governing withholding of tax or in order to claim any reduced rate of, or exemption from, withholding to which the Member is legally entitled. The Company may withhold any amount that it determines is required to be withheld from any amount otherwise payable to any Member hereunder, and any such withheld amount shall be deemed to have been paid to such Member for purposes of this Agreement.

ARTICLE VI
MANAGEMENT

Section 6.01 Board of Managers.

(a) The Company shall be managed by a board of managers (the “**Board of Managers**” or “**Board**”) comprised of five (5) individuals (subject to Section 6.01(d) and Section 6.01(g)) (each a “**Manager**” and together the “**Managers**”). The Managers shall be elected as follows:

(i) the Members holding Common Units representing more than fifty percent (50%) of the total Common Units entitled to vote (the “**Majority Members**”) shall have the right to designate two (2) Managers (the “**Non-PubCo Managers**”); and

(ii) the Corporation shall have the right to designate three (3) Managers (the “**PubCo Managers**”).

(b) From time to time following the date hereof, the Corporation, without the consent of any other Member, shall be entitled to increase or decrease (i) the size of the Board and/or (ii) the number of PubCo Managers and Non-PubCo Managers on such Board; *provided*, that the consent of the holders of a majority of the Series A Preferred Stock shall be required before the Corporation increases or decreases the number of PubCo Managers and/or Non-PubCo Managers in a manner that would result in the PubCo Managers ceasing to represent a majority of the Board. Following any such adjustment, the Members shall be obligated to remove any Managers and to elect (i) the applicable number of the PubCo Managers as designated by the Corporation and/or the holders of a majority of the Series A Preferred Units and (ii) the applicable number of the Non-PubCo Managers as designated by the holders of a majority of the Units then outstanding held by Members other than the Corporation and its wholly- owned Subsidiaries in accordance with such adjusted Board membership requirements.

(c) Each Manager shall serve in such capacity until the first to occur of (A) such Manager’s death, disability, removal or resignation, or (B) the appointment of such Manager’s successor pursuant to the provisions of Section 6.01. Any Manager may resign at any time by giving written notice to the Board. Unless otherwise specified in the notice, the resignation shall take effect upon the giving of such notice to the Board, and the acceptance of the resignation shall not be necessary to make it effective. In the event of any vacancy in the Board of Managers or upon the death, disability, removal or resignation of any Manager, a new or successor Manager shall be appointed by the Corporation or the Majority Members, as the case may be, who had designated the departing Member.

(d) Notwithstanding anything to the contrary contained in Section 6.01, each Manager shall serve at the pleasure of the Member(s) or Person(s) who appointed such Manager and may be removed or replaced at any time only upon written notice from such Member(s) or Person(s) having the right to appoint such Manager position pursuant to Section 6.01.

(e) Meetings of the Board of Managers may be held at any time and at any location specified in the notice thereof in such place within or without the State of Delaware. A majority of the Managers may call a meeting of the Board of Managers. Reasonable and sufficient notice of each meeting shall be given to each Manager, and in any event not less than twenty-four (24) hours prior to any such meeting (unless otherwise waived by each of the Managers).

(f) In any matter presented to the Board of Managers for approval or consent, a majority of Managers shall constitute a quorum. At any meeting of the Board of Managers at which a quorum is present, unless otherwise specified in this Agreement, the affirmative vote or consent of a majority (i.e., greater than 50%) of such quorum shall be the approval or consent of the Board of Managers. No individual Manager may act for the Board of Managers or on behalf of the Company absent a specific and duly adopted delegation of authority from the Board of Managers.

(g) At any time any particular Member has the right to appoint more than one (1) Manager, such Member may, upon notice to the Company and the other Members, vest in a single Manager the rights and powers of all Manager seats that such Member is entitled to appoint (such that, by way of example, at any time the Corporation is entitled to appoint three (3) Managers, the Corporation may vest in a single Manager appointed by the Corporation three (3) Manager votes and the other rights and powers that would be held by the Corporation's three (3) Managers, severally). The provisions of this Agreement shall be equitably interpreted to give effect to the vesting in a single Manager of the status, rights and powers of multiple Manager seats that a Member is entitled to appoint, including for purposes of the determination of whether or not a quorum is present.

(h) The Board of Managers may act from time to time by written consent in lieu of a meeting if all of the Managers execute such written consent.

(i) Any action required to be taken at a meeting of the Board of Managers, or any action that may be taken at a meeting of the Board of Managers, may be taken at a meeting held by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. The Company shall make reasonable accommodation for such participation upon the prior request of any Manager. Participation in such a meeting shall constitute presence in person at such meeting.

(j) No Manager shall be entitled to compensation by the Company for any services as a Manager, provided that the Company may reimburse each Manager for its reasonable, documented out-of-pocket expenses for attending meetings of the Board of Managers and other similar expenses incurred in connection with such Manager's service on the Board of Managers.

(k) In connection with the performance of their duties as members of the Board, the Managers acknowledge that they will owe to the Members the same fiduciary duties as they would owe to the stockholders of a Delaware corporation under the General Corporation Law of the State of Delaware, as amended from time to time (or any corresponding provisions of succeeding law) if they were members of the board of directors of such a corporation and the Members were stockholders of such corporation.

(l) The holders of a majority of the Series A Preferred Units may designate one person to receive (i) notice of, and attend and participate in, all meetings of the Board of Managers; (ii) all information sent to the Managers in their capacity as such; (iii) copies of all proposed written consents in lieu of meetings of the Board of Managers by no later than simultaneously with the delivery thereof to the Board in accordance with Section 6.01(e); and (iv) copies of all fully executed written consents in lieu of meetings of the Board of Managers within ten (10) days after execution.

Section 6.02 Authority of Managers; Officer Delegation.

(a) Except for situations in which the approval of any Member(s) is specifically required by this Agreement, (i) all management powers over the business and affairs of the Company shall be exclusively vested in the Board of Managers, (ii) the Board of Managers shall conduct, direct and exercise full control over all activities of the Company and (iii) no Member shall have any right, authority or power to vote, consent or approve any matter, whether under the Delaware Act, this Agreement or otherwise. Each Manager shall be a "manager" of the Company for the purposes of the Delaware Act. Except as otherwise expressly provided for herein and subject to the other provisions of this Agreement, the Members hereby consent to the exercise by the Board of Managers of all such powers and rights conferred on the Members by the Delaware Act with respect to the management and control of the Company. Any vacancies in the position of any Manager shall be filled in accordance with Section 6.01.

(b) Without limiting the authority of the Board of Managers to act on behalf of the Company, the day-to-day business and operations of the Company may be overseen and implemented by officers of the Company (each, an "**Officer**" and collectively, the "**Officers**"), subject to the limitations imposed by the Board of Managers. An Officer may, but need not, be a Member. Each Officer shall be appointed by the Board of Managers. Any one Person may hold more than one office. Subject to the other provisions of this Agreement, the salaries or other compensation, if any, of the Officers of the Company shall be fixed from time to time by the Board of Managers, subject to any applicable employment agreement. The authority and responsibility of the Officers shall be limited to such duties as the Board of Managers may, from time to time, delegate to them. Unless the Board of Managers decides otherwise, if the title is one commonly used for officers of a business corporation formed under the General Corporation Law of the State of Delaware, the assignment of such title shall constitute the delegation to such person of the authorities and duties that are normally associated with that office. All Officers shall be, and shall be deemed to be, officers and employees of the Company. An Officer may also perform one or more roles as an officer of the Board of Managers. Any Officer may be removed at any time, with or without cause, by the Board of Managers.

(c) Subject to the other provisions of this Agreement, and only with the prior written consent of the Corporation, the Board of Managers shall have the power and authority to effectuate the sale, lease, transfer, exchange or other disposition of any, all or substantially all of the assets of the Company (including the exercise or grant of any conversion, option, privilege or subscription right or any other right available in connection with any assets at any time held by the Company) or the merger, consolidation, conversion, division, reorganization or other combination of the Company with or into another entity, for the avoidance of doubt, without the prior consent of any Member or any other Person being required.

Section 6.03 Actions of the Managers. The Board of Managers may act through any Officer or other Person or Persons to whom authority and duties have been delegated pursuant to Section 6.06.

Section 6.04 Transactions Between the Company and the Managers. The Board of Managers may cause the Company to contract and deal with any of the Managers, or any Affiliate of any Manager; *provided* that, such contracts and dealings (other than contracts and dealings between the Company and its Subsidiaries) are on terms comparable to and competitive with those available to the Company from others dealing at arm's length or are approved by the Members and otherwise are permitted by the Credit Agreements; *provided further* that, the foregoing shall in no way limit the Managers' rights under (c), 3.04, 3.05 or 3.10. The Members hereby approve each of the contracts or agreements between or among the Managers, the Company and their respective Affiliates entered into on or prior to the date of this Agreement in accordance with the Prior LLC Agreement or that the Board of Managers or the Corporate Board has approved in connection with the Recapitalization or the Business Combination as of the date of this Agreement.

Section 6.05 Reimbursement for Expenses. The Managers shall not be compensated for their services as a Manager of the Company except as expressly provided in this Agreement or any other agreement between the Company and any Manager.

Section 6.06 Limitation of Liability of Managers.

(a) Except as otherwise provided herein or in an agreement entered into by such Person and the Company, neither any Manager nor any of the Managers' Affiliates or Managers' officers, employees or other agents shall be liable to the Company, to any Member that is not a Manager or to any other Person bound by this Agreement for any act or omission performed or omitted by any Manager in its capacity as a managing member of the Company pursuant to authority granted to the Managers by this Agreement; *provided however* that, except as otherwise provided herein, such limitation of liability shall not apply to the extent the act or omission was attributable to any Manager's willful misconduct or knowing violation of Law or for any past, present or future material breaches of any representations, warranties or covenants by any Manager or its Affiliates contained herein. The Managers may exercise any of the powers granted to them by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents, and shall not be responsible for any misconduct or negligence on the part of any such agent (so long as such agent was selected in good faith and with reasonable care). Any Manager shall be entitled to rely upon the advice of legal counsel, independent public accountants and other experts, including financial advisors, and any act of or failure to act by any Manager in good faith reliance on such advice shall in no event subject any Manager to liability to the Company or any Member that is not a Manager.

(b) To the fullest extent permitted by applicable Law, whenever this Agreement or any other agreement contemplated herein provides that a Manager shall act in a manner which is, or provide terms which are, “fair and reasonable” to the Company or any Member that is not a Manager, such Manager shall determine such appropriate action or provide such terms considering, in each case, the relative interests of each party to such agreement, transaction or situation and the benefits and burdens relating to such interests, any customary or accepted industry practices, and any applicable United States generally accepted accounting practices or principles, notwithstanding any other provision of this Agreement or in any agreement contemplated herein or applicable provisions of Law or equity or otherwise.

(c) To the fullest extent permitted by applicable Law and notwithstanding any other provision of this Agreement or in any agreement contemplated herein or applicable provisions of Law or equity or otherwise, whenever in this Agreement or any other agreement contemplated herein, the Board of Managers is permitted or required to take any action or to make a decision in its “sole discretion” or “discretion,” with “complete discretion” or under a grant of similar authority or latitude, the Board of Managers shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Company, other Members or any other Person.

(d) To the fullest extent permitted by applicable Law and notwithstanding any other provision of this Agreement or in any agreement contemplated herein or applicable provisions of law or equity or otherwise, whenever in this Agreement a Manager is permitted or required to take any action or to make a decision in its “good faith” or under another express standard, such Manager shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement or any other agreement contemplated herein, notwithstanding any provision of this Agreement or duty otherwise, existing at Law or in equity, and, notwithstanding anything contained herein to the contrary, so long as a Manager acts in good faith or in accordance with such other express standard, the resolution, action or terms so made, taken or provided by such Manager shall not constitute a breach of this Agreement or impose liability upon such Manager or any of such Manager’s Affiliates and shall be deemed approved by all Members.

Section 6.07 Investment Company Act. The Board of Managers shall use their best efforts to ensure that the Company shall not be subject to registration as an investment company pursuant to the Investment Company Act.

Section 6.08 Election of Board. Following the date hereof, the Board shall be elected annually by the Members in accordance with this Section 6.08, and the Managers so elected to the Board shall serve as the Managers until a successor has been duly elected to the Board in accordance with this Section 6.08. Not more than one year after the later of (a) the date hereof and (b) the last meeting of the Members or action by written consent of the Members at which or pursuant to which the Managers were elected in accordance with this Section 6.08, the Board at such time (or the Members if the Board shall fail to take such action) shall either (i) call and hold a meeting of the Members for purposes of electing the Managers or (ii) seek written consents from the requisite Members to elect the Managers. A Person shall be elected as a Manager if the election of such Manager is approved by Members holding a majority of the Units outstanding by vote at a meeting held for such purpose or by action by written consent; provided, however, that if the Person so elected as a Manager was not a Manager immediately prior to such election, such election shall not be effective, and such Person shall not become a Manager, unless and until such Person has executed and delivered to the Company the written agreement of such Person to be bound by the terms of this LLC Agreement applicable to the Managers, in form and substance reasonably satisfactory to the Managers serving immediately prior to such election or to the Members holding a majority of the outstanding Units. Each Member hereby irrevocably agrees, in connection with each such meeting of the Members or written consent contemplated by this Section 6.08, to vote for such Managers as follows: (I) with respect to the PubCo Managers (as determined pursuant to Section 6.01(a)), as designated by the Corporation prior to such meeting or written consent, and (II) with respect to the Non-PubCo Managers (as determined pursuant to Section 6.01(a)), the applicable number of the Non-PubCo Managers as designated by the holders of a majority of the Common Units then outstanding held by Members other than the Corporation and its wholly- owned Subsidiaries.

Section 6.09 Resignation or Removal of Managers; Vacancy. A Manager may resign as a Manager at any time and may be removed at any time, with or without cause, by the Members entitled to designate such Manager pursuant to Section 6.01(a). Any vacancy on the Board may be filled by the Corporation until the next annual meeting or vote of the Members contemplated by Section 3.01(c)(iii).

ARTICLE VII
RIGHTS AND OBLIGATIONS OF MEMBERS AND MANAGERS

Section 7.01 Limitation of Liability and Duties of Members.

(a) Except as provided in this Agreement or in the Delaware Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company and no Member or Manager shall be obligated personally for any such debts, obligations, contracts or liabilities of the Company solely by reason of being a Member or Manager (except to the extent and under the circumstances set forth in any non-waivable provision of the Delaware Act). Notwithstanding anything contained herein to the contrary, to the fullest extent permitted by applicable Law, the failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business and affairs under this Agreement or the Delaware Act shall not be grounds for imposing personal liability on the Members for liabilities of the Company.

(b) In accordance with the Delaware Act and the laws of the State of Delaware, a Member may, under certain circumstances, be required to return amounts previously distributed to such Member. It is the intent of the Members that no Distribution to any Member pursuant to Article IV or Article XIV shall be deemed a return of money or other property paid or distributed in violation of the Delaware Act. The payment of any such money or Distribution of any such property to a Member shall be deemed to be a compromise within the meaning of Section 18-502(b) of the Delaware Act, and, to the fullest extent permitted by Law, any Member receiving any such money or property shall not be required to return any such money or property to the Company or any other Person, unless such distribution was made by the Company to its Members in clerical error. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Member is obligated to make any such payment, such obligation shall be the obligation of such Member and not of any other Member.

(c) To the fullest extent permitted by applicable Law, including Section 18-1101(c) of the Delaware Act, and notwithstanding any other provision of this Agreement (but subject, and without limitation, to Section 6.01(k) and Section 6.06 with respect to a Manager) or in any agreement contemplated herein or applicable provisions of Law or equity or otherwise, the parties hereto hereby agree that to the extent that any Member (other than a Manager in its capacity as such) (or any Member's Affiliate or any manager, managing member, general partner, director, officer, employee, agent, fiduciary or trustee of any Member or of any Affiliate of a Member) has duties in such Member's capacity as such (including fiduciary duties) to the Company, to a Manager, to another Member, to any Person who acquires an interest in a Unit or to any other Person bound by this Agreement, all such duties (including fiduciary duties) are hereby eliminated, to the fullest extent permitted by law, and replaced with the duties or standards expressly set forth herein, if any; provided, however, that the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing. The elimination of duties of a Member in such Member's capacity as such (including fiduciary duties) to the Company, a Manager, each of the other Members, each other Person who acquires an interest in a Unit and each other Person bound by this Agreement and replacement thereof with the duties or standards expressly set forth herein, if any, are approved by the Company, the Board of Managers, each of the Members, each other Person who acquires an interest in a Unit and each other Person bound by this Agreement.

Section 7.02 Lack of Authority. No Member, other than any Member serving as Manager on the Board of Managers or a duly appointed Officer, in each case in its capacity as such, has the authority or power to act for or on behalf of the Company, to do any act that would be binding on the Company or to make any expenditure on behalf of the Company. The Members hereby consent to the exercise by the Board of Managers of the powers conferred on it by Law and this Agreement.

Section 7.03 No Right of Partition. No Member, other than any Member that is a Manager, shall have the right to seek or obtain partition by court decree or operation of Law of any property of the Company, or the right to own or use particular or individual assets of the Company.

Section 7.04 Indemnification.

(a) Subject to Section 5.08, the Company hereby agrees to indemnify and hold harmless any Person (each an “**Indemnified Person**”) to the fullest extent permitted under applicable Law, as the same now exists or may hereafter be amended, substituted or replaced (but, to the fullest extent permitted by Law, in the case of any such amendment, substitution or replacement only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Company is providing immediately prior to such amendment), against all expenses, liabilities and losses (including attorneys’ fees, judgments, fines, excise taxes or penalties) reasonably incurred or suffered by such Person (or one or more of such Person’s Affiliates) by reason of the fact that such Person is or was a Member or an Affiliate thereof (other than as a result of an ownership interest in the Corporation) or is or was serving as a Manager or a director, officer, employee or other agent of the Board of Managers, or a director, manager, Officer, employee, Partnership Representative or other agent of the Company or is or was serving at the request of the Company as a manager, officer, director, principal, member, employee or agent of another corporation, partnership, joint venture, limited liability company, trust or other enterprise; *provided however* that, no Indemnified Person shall be indemnified for any expenses, liabilities and losses suffered that are attributable to such Indemnified Person’s or its Affiliates’ willful misconduct or knowing violation of Law or for any past, present or future breaches of any representations, warranties or covenants by such Indemnified Person or its Affiliates contained herein or in Other Agreements with the Company. Reasonable expenses, including out-of-pocket attorneys’ fees, incurred by any such Indemnified Person in defending a proceeding shall be paid by the Company in advance of the final disposition of such proceeding, including any appeal therefrom, upon receipt of an undertaking by or on behalf of such Indemnified Person to repay such amount if it shall ultimately be determined that such Indemnified Person is not entitled to be indemnified by the Company.

(b) The right to indemnification and the advancement of expenses conferred in this Section 7.04 shall not be exclusive of any other right which any Person may have or hereafter acquire under any statute, agreement, bylaw, action by a Manager or otherwise.

(c) The Company shall maintain directors’ and officers’ liability insurance, or substantially equivalent insurance, at its expense, to protect any Indemnified Person against any expense, liability or loss described in Section 7.04(a) whether or not the Company would have the power to indemnify such Indemnified Person against such expense, liability or loss under the provisions of this Section 7.04. The Company shall use its commercially reasonable efforts to purchase and maintain property, casualty and liability insurance in types and at levels customary for companies of similar size engaged in similar lines of business, as determined in good faith by the Board of Managers, and the Company shall use its commercially reasonable efforts to purchase directors’ and officers’ liability insurance (including employment practices coverage) with a carrier and in an amount determined necessary or desirable as determined in good faith by the Board of Managers.

(d) The indemnification and advancement of expenses provided for in this Section 7.04 shall be provided out of and to the extent of Company assets only. No Member (unless such Member otherwise agrees in writing or is found in a non-appealable decision by a court of competent jurisdiction to have personal liability on account thereof) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity of the Company. The Company (i) shall be the primary indemnitor of first resort for such Indemnified Person pursuant to this Section 7.04 and (ii) shall be fully responsible for the advancement of all expenses and the payment of all damages or liabilities with respect to such Indemnified Person which are addressed by this Section 7.04.

(e) If this Section 7.04 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Indemnified Person pursuant to this Section 7.04 to the fullest extent permitted by any applicable portion of this Section 7.04 that shall not have been invalidated and to the fullest extent permitted by applicable Law.

ARTICLE VIII
BOOKS, RECORDS, ACCOUNTING AND REPORTS, AFFIRMATIVE COVENANTS

Section 8.01 Records and Accounting. The Company shall keep, or cause to be kept, appropriate books and records with respect to the Company's business, including all books and records necessary to provide any information, lists and copies of documents required pursuant to applicable Laws. All matters concerning (a) the determination of the relative amount of allocations and Distributions among the Members pursuant to Article IV and Article V and (b) accounting procedures and determinations, and other determinations not specifically and expressly provided for by the terms of this Agreement, shall be determined by the Board of Managers, whose determination shall be final and conclusive as to all of the Members absent manifest clerical error.

Section 8.02 Fiscal Year. The Fiscal Year of the Company shall end on December 31 of each year or such other date as may be required or established by the Board of Managers.

ARTICLE IX
TAX MATTERS

Section 9.01 Preparation of Tax Returns. The Board of Managers shall arrange for the preparation and timely filing of all tax returns required to be filed by the Company. The Board of Managers shall use reasonable efforts to furnish, as soon as practicable, and in any event not later than within 180 days of the close of each Taxable Year, to each Member a completed IRS Schedule K-1 (and any comparable state or local income tax form) and such other information as is reasonably requested by such Member relating to the Company that is necessary for such Member to comply with its tax reporting obligations. Subject to the terms and conditions of this Agreement and except as otherwise provided in this Agreement, in its capacity as Partnership Representative, the Corporation shall have the authority to prepare the tax returns of the Company using such permissible methods and elections as it determines in its reasonable discretion, including the use of any permissible method under Section 706 of the Code for purposes of determining the varying Units of its Members. Each Member shall furnish to the Company all pertinent information in its possession that is reasonably requested by the Company and is necessary to enable the Company's tax returns to be timely prepared and filed. Each Member further agrees that such Member shall not treat any Company item inconsistently on such Member's tax return with the treatment of the item on the Company's tax return or other information furnished to such Member relating to the Company for such Member to comply with its tax reporting obligations.

Section 9.02 Tax Elections. The Taxable Year shall be the Fiscal Year set forth in Section 8.02, unless otherwise required by Section 706 of the Code. The Board of Managers shall cause the Company and each of its Subsidiaries that is treated as a partnership for U.S. federal income tax purposes (but excluding any such Subsidiary to the extent it is directly or indirectly held by or through an entity treated as a corporation for U.S. federal, and applicable state and local, income tax purposes) to have in effect an election pursuant to Section 754 of the Code (or any similar provisions of applicable state, local or foreign tax Law) for each Taxable Year in which such election is relevant. The Board of Managers shall take commercially reasonable efforts to cause each Person in which the Company owns a direct or indirect equity interest (other than a Subsidiary and any Person that is directly or indirectly held by or through an entity treated as a corporation for U.S. federal, and applicable state and local, income tax purposes) that is so treated as a partnership to have in effect any such election for such Taxable Year. Each Member will upon request supply any information reasonably necessary to give proper effect to any such elections.

Section 9.03 Tax Controversies. The Board of Managers shall cause the Company to take all necessary actions required by Law to designate the Corporation (or any other Person selected by the Board of Managers) as the “tax matters partner” of the Company within the meaning of Section 6231 of the Code (as in effect prior to repeal of such section pursuant to the Revised Partnership Audit Provisions) with respect to any Taxable Year beginning on or before December 31, 2017 (and to the extent applicable for state and local tax purposes). The Board of Managers shall further cause the Company to take all necessary actions required by Law to designate the Corporation (or another Person selected by the Board of Managers), with respect to any Taxable Year of the Company beginning after December 31, 2017, as the “partnership representative” of the Company as provided in Section 6223(a) of the Code (and any similar provision of state, local and other Law), and if the “partnership representative” is an entity, the Board of Managers is hereby authorized to designate a “designated individual” in accordance with Treasury Regulations Section 301.6223-1(b)(3) (in such capacities, collectively, the “**Partnership Representative**”). The Company and the Members shall cooperate fully with each other and shall use reasonable best efforts to cause the Corporation (or such other Person selected by the Board of Managers, or its designated individual, as applicable) to become the Partnership Representative with respect to any taxable period of the Company with respect to which the statute of limitations has not yet expired (and causing any tax matters partner, partnership representative or designated individual designated prior to the Effective Date to resign, be revoked or replaced, as applicable), including (as applicable) by filing certifications pursuant to Treasury Regulations Section 301.6231(a)(7)-1(d) and completing IRS Form 8970 or any other form or certificate required pursuant to Treasury Regulations Section 301.6223-1(e)(1). The Partnership Representative shall have the right and obligation to take all actions authorized and required by the Code and other applicable tax Law for the Partnership Representative and is authorized and required to represent the Company (at the Company’s expense) in connection with all examinations of the Company’s affairs by tax authorities, including any resulting administrative and judicial proceedings, and to expend Company funds for professional services reasonably incurred in connection therewith. Each Member agrees to cooperate with the Company and the Partnership Representative and to do or refrain from doing any or all things reasonably requested by the Company or the Partnership Representative with respect to the conduct of such proceedings. Without limiting the generality of the foregoing, with respect to any audit or other proceeding, the Partnership Representative shall be entitled to cause the Company (and any of its Subsidiaries) to make any available elections pursuant to Section 6226 of the Code (and similar provisions of state, local and other Law), and the Members shall cooperate to the extent reasonably requested by the Company in connection therewith. Each Member acknowledges that any action taken by the Partnership Representative in its capacity as such shall be binding upon such Member and that such Member shall not independently act with respect to any administrative or judicial proceeding affecting the Company. The Company shall reimburse the Partnership Representative for all reasonable out-of-pocket expenses incurred by the Partnership Representative, including reasonable fees of any professional attorneys, in carrying out its duties as the Partnership Representative. The provisions of this Article IX shall survive the transfer or termination of any Member’s interest in any Units of the Company, the termination of this Agreement and the dissolution, liquidation, winding up and termination of the Company, and shall remain binding on each Member for the period of time necessary to resolve all tax matters relating to the Company. With respect to any tax audit or other proceeding for any taxable year of the Company that ends prior to or includes the Effective Date, the Company shall make (and the Partnership Representative shall cause the Company to make) a “push out” election under Section 6226 of the Code (or any comparable provision of state, local, or non-U.S. law) to the extent available under applicable law.

ARTICLE X
RESTRICTIONS ON TRANSFER OF UNITS; CERTAIN TRANSACTIONS

Section 10.01 Transfers by Members. No holder of Units shall Transfer any interest in any Units, except Transfers (a) pursuant to and in accordance with Section 10.02 and 10.09 or (b) approved in advance and in writing by the Board of Managers (through a majority of the Managers who are disinterested), in the case of Transfers by any Member other than a Manager, or (c) in the case of Transfers by a Manager, to any Person who succeeds as a Manager in accordance with Section 6.01. Notwithstanding the foregoing, “**Transfer**” shall not include (i) an event that terminates the existence of a Member for income tax purposes (including a change in entity classification of a Member under Treasury Regulations Section 301.7701-3, a sale of assets by, or liquidation of, a Member pursuant to an election under Sections 336 or 338 of the Code, or merger, severance, or allocation within a trust or among sub-trusts of a trust that is a Member), but that does not terminate the existence of such Member under applicable state Law (or, in the case of a trust that is a Member, does not terminate the trusteeship of the fiduciaries under such trust with respect to all the Units of such trust that is a Member) or (ii) any indirect Transfer of Units held by the Corporation by virtue of any Transfer of Equity Securities in the Corporation. The Board of Managers may, in their reasonable discretion, require a Transfer to comply with the requirements of Treasury Regulations Section 1.7704- 1(e)(1)(vi) regarding “block transfers.”

Section 10.02 Permitted Transfers. The restrictions contained in Section 10.01 shall not apply to any of the following Transfers (each, a “**Permitted Transfer**” and each transferee, a “**Permitted Transferee**”): (a)(i) a Transfer pursuant to a Redemption or Direct Exchange in accordance with Article XI hereof or (ii) a Transfer by a Member to the Corporation or any of its Subsidiaries, or (b) a Transfer to an Affiliate of such Member or pursuant to applicable laws of descent and distribution or among such Member’s Family Group; *provided* that, (x) Units may not be Transferred to a Member’s spouse in connection with a divorce proceeding and (y) such Member retains exclusive voting control of the Units Transferred; *provided however* that, (1) the restrictions contained in this Agreement will continue to apply to Units after any Permitted Transfer of such Units, and (2) in the case of the foregoing clause (b), the Permitted Transferees of the Units so Transferred shall agree in writing to be bound by the provisions of this Agreement, and prior to such Transfer the transferor will deliver a written notice to the Company, which notice will disclose in reasonable detail the identity of the proposed Permitted Transferee. In the case of a Permitted Transfer of any Common Units by any Member that is authorized to hold Class B Common Stock in accordance with the Corporation’s certificate of incorporation to a Permitted Transferee in accordance with this Section 10.02, such Member (or any subsequent Permitted Transferee of such Member) shall also transfer a number of shares of Class B Common Stock or Class B Warrants, as applicable, equal to the number of Common Units (including Common Units underlying Class B Warrants) that were transferred by such Member (or subsequent Permitted Transferee) in the transaction to such Permitted Transferee. All Permitted Transfers are subject to the additional limitations set forth in Section 10.07(b).

Section 10.03 Legend. The Units have not been registered under the Securities Act and, therefore, in addition to the other restrictions on Transfer contained in this Agreement, cannot be sold unless subsequently registered under the Securities Act or if an exemption from such registration is then available with respect to such sale. To the extent such Units have been certificated, each certificate evidencing Units and each certificate issued in exchange for or upon the Transfer of any Units shall be stamped or otherwise imprinted with a legend in substantially the following form:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ISSUED ON [•], AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**ACT**”), AND MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN EXEMPTION FROM REGISTRATION THEREUNDER. THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE ALSO SUBJECT TO ADDITIONAL RESTRICTIONS ON TRANSFER SPECIFIED IN THE FOURTH AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT OF AMERICAN ONCOLOGY NETWORK, LLC, AS IT MAY BE AMENDED, RESTATED, AMENDED AND RESTATED, OR OTHERWISE MODIFIED FROM TIME TO TIME, AND AMERICAN ONCOLOGY NETWORK, LLC RESERVES THE RIGHT TO REFUSE THE TRANSFER OF SUCH SECURITIES UNTIL SUCH CONDITIONS HAVE BEEN FULFILLED WITH RESPECT TO ANY TRANSFER. A COPY OF SUCH CONDITIONS SHALL BE FURNISHED BY AMERICAN ONCOLOGY NETWORK, LLC TO THE HOLDER HEREOF UPON WRITTEN REQUEST AND WITHOUT CHARGE.”

The Company shall imprint such legend on certificates (if any) evidencing Units. The legend set forth above shall be removed from the certificates (if any) evidencing any Units which cease to be Units in accordance with the definition thereof.

Section 10.04 Transfer. Prior to Transferring any Units, the Transferring holder of Units shall cause the prospective Permitted Transferee to be bound by this Agreement and any other agreements executed by the holders of Units and relating to such Units in the aggregate to which the transferor was a party (collectively, the “**Other Agreements**”) by executing and delivering to the Company counterparts of this Agreement and any applicable Other Agreements.

Section 10.05 Assignee’s Rights.

(a) The Transfer of a Unit in accordance with this Agreement shall be effective as of the date of such Transfer (assuming compliance with all of the conditions to such Transfer set forth herein), and such Transfer shall be shown on the books and records of the Company. Profits, Losses and other items of the Company shall be allocated between the transferor and the transferee according to Section 706 of the Code, using any permissible method as determined in the reasonable discretion of the Board of Managers. Distributions made before the effective date of such Transfer shall be paid to the transferor, and Distributions made on or after such date shall be paid to the Assignee.

(b) Unless and until an Assignee becomes a Member pursuant to Article XII, the Assignee shall not be entitled to any of the rights granted to a Member hereunder or under applicable Law, other than the rights granted specifically to Assignees pursuant to this Agreement; *provided however* that, without relieving the Transferring Member from any such limitations or obligations as more fully described in Section 10.06, such Assignee shall be bound by any limitations and obligations of a Member contained herein by which a Member would be bound on account of the Assignee's Units (including the obligation to make Capital Contributions on account of such Units).

Section 10.06 Assignor's Rights and Obligations. Any Member who shall Transfer any Unit in a manner in accordance with this Agreement shall cease to be a Member with respect to such Units and shall no longer have any rights or privileges, or, except as set forth in this Section 10.06, duties, liabilities or obligations, of a Member with respect to such Units or other interest (it being understood, however, that the applicable provisions of Section 6.07 and 7.04 shall continue to inure to such Person's benefit), except that unless and until the Assignee (if not already a Member) is admitted as a Substituted Member in accordance with the provisions of Article XII (the "**Admission Date**"), (a) such Transferring Member shall retain all of the duties, liabilities and obligations of a Member with respect to such Units, and (b) the Board of Managers may, in its sole discretion, reinstate all or any portion of the rights and privileges of such Member with respect to such Units for any period of time prior to the Admission Date. Nothing contained herein shall relieve any Member who Transfers any Units in the Company from any liability of such Member to the Company with respect to such Units that may exist as of the Admission Date or that is otherwise specified in the Delaware Act or for any liability to the Company or any other Person for any materially false statement made by such Member (in its capacity as such) or for any past, present or future breaches of any representations, warranties or covenants by such Member (in its capacity as such) contained herein or in the Other Agreements with the Company.

Section 10.07 Overriding Provisions.

(a) Any Transfer or attempted Transfer of any Units in violation of this Agreement (including any prohibited indirect Transfers) shall be, to the fullest extent permitted by applicable law, null and void *ab initio*, and the provisions of Section 10.05 and 10.06 shall not apply to any such Transfers. For the avoidance of doubt, any Person to whom a Transfer is made or attempted in violation of this Agreement shall not become a Member and shall not have any other rights in or with respect to any rights of a Member of the Company with respect to the applicable Units. The approval of any Transfer in any one or more instances shall not limit or waive the requirement for such approval in any other or future instance. The Board of Managers shall promptly amend the Schedule of Members to reflect any Permitted Transfer pursuant to this Article X.

(b) Notwithstanding anything contained herein to the contrary (including, for the avoidance of doubt, the provisions of Section 10.01 and Article XI and Article XII), in no event shall any Member Transfer any Units to the extent such Transfer would:

- (i) result in the violation of the Securities Act, or any other applicable federal, state or foreign Laws;
- (ii) cause an assignment under the Investment Company Act;
- (iii) in the reasonable determination of the Board of Managers, be a violation of or a default (or an event that, with notice or the lapse of time or both, would constitute a default) under, or result in an acceleration of any obligation under any Credit Agreement to which the Company or the Corporation is a party; *provided* that, the payee or creditor to whom the Company or the Corporation owes such obligation is not an Affiliate of the Company or the Corporation;
- (iv) be a Transfer to a Person who is not legally competent or who has not achieved his or her majority of age under applicable Law (excluding trusts for the benefit of minors);
- (v) cause the Company to be treated as a "publicly traded partnership" or to be taxed as a corporation pursuant to Section 7704 of the Code or any successor provision thereto under the Code; or

(vi) result in the Company having more than 100 partners, within the meaning of Treasury Regulations Section 1.7704-1(h)(1) (determined pursuant to the rules of Treasury Regulations Section 1.7704-1(h)(3)) in any Taxable Year that is not a Restricted Taxable Year or otherwise cause any Taxable Year that is not otherwise a Restricted Taxable Year to become a Restricted Taxable Year.

(c) Notwithstanding anything contained herein to the contrary, in no event shall any Member that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code Transfer any Units (including, for the avoidance of doubt, in connection with a Redemption or a Direct Exchange), unless such Member and the transferee have delivered to the Company, in respect of the relevant Transfer, written evidence that all required withholding under Section 1446(f) of the Code will have been done and duly remitted to the applicable taxing authority or duly executed certifications (prepared in accordance with the applicable Treasury Regulations or other authorities) of an exemption from such withholding.

Section 10.08 Spousal Consent. In connection with the execution and delivery of this Agreement, any Member who is a natural person will deliver to the Company an executed consent from such Member’s spouse (if any) in the form of Exhibit B-1 attached hereto or a Member’s spouse confirmation of separate property in the form of Exhibit B-2 attached hereto. If, at any time subsequent to the date of this Agreement such Member becomes legally married (whether in the first instance or to a different spouse), such Member shall cause his or her spouse to execute and deliver to the Company a consent in the form of Exhibit B-1 or Exhibit B-2 attached hereto. Such Member’s non-delivery to the Company of an executed consent in the form of Exhibit B-1 or Exhibit B-2 at any time shall constitute such Member’s continuing representation and warranty that such Member is not legally married as of such date.

Section 10.09 Certain Transactions with respect to the Corporation.

(a) In connection with a Change of Control Transaction, the Board of Managers shall have the right, in its sole discretion, to require each Member (other than the Corporation and its Subsidiaries) to effect a Redemption of all or a portion of such Member’s Common Units together with an equal number of shares of Class B Common Stock or such number Class B Warrants, pursuant to which such Common Units and such shares of Class B Common Stock or such Class B Warrants will be exchanged for shares of Class A Common Stock (or economically equivalent cash or securities of a successor entity), *mutatis mutandis*, in accordance with the Redemption provisions of Article XI (applied for this purpose as if the Corporation had delivered an Election Notice that specified a Share Settlement with respect to such Redemption) and otherwise in accordance with this Section 10.09(a) (it being understood that the Corporation may elect a Direct Exchange in connection with the foregoing, and the remaining provisions of this Section 10.09(a) shall apply, *mutatis mutandis*, with respect to such Direct Exchange). Any such Redemption pursuant to this Section 10.09(a) shall be effective immediately prior to the consummation of such Change of Control Transaction (and, for the avoidance of doubt, shall be contingent upon the consummation of such Change of Control Transaction and shall not be effective if such Change of Control Transaction is not consummated) (the date of such Redemption pursuant to this Section 10.09(a), the “**Change of Control Date**”). From and after the Change of Control Date, (i) the Common Units and any shares of Class B Common Stock or any such Class B Warrants subject to such Redemption shall be deemed to be transferred to the Corporation on the Change of Control Date and (ii) each such Member shall cease to have any rights with respect to the Units and any shares of Class B Common Stock or such Class B Common Warrants subject to such Redemption (other than the right to receive shares of Class A Common Stock (or economically equivalent cash or equity securities in a successor entity) pursuant to such Redemption). In the event the Board of Managers desires to initiate the provisions of this Section 10.09, the Board of Managers shall provide written notice of an expected Change of Control Transaction to all Members within the earlier of (x) five Business Days following the execution of an agreement with respect to such Change of Control Transaction and (y) ten Business Days before the proposed date upon which the contemplated Change of Control Transaction is to be effected, including in such notice such information as may reasonably describe the Change of Control Transaction, subject to Law, including the date of execution of such agreement or such proposed effective date, as applicable, the amount and types of consideration to be paid for shares of Class A Common Stock in the Change of Control Transaction and any election with respect to types of consideration that a holder of shares of Class A Common Stock, as applicable, shall be entitled to make in connection with a Change of Control Transaction (which election shall be available to each Member on the same terms as holders of shares of Class A Common Stock). Following delivery of such notice and on or prior to the Change of Control Date, the Members shall take all actions reasonably requested by the Corporation to effect such Redemption in accordance with the terms of Article XI, including taking any action and delivering any document required pursuant to this Section 10.09(a) to effect such Redemption. Notwithstanding the foregoing, in the event the Board of Managers requires the Members to exchange less than all of their outstanding Common Units (and to surrender a corresponding number of shares of Class B Common Stock for cancellation or such number of Class B Common Warrants), each Member’s participation in the Change of Control Transaction shall be reduced *pro rata*.

(b) In the event that a tender offer, share exchange offer, issuer bid, take-over bid, recapitalization, or similar transaction with respect to Class A Common Stock (a “**Pubco Offer**”) is proposed by the Corporation or is proposed to the Corporation or its stockholders and approved by the Corporate Board or is otherwise effected or to be effected with the consent or approval of the Corporate Board, the Board of Managers shall provide written notice of the Pubco Offer to all Members within the earlier of (i) five Business Days following the execution of an agreement (if applicable) with respect to, or the commencement of (if applicable), such Pubco Offer and (ii) ten Business Days before the proposed date upon which the Pubco Offer is to be effected, including in such notice such information as may reasonably describe the Pubco Offer, subject to Law, including the date of execution of such agreement (if applicable) or of such commencement (if applicable), the material terms of such Pubco Offer, including the amount and types of consideration to be received by holders of shares of Class A Common Stock in the Pubco Offer, any election with respect to types of consideration that a holder of shares of Class A Common Stock, as applicable, shall be entitled to make in connection with such Pubco Offer, and the number of Units (and the corresponding shares of Class B Common Stock or such Class B Warrants) held by such Member that is applicable to such Pubco Offer. The Members (other than the Corporation) shall be permitted to participate in such Pubco Offer by delivering a written notice of participation that is effective immediately prior to the consummation of such Pubco Offer (and that is contingent upon consummation of such offer), and shall include such information necessary for consummation of such offer as requested by the Corporation. In the case of any Pubco Offer that was initially proposed by the Corporation, (x) the Corporation shall use reasonable best efforts to enable and permit the Members (other than the Corporation) to participate in such transaction to the same extent or on an economically equivalent basis as the holders of shares of Class A Common Stock, and to enable such Members to participate in such transaction without being required to exchange Units or shares of Class B Common Stock or such Class B Warrants prior to the consummation of such transaction and (y) to the extent that the Members (other than the Corporation) choose to participate in such transaction, then such Members shall take all actions reasonably necessary to effectuate their participation in such transaction, including, without limitation, exercising their respective Redemption Rights. For the avoidance of doubt, in no event shall Members be entitled to receive in such Pubco Offer aggregate consideration for each Common Unit that is greater than the consideration payable in respect of each share of Class A Common Stock in connection with a Pubco Offer.

(c) In the event that a transaction or proposed transaction constitutes both a Change of Control Transaction and a Pubco Offer, the provisions of Section 10.09(a) shall take precedence over the provisions of Section 10.09(b) with respect to such transaction, and the provisions of Section 10.09(b) shall be subordinate to provisions of Section 10.09(a), and may only be triggered if the Board of Managers elects to waive the provisions of Section 10.09(a).

Section 10.10 Unvested Common Units. With respect to any shares of Class B Common Stock corresponding to Common Units which remain subject to vesting conditions in accordance with any applicable Equity Plan or Individual Award Agreement, the Member holding such shares of Class B Common Stock shall abstain from voting any such shares of Class B Common Stock with respect to any matter to be voted on or considered by the stockholders of the Corporation at any annual or special meeting of the stockholders of the Corporation or action by written consent of the stockholders of the Corporation unless and until such time as such Common Units have vested in accordance with the applicable Equity Plan or Individual Award Agreement.

ARTICLE XI
REDEMPTION AND DIRECT EXCHANGE RIGHTS

Section 11.01 Redemption Right of a Member.

(a) Subject to the terms and conditions in this Section 11.01 hereof (including, without limitation, the limitations set forth in Section 11.01(a) (iv)), each Member (other than the Corporation and its Subsidiaries) shall be entitled to cause the Company to redeem (a “**Redemption**”) all or any portion of its Common Units (excluding, for the avoidance of doubt, any Common Units that the Transfer of which is prohibited pursuant to Section 10.07(b) or Section 10.07(c) of this Agreement) in whole or in part (the “**Redemption Right**”) at any time and from time to time following the earlier of (x) the date that is the six (6)-month anniversary of the Closing Date and (y) the date after the closing on which the Corporation consummates a Change of Control Transaction that results in all of the Corporation’s stockholders having the right to exchange their Class A Common Stock for cash, securities or other property. A Member desiring to exercise its Redemption Right (each, a “**Redeeming Member**”) shall exercise such right by giving written notice (the “**Redemption Notice**”) to the Company with a copy to the Corporation. The Redemption Notice shall specify the number of Common Units (the “**Redeemed Units**”) that the Redeeming Member intends to have the Company redeem and a date, not less than three Business Days nor more than ten Business Days after delivery of such Redemption Notice (unless and to the extent that the Board of Managers in its sole discretion agrees in writing to waive such time periods), on which exercise of the Redemption Right shall be completed (the “Redemption Date”); provided that, the Company, the Corporation and the Redeeming Member may change the number of Redeemed Units or the Redemption Date specified in such Redemption Notice to another number or date by mutual agreement signed in writing by each of them; *provided, further*, that in the event the Redemption Date occurs in a Restricted Taxable Year, the Redemption Date must be a Quarterly Redemption Date not less than sixty (60) days after delivery of the applicable Redemption Notice. Subject to Section 11.03 and unless the Redeeming Member timely has delivered a Retraction Notice as provided in Section 11.01(c) or has revoked or delayed a Redemption as provided in Section 11.01(d), on the Redemption Date (to be effective immediately prior to the close of business on the Redemption Date):

(i) the Redeeming Member shall Transfer and surrender, free and clear of all liens and encumbrances (x) the Redeemed Units to the Company (including any certificates representing the Redeemed Units if they are certificated), and (y) a number of shares of Class B Common Stock or a number of Class B Common Warrants (together with any Corresponding Rights) equal to the number of Redeemed Units to the Corporation;

(ii) the Company shall (x) cancel the Redeemed Units, (y) transfer to the Redeeming Member the consideration to which the Redeeming Member is entitled under Section 11.01(b), and (z) if the Units are certificated, issue to the Redeeming Member a certificate for a number of Common Units equal to the difference (if any) between the number of Common Units evidenced by the certificate surrendered by the Redeeming Member pursuant to clause (i) of this Section 11.01(a) and the Redeemed Units;

(iii) the Corporation shall cancel and retire for no consideration the shares of Class B Common Stock or a number of Class B Warrants (together with any Corresponding Rights) that were Transferred to the Corporation pursuant to Section 11.01(a)(i)(y) above; and

(iv) *Limitation on Beneficial Ownership.* Notwithstanding anything to the contrary contained herein, the Company shall not effect any Redemption (other than a Redemption pursuant to [Section 11.07](#) hereof), and any Electing Redeeming Member shall not have the right to any Redemption, pursuant to the terms and conditions of this [Section 11.01](#) and any such Redemption shall be null and void and treated as if never made, to the extent that after giving effect to such exercise, such Electing Redeeming Member together with the other Attribution Parties collectively would beneficially own a number of shares of Class A Common Stock in excess of the Maximum Percentage. The “**Maximum Percentage**” shall be set at 4.99% of the number of shares of the Class A Common Stock outstanding immediately after giving effect to the issuance of shares of Class A Common Stock pursuant to such Redemption (to the extent permitted pursuant to this [Section 11.01\(a\)\(iv\)](#)), such 4.99% subject to adjustment for the Combined A+B Proviso (as defined below). For purposes of the foregoing sentence, the aggregate number of shares of Class A Common Stock beneficially owned by the Electing Redeeming Member shall include the number of shares of Class A Common Stock beneficially owned by the Electing Redeeming Member, plus the number of shares of Class A Common Stock issuable upon Redemption by the Electing Redeeming Member that would result in the Electing Redeeming Member holding the Maximum Percentage of the number of outstanding shares of Class A Common Stock. Furthermore, to the extent the Electing Redeeming Member or its Attribution Parties beneficially own Class B Common Stock or Class B Warrants, the Maximum Percentage shall be automatically adjusted from time to time such that the Electing Redeeming Member’s beneficial ownership of the Company’s Class A Common Stock issuable pursuant to such Redemption (to the extent permitted pursuant to this [Section 11.01\(a\)\(iv\)](#)), when combined with Class B Common Stock beneficially owned by the Electing Redeeming Member (taking into account any limitation on conversion or exercise of any convertible security analogous to the limitation contained in this [Section 11.01\(a\)\(iv\)](#)) on an aggregated basis shall not exceed 4.99% of the Class A Common Stock and Class B Common Stock on an aggregated basis outstanding immediately after giving effect to the issuance of shares of Class A Common Stock pursuant to such Redemption (to the extent permitted pursuant to this [Section 11.01\(a\)\(iv\)](#)) (the foregoing collectively, the “**Combined A+B Proviso**”). For purposes of this [Section 11.01\(a\)\(iv\)](#), beneficial ownership shall be calculated in accordance with 1934 Act. For purposes of this [Section 11.01\(a\)\(iv\)](#), in determining the number of outstanding shares of Class A Common Stock the Electing Redeeming Member may acquire upon a Redemption, without exceeding the Maximum Percentage, the Electing Redeeming Member may rely on the number of outstanding shares of Class A Common Stock and Class B Common Stock as reflected, if applicable, in (x) the Corporation’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q and Current Reports on Form 8-K or other public filing with the SEC, as the case may be, (y) a more recent public announcement by the Corporation or (z) any other written notice by the Company or the Corporation, including as may be requested by the Electing Redeeming Member in writing, which the Company or the Corporation shall promptly provide, setting forth the number of shares of Class A Common Stock or Class B Common Stock outstanding (the “**Reported Outstanding Share Number**”). If the Company receives a Redemption Notice from the Electing Redeeming Member at a time when the actual number of outstanding shares of Class A Common Stock or Class B Common Stock is less than the Reported Outstanding Share Number, the Company shall notify the Electing Redeeming Member in writing of the number of shares of Class A Common Stock or Class B Common Stock then outstanding and, to the extent that such Redemption Notice would otherwise cause the Electing Redeeming Member’s beneficial ownership, as determined pursuant to this [Section 11.01\(a\)\(iv\)](#), to exceed the Maximum Percentage, the Electing Redeeming Member shall notify the Company of a reduced number of Redeemed Units to be redeemed pursuant to such Redemption Notice. In the event that the issuance of Class A Common Stock to the Electing Redeeming Member results in the Electing Redeeming Member and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Class A Common Stock (as determined under Section 13(d) of the 1934 Act), the number of shares so issued by which the Electing Redeeming Member and the other Attribution Parties’ aggregate beneficial ownership exceeds the Maximum Percentage (the “**Excess Shares**”) shall be deemed null and void and shall be cancelled ab initio, and the Electing Redeeming Member shall not have the power to vote or to transfer the Excess Shares. As soon as reasonably practicable after the issuance of the Excess Shares has been deemed null and void, the Company shall return any Common Units and shares of Class A Common Stock tendered by the Electing Redeeming Member corresponding to the Excess Shares, and the Electing Redeeming Member shall transfer the Excess Shares to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this [Section 11.01\(a\)\(iv\)](#) to the extent necessary to correct this paragraph or any portion of this paragraph which may be defective or inconsistent with the intended beneficial ownership limitation contained in this [Section 11.01\(a\)\(iv\)](#) or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived. By written notice to the Company, the Electing Redeeming Member may from time to time increase or decrease the Maximum Percentage applicable to the Electing Redeeming Member to any other percentage; provided that any increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

(b) The Corporation shall have the option (as determined solely by the Corporate Board), as provided in Section 11.02, to elect to have the Redeemed Units be redeemed in consideration for either a Share Settlement or a Cash Settlement; *provided* that, for the avoidance of doubt, the Corporation may elect to have the Redeemed Units be redeemed in consideration for a Cash Settlement solely in connection with the Corporation's completion of a substantially concurrent public offering or private sale of shares of Class A Common Stock within ten (10) Business Days of the delivery of a Redemption Notice. For the avoidance of doubt, the Company shall have no obligation to effect a Cash Settlement that exceeds the cash raised by the Corporation from the Corporation's offering or sale of shares of Class A Common Stock referenced in this Section 11.01(b). The Corporation shall give written notice (the "**Election Notice**") to the Company (with a copy to the applicable Redeeming Member) of such election within two Business Days of receiving the Redemption Notice; *provided* that, if the Corporation does not timely deliver an Election Notice, the Corporation shall be deemed to have elected the Share Settlement method. If the Corporation elects a Share Settlement (including in connection with a Direct Exchange pursuant to Section 11.03), the Corporation shall deliver or cause to be delivered the number of shares of Class A Common Stock deliverable upon such Share Settlement as promptly as practicable (but not later than three Business Days) after the Redemption Date, at the offices of the then-acting registrar and transfer agent of the shares of Class A Common Stock (or, if there is no then-acting registrar and transfer agent of Class A Common Stock, at the principal executive offices of the Corporation), registered in the name of the relevant Redeeming Member (or in such other name as is requested in writing by the Redeeming Member), in certificated or uncertificated form, as determined by the Corporation; *provided* that, to the extent the shares of Class A Common Stock are settled through the facilities of The Depository Trust Company, upon the written instruction of the Redeeming Member set forth in the Redemption Notice, the Corporation shall use its commercially reasonable efforts to deliver the shares of Class A Common Stock deliverable to such Redeeming Member through the facilities of The Depository Trust Company, to the account of the participant of The Depository Trust Company designated by such Redeeming Member by no later than the close of business on the Business Day immediately following the Redemption Date.

(c) In the event the Corporation elects the Cash Settlement in connection with a Redemption, the Redeeming Member may retract its Redemption Notice by giving written notice (the "**Retraction Notice**") to the Company (with a copy to the Corporation) within three Business Days of delivery of the Election Notice. The timely delivery of a Retraction Notice shall terminate all of the Redeeming Member's, the Company's and the Corporation's rights and obligations under this Section 11.01 arising from the Redemption Notice.

(d) In the event the Corporation elects a Share Settlement in connection with a Redemption, a Redeeming Member shall be entitled to revoke its Redemption Notice or delay the consummation of a Redemption if any of the following conditions exists:

(i) any registration statement pursuant to which the resale of the Class A Common Stock to be registered for such Redeeming Member at or immediately following the consummation of the Redemption shall have ceased to be effective pursuant to any action or inaction by the SEC or no such resale registration statement has yet become effective;

(ii) the Corporation shall have failed to cause any related prospectus to be supplemented by any required prospectus supplement necessary to effect such Redemption;

(iii) the Corporation shall have exercised its right to defer, delay or suspend the filing or effectiveness of a registration statement and such deferral, delay or suspension shall affect the ability of such Redeeming Member to have its Class A Common Stock registered at or immediately following the consummation of the Redemption;

(iv) the Redeeming Member is in possession of any material non-public information concerning the Corporation, the receipt of which results in such Redeeming Member being prohibited or restricted from selling Class A Common Stock at or immediately following the Redemption without disclosure of such information (and the Corporation does not permit disclosure of such information);

(v) any stop order relating to the registration statement pursuant to which the Class A Common Stock was to be registered by such Redeeming Member at or immediately following the Redemption shall have been issued by the SEC;

(vi) there shall have occurred a material disruption in the securities markets generally or in the market or markets in which the Class A Common Stock is then traded;

(vii) there shall be in effect an injunction, a restraining order or a decree of any nature of any Governmental Entity that restrains or prohibits the Redemption;

(viii) the Corporation shall have failed to comply in all material respects with its obligations under the Registration Rights Agreement, and such failure shall have affected the ability of such Redeeming Member to consummate the resale of Class A Common Stock to be received upon such Redemption pursuant to an effective registration statement; or

(ix) the Redemption Date would occur three Business Days or less prior to, or during, a Black- Out Period.

If a Redeeming Member delays the consummation of a Redemption pursuant to this Section 11.01(d), the Redemption Date shall occur on the fifth Business Day following the date on which the condition(s) giving rise to such delay cease to exist (or such earlier day as the Corporation, the Company and such Redeeming Member may agree in writing).

(e) The number of shares of Class A Common Stock (or Redeemed Units Equivalent, if applicable) (together with any Corresponding Rights) applicable to any Share Settlement or Cash Settlement shall not be adjusted on account of any Distributions previously made with respect to the Redeemed Units or dividends previously paid with respect to Class A Common Stock; *provided however* that, if a Redeeming Member causes the Company to redeem Redeemed Units and the Redemption Date occurs subsequent to the record date for any Distribution with respect to the Redeemed Units but prior to payment of such Distribution, the Redeeming Member shall be entitled to receive such Distribution with respect to the Redeemed Units on the date that it is made notwithstanding that the Redeeming Member Transferred and surrendered the Redeemed Units to the Company prior to such date; *provided, further*, that, a Redeeming Member shall be entitled to receive any and all Tax Distributions that such Redeeming Member otherwise would have received in respect of income allocated to such Member for the portion of any Taxable Year irrespective of whether such Tax Distribution(s) are declared or made after the Redemption Date.

(f) In the case of a Share Settlement, in the event a reclassification or other similar transaction occurs following delivery of a Redemption Notice, but prior to the Redemption Date, as a result of which shares of Class A Common Stock are converted into another security, then a Redeeming Member shall be entitled to receive the amount of such other security (and, if applicable, any Corresponding Rights) that the Redeeming Member would have received if such Redemption Right had been exercised and the Redemption Date had occurred immediately prior to the record date of such reclassification or other similar transaction.

(g) Notwithstanding anything to the contrary contained herein, neither the Company nor the Corporation shall be obligated to effectuate a Redemption if such Redemption could (as determined in the sole discretion of the Board of Managers) cause the Company to be treated as a “publicly traded partnership” or to be taxed as a corporation pursuant to Section 7704 of the Code or successor provisions of the Code.

Section 11.02 Election and Contribution of the Corporation. Unless the Redeeming Member has timely delivered a Retraction Notice as provided in Section 11.01(c), or has revoked or delayed a Redemption as provided in Section 11.01(d), subject to Section 11.03 on the Redemption Date (to be effective immediately prior to the close of business on the Redemption Date), (a) the Corporation shall make a Capital Contribution to the Company (in the form of the Share Settlement or the Cash Settlement, as determined by the Corporation in accordance with Section 11.01(b)) and (b) the Company shall issue to the Corporation a number of Common Units equal to the number of Redeemed Units surrendered by the Redeeming Member. Notwithstanding any other provisions of this Agreement to the contrary, but subject to Section 11.03, in the event that the Corporation elects a Cash Settlement, the Corporation shall only be obligated to contribute to the Company an amount in respect of such Cash Settlement equal to the Redeemed Units Equivalent with respect to such Cash Settlement, which in no event shall exceed the amount actually paid by the Company to the Redeeming Member as the Cash Settlement. The timely delivery of a Retraction Notice shall terminate all of the Company's and the Corporation's rights and obligations under this Section 11.02 arising from the Redemption Notice.

Section 11.03 Direct Exchange Right of the Corporation.

(a) Notwithstanding anything to the contrary in this Article XI (save for the limitations set forth in Section 11.01(b) regarding the Corporation's option to select the Share Settlement or the Cash Settlement, and without limitation to the rights of the Members under Section 11.01, including the right to revoke a Redemption Notice), the Corporation may, in its sole and absolute discretion (as determined solely by a majority of its directors who are disinterested) (subject to the timing limitations set forth on such discretion in Section 11.01(b)), elect to effect on the Redemption Date the exchange of Redeemed Units for the Share Settlement or the Cash Settlement, as the case may be, through a direct exchange of such Redeemed Units and the Share Settlement or the Cash Settlement, as applicable, between the Redeeming Member and the Corporation (a "**Direct Exchange**") (rather than contributing the Share Settlement or the Cash Settlement, as the case may be, to the Company in accordance with Section 11.02 for purposes of the Company redeeming the Redeemed Units from the Redeeming Member in consideration of the Share Settlement or the Cash Settlement, as applicable). Upon such Direct Exchange pursuant to this Section 11.03, the Corporation shall acquire the Redeemed Units and shall be treated for all purposes of this Agreement as the owner of such Units.

(b) The Corporation may, at any time prior to a Redemption Date (including after delivery of an Election Notice pursuant to Section 11.01(b)), deliver written notice (an "**Exchange Election Notice**") to the Company and the Redeeming Member setting forth its election to exercise its right to consummate a Direct Exchange; *provided* that, such election is subject to the limitations set forth in Section 11.01(b) and does not unreasonably prejudice the ability of the parties to consummate a Redemption or Direct Exchange on the Redemption Date. An Exchange Election Notice may be revoked by the Corporation at any time; *provided* that, any such revocation does not unreasonably prejudice the ability of the parties to consummate a Redemption or Direct Exchange on the Redemption Date. The right to consummate a Direct Exchange in all events shall be exercisable for all of the Redeemed Units that would have otherwise been subject to a Redemption.

(c) Except as otherwise provided by this Section 11.03, a Direct Exchange shall be consummated pursuant to the same timeframe as the relevant Redemption would have been consummated if the Corporation had not delivered an Exchange Election Notice and as follows:

(i) the Redeeming Member shall transfer and surrender, free and clear of all liens and encumbrances (x) the Redeemed Units and (y) a number of shares of Class B Common Stock (together with any Corresponding Rights) equal to the number of Redeemed Units, or a number of Class B Common Warrants (together with any Corresponding Rights) equal to the number of Redeemed Units, to the extent applicable, in each case, to the Corporation;

(ii) the Corporation shall (x) issue or pay to the Redeeming Member the Share Settlement or the Cash Settlement, as applicable, and (y) cancel and retire for no consideration the shares of Class B Common Stock or Class B Warrants (together with any Corresponding Rights) that were Transferred to the Corporation pursuant to Section 11.03(c)(i)(y) above; and

(iii) the Company shall (x) register the Corporation as the owner of the Redeemed Units and (y) if the Units are certificated, issue to the Redeeming Member a certificate for a number of Common Units equal to the difference (if any) between the number of Common Units evidenced by the certificate surrendered by the Redeeming Member pursuant to Section 11.03(c)(i)(x) and the Redeemed Units, and issue to the Corporation a certificate for the number of Redeemed Units.

Section 11.04 Reservation of shares of Class A Common Stock; Listing; Certificate of the Corporation.

(a) At all times the Corporation shall reserve and keep available out of its authorized but unissued Class A Common Stock, solely for the purpose of issuance upon a Share Settlement in connection with a Redemption or Direct Exchange, such number of shares of Class A Common Stock as shall be issuable upon any such Share Settlement pursuant to a Redemption or Direct Exchange; *provided* that, nothing contained herein shall be construed to preclude the Corporation from satisfying its obligations in respect of any such Share Settlement pursuant to a Redemption or Direct Exchange by delivery of purchased Class A Common Stock (which may or may not be held in the treasury of the Corporation) or by way of Cash Settlement. The Corporation shall deliver Class A Common Stock that has been registered under the Securities Act with respect to any Share Settlement pursuant to a Redemption or Direct Exchange to the extent a registration statement is effective and available with respect to such shares; *provided* that, all such unregistered shares of Class A Common Stock (if any) shall be entitled to the registration rights set forth in the Registration Rights Agreement if the holders thereof are party to the Registration Rights Agreement and have such rights thereunder. The Corporation shall use its reasonable best efforts to list the Class A Common Stock required to be delivered upon any such Share Settlement pursuant to a Redemption or Direct Exchange prior to such delivery upon each national securities exchange upon which the outstanding shares of Class A Common Stock are listed at the time of such Share Settlement pursuant to a Redemption or Direct Exchange (it being understood that any such shares may be subject to transfer restrictions under applicable securities Laws). The Corporation covenants that all shares of Class A Common Stock issued in connection with a Share Settlement pursuant to a Redemption or Direct Exchange will, upon issuance, be validly issued, fully paid and non-assessable. The provisions of this Article XI shall be interpreted and applied in a manner consistent with any corresponding provisions of the Corporation's certificate of incorporation (if any).

(b) Prior to any Redemption or Direct Exchange effected pursuant to this Agreement, the Corporation shall take all such steps as may be required to cause to qualify for exemption under Rule 16b-3(d) or (e), as applicable, under the Exchange Act, and to be exempt for purposes of Section 16(b) under the Exchange Act, any acquisitions from, or dispositions to, the Corporation of equity securities of the Corporation (including derivative securities with respect thereto) and any securities that may be deemed to be equity securities or derivative securities of the Corporation for such purposes that result from the transactions contemplated by this Agreement, by each officer or director of the Corporation, including any director by deputization. The authorizing resolutions shall be approved by either the Corporate Board or a committee thereof composed solely of two or more Non-Employee Directors (as defined in Rule 16b-3) of the Corporation with the authorizing resolutions specifying the name of each such director whose acquisition or disposition of securities is to be exempted and the number of securities that may be acquired and disposed of by each such Person pursuant to this Agreement.

Section 11.05 Effect of Exercise of Redemption or Direct Exchange. This Agreement shall continue notwithstanding the consummation of a Redemption or Direct Exchange by a Member and all rights set forth herein shall continue in effect with respect to the remaining Members and, to the extent the Redeeming Member has a remaining Unit following such Redemption or Direct Exchange, the Redeeming Member. No Redemption or Direct Exchange shall relieve a Redeeming Member, the Company or the Corporation of any prior breach of this Agreement by such Redeeming Member, the Company or the Corporation.

Section 11.06 Tax Treatment. Unless otherwise required by applicable Law, the parties hereto acknowledge and agree that a Redemption or a Direct Exchange, as the case may be, shall be treated as a direct exchange between the Corporation and the Redeeming Member for U.S. federal and applicable state and local income tax purposes. The Redeeming Member shall reasonably cooperate with the Company and the Corporation in connection with any Redemption or Direct Exchange to ensure that the requirements of Sections 1445 and 1446(f) of the Code or successor provisions of the Code are satisfied (as determined by the Corporation) prior to the Redemption Date.

Section 11.07 Redemption Limitations. The Board of Managers may require that any Member (or group of Members) redeem all of its (or their) Units pursuant to the Redemption Right to the extent the Board of Managers determines that such Redemption is necessary or appropriate to avoid undue risk that the Company may be classified as a “publicly traded partnership” within the meaning of Section 7704 of the Code. Upon delivery of any notice by the Board to such Member (or group of Members) requiring such Redemption, such Member (or group of Members) shall exchange, subject to exercise by the Corporation (or such other member(s) of the Corporation designated by the Corporation) of its option to elect to have the Redeemed Units be redeemed in consideration for a Cash Settlement pursuant to Section 11.01(b), all of its (or their) Units effective as of the date specified in such notice (and such date shall be deemed to be a Redemption Date for purposes of this Agreement) in accordance with this Section 11.07 and otherwise in accordance with the requirements set forth in such notice.

ARTICLE XII ADMISSION OF MEMBERS

Section 12.01 Substituted Members. Subject to the provisions of Article X hereof, in connection with the Permitted Transfer of a Unit hereunder, the Permitted Transferee shall become a Substituted Member on the effective date of such Transfer, which effective date shall not be earlier than the date of compliance with the conditions to such Transfer, and such admission shall be shown on the books and records of the Company, including the Schedule of Members.

Section 12.02 Additional Members. Subject to the provisions of Article X hereof, any Person that is not a Member as of the Effective Date may be admitted to the Company as an additional Member (any such Person, an “**Additional Member**”) only upon furnishing to the Board of Managers (a) duly executed Joinder and counterparts to any applicable Other Agreements and (b) such other documents or instruments as may be reasonably necessary or appropriate to effect such Person’s admission as a Member (including entering into such documents as may reasonably be requested by the Board of Managers). Such admission shall become effective on the date on which the Board of Managers determines in its sole discretion that such conditions have been satisfied and when any such admission is shown on the books and records of the Company, including the Schedule of Members.

ARTICLE XIII WITHDRAWAL AND RESIGNATION; TERMINATION OF RIGHTS

Section 13.01 Withdrawal and Resignation of Members. Except in the event of Transfers pursuant to Section 10.06 and any Manager’s right to resign pursuant to Section 6.01, no Member shall have the power or right to withdraw or otherwise resign as a Member from the Company prior to the dissolution and winding up of the Company pursuant to Article XIV. Any Member, however, that attempts to withdraw or otherwise resign as a Member from the Company without the prior written consent of the Board of Managers upon or following the dissolution and winding up of the Company pursuant to Article XIV, but prior to such Member receiving the full amount of Distributions from the Company to which such Member is entitled pursuant to Article XIV, shall be liable to the Company for all damages (including all lost profits and special, indirect and consequential damages) directly or indirectly caused by the withdrawal or resignation of such Member. Upon a Transfer of all of a Member’s Units in a Transfer permitted by this Agreement, subject to the provisions of Section 10.06, such Member shall cease to be a Member.

ARTICLE XIV DISSOLUTION AND LIQUIDATION

Section 14.01 Dissolution. The Company shall not be dissolved by the admission of Additional Members or Substituted Members or the attempted withdrawal, removal, dissolution, bankruptcy or resignation of a Member. The Company shall dissolve, and its affairs shall be wound up, upon (a “**Liquidating Event**”):

- (a) the decision of the Board of Managers and the Corporation;
- (b) a dissolution of the Company under Section 18-801(4) of the Delaware Act, unless the Company is continued without dissolution pursuant thereto;
- (c) the entry of a decree of judicial dissolution of the Company under Section 18-802 of the Delaware Act; or

(d) the termination of the legal existence of the last remaining Member of the Company or the occurrence of any other event which terminates the continued membership of the last remaining Member of the Company in the Company unless the Company is continued without dissolution in a manner permitted by this Agreement or the Act.

Except as otherwise set forth in this Article XIV, the Company is intended to have perpetual existence. An Event of Withdrawal shall not in and of itself cause a dissolution of the Company and the Company shall continue in existence subject to the terms and conditions of this Agreement.

Section 14.02 Winding up. Subject to Section 14.05, on dissolution of the Company, the Board of Managers shall act as liquidating trustee or may appoint one or more Persons as liquidating trustee (each such Person, a “**Liquidator**”). The Liquidators shall proceed diligently to wind up the affairs of the Company and make final distributions as provided herein and in the Delaware Act. The costs of liquidation shall be borne as an expense of the Company. Until final distribution, the Liquidators shall, to the fullest extent permitted by applicable Law, continue to operate the properties of the Company with all of the power and authority of the Board of Managers. The steps to be accomplished by the Liquidators are as follows:

(a) as promptly as possible after dissolution and again after final liquidation, the Liquidators shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Company’s assets, liabilities and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed, as applicable;

(b) the Liquidators shall pay, satisfy or discharge from the Company’s funds, or otherwise make adequate provision for payment and discharge thereof (including the establishment of a cash fund for contingent, conditional and unmatured liabilities in such amount and for such term as the liquidators may reasonably determine) the following: first, all of the debts, liabilities and obligations of the Company owed to creditors other than the Members in satisfaction of the liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof), including all expenses incurred in connection with the liquidations; and second, all of the debts, liabilities and obligations of the Company owed to the Members (other than any payments or distributions owed to such Members in their capacity as Members pursuant to this Agreement); and

(c) all remaining assets of the Company shall be distributed:

(i) to the Series A Preferred Units an amount equal to the greater of (A) the Series A Preferred Applicable Percentage of the Series A Preferred Accrued Value per Series A Preferred Unit and (B) the amount that such Member would have been entitled to receive if all of such Member’s Series A Preferred Units were converted into Common Units in a Series A Preferred Conversion immediately prior to such liquidation, winding up or dissolution of the Company (regardless of whether the Series A Preferred Unit is then convertible pursuant to the terms hereof) (the “**Series A Liquidation Value**”); and

(ii) the balance to the Members, pro rata in proportion to their respective Common Units.

(d) The distribution of cash and/or property to the Members in accordance with the provisions of this Section 14.02 and Section 14.03 shall constitute a complete return to the Members of their Capital Contributions, a complete distribution to the Members of their interest in the Company and all of the Company’s property and shall constitute a compromise to which all Members have consented within the meaning of the Delaware Act. To the extent that a Member returns funds to the Company, it has no claim against any other Member for those funds.

Section 14.03 Deferment; Distribution in Kind. Notwithstanding the provisions of Section 14.02, but subject to the order of priorities set forth therein, if upon dissolution of the Company the Liquidators determine that an immediate sale of part or all of the Company’s assets would be impractical or would cause undue loss (or would otherwise not be beneficial) to the Members, the Liquidators may, in their sole discretion and the fullest extent permitted by applicable Law, defer for a reasonable time the liquidation of any assets except those necessary to satisfy the Company’s liabilities (other than loans to the Company by any Member(s)) and reserves. Subject to the order of priorities set forth in Section 14.02, the Liquidators may, in their sole discretion, distribute to the Members, in lieu of cash, either (a) all or any portion of such remaining assets in-kind of the Company in accordance with the provisions of Section 14.02(c), (b) as tenants in common and in accordance with the provisions of Section 14.02(c), undivided interests in all or any portion of such assets of the Company or (c) a combination of the foregoing. Any such Distributions in-kind shall be subject to (y) such conditions relating to the disposition and management of such assets as the Liquidators deem reasonable and equitable and (z) the terms and conditions of any agreements governing such assets (or the operation thereof or the holders thereof) at such time. Any assets of the Company distributed in kind will first be written up or down to their Fair Market Value, thus creating Profit or Loss (if any), which shall be allocated in accordance with Article V. The Liquidators shall determine the Fair Market Value of any property distributed.

Section 14.04 Cancellation of Certificate. On completion of the winding up of the Company as provided herein, the Board of Managers (or such other Person or Persons as the Delaware Act may require or permit) shall file a certificate of cancellation of the Certificate with the Secretary of State of Delaware, cancel any other filings made pursuant to this Agreement that should be canceled and take such other actions as may be necessary to terminate the existence of the Company. The Company shall continue in existence for all purposes of this Agreement until it is terminated pursuant to this Section 14.04.

Section 14.05 Reasonable Time for Winding Up. A reasonable time shall be allowed for the orderly winding up of the business and affairs of the Company and the liquidation of its assets pursuant to Section 14.02 and Section 14.03 in order to minimize any losses otherwise attendant upon such winding up.

Section 14.06 Return of Capital. The Liquidators shall not be personally liable for the return of Capital Contributions or any portion thereof to the Members (it being understood that any such return shall be made solely from assets of the Company).

ARTICLE XV GENERAL PROVISIONS

Section 15.01 Power of Attorney.

(a) Each Member hereby constitutes and appoints the Board of Managers (or the Liquidator, if applicable) with full power of substitution, as his or her true and lawful agent and attorney-in-fact, with full power and authority in his, her or its name, place and stead, to:

(i) execute, swear to, acknowledge, deliver, file and record in the appropriate public offices (A) this Agreement, all certificates and other instruments and all amendments thereof which the Board of Managers deems appropriate or necessary to form, qualify, or continue the qualification of, the Company as a limited liability company in the State of Delaware and in all other jurisdictions in which the Company may conduct business or own property; (B) all instruments which the Board of Managers deems appropriate or necessary to reflect any amendment, change, modification or restatement of this Agreement in accordance with its terms; (C) all conveyances and other instruments or documents which the Board of Managers deems appropriate or necessary to reflect the dissolution, winding up and termination of the Company pursuant to the terms of this Agreement, including a certificate of cancellation; and (D) all instruments relating to the admission, substitution or resignation of any Member pursuant to Article XII or Article XIII; and

(ii) sign, execute, swear to and acknowledge all ballots, consents, approvals, waivers, certificates and other instruments appropriate or necessary, in the reasonable judgment of the Board of Managers, to evidence, confirm or ratify any vote, consent, approval, agreement or other action which is made or given by the Members hereunder or is consistent with the terms of this Agreement, in the reasonable judgment of the Board of Managers, to effectuate the terms of this Agreement.

(b) The foregoing power of attorney is irrevocable and coupled with an interest, and shall survive the death, disability, incapacity, dissolution, bankruptcy, insolvency or termination of any Member and the transfer of all or any portion of his, her or its Units and shall extend to such Member's heirs, successors, assigns and personal representatives.

Section 15.02 Confidentiality.

(a) Each of the Members (other than the Corporation) agrees that, without limiting the applicability of any other agreement to which any Member may be subject, no Member shall directly or indirectly disclose or use (other than solely for the purpose of such Member monitoring and analyzing such Member's investment made herein) at any time, including use for commercial or proprietary advantage or profit (other than for the benefit of the Company), either during his, her or its association or employment with the Company or thereafter, any Confidential Information of which such Member is or becomes aware. Each Member in possession of Confidential Information shall take all appropriate steps to safeguard such information and to protect it against disclosure, misuse, espionage, loss and theft. "**Confidential Information**" as used herein includes all nonpublic information concerning the Company or its Subsidiaries including, but not limited to, ideas, business strategies, innovations and materials, all aspects of the Company's business plan, proposed operation and products, operating practices and methods, corporate structure, financial and organizational information, analyses, expansion plans, strategic plans, marketing plans, contracts, customer lists or other business documents which the Company treats as confidential, designs, employees and their identities, equity ownership, the methods and means by which the Company plans to conduct its business, all trade secrets, trademarks, tradenames and all intellectual property associated with the Company's business. With respect to each Member, Confidential Information does not include information or material that: (i) is rightfully in the possession of such Member at the time of disclosure by the Company; (ii) before or after it has been disclosed to such Member by the Company, becomes part of public knowledge, not as a result of any action or inaction of such Member in violation of this Agreement; or (iii) is approved for release by written authorization of the Corporate Board or the Board of Managers, or any other officer designated by the Board of Managers.

(b) Notwithstanding the foregoing, a Member may disclose Confidential Information to the extent (i) the disclosure is necessary for the Member or the Company's employees, agents, representatives and advisors to fulfill their duties to the Company pursuant to this Agreement or other written agreements or (ii) the disclosure is required by Law, court order, subpoena or legal process or to comply with the requirements of a state or federal regulatory authority.

(c) Upon expiration or other termination of a Member's interest in the Company, that Member may not take any of the Confidential Information, and that Member shall promptly return to the Company all Confidential Information in that Member's possession or control.

(d) The Company will pay operational expenses of the Corporation as may be requested from time to time by the Corporation.

Section 15.03 Amendments.

(a) Except as otherwise contemplated by this Agreement, this Agreement may be amended or modified upon the written consent of the Board of Managers and the Corporation, together with the written consent of the holders of a majority of the Units then outstanding.

(b) Notwithstanding the foregoing, no amendment or modification:

(i) to Section 6.01 may be made without the written consent of (x) the Board of Managers, (y) the Majority Members, and (z) the Corporation;

(ii) to any of the terms and conditions of this Agreement which terms and conditions expressly require the approval or action of certain Persons may be made without obtaining the consent of the requisite number or specified percentage of such Persons who are entitled to approve or take action on such matter; and

(iii) to any of the terms and conditions of this Agreement which would (i) reduce the amounts distributable to a Member pursuant to Article IV and XIV in a manner that is not *pro rata* with respect to all Members, (ii) increase the liabilities of such Member hereunder, (iii) otherwise adversely affect a holder of Units (with respect to such Units) in a manner disproportionate to any other holder of Units of the same class or series (with respect to such Units) (other than amendments, modifications and waivers necessary to implement the provisions of Article XII) or (iv) adversely affect the rights of any Member under Section 7.01 or Section 7.04 or Article X or Article XI, shall be effective against such affected Member or holder of Units, as the case may be, without the prior written consent of the holders a majority of such affected Units, as the case may be.

(c) Notwithstanding any of the foregoing, the Board of Managers may make any amendment (i) of an administrative nature that is necessary in order to implement the substantive provisions hereof, without the consent of any other Member; *provided* that, any such amendment does not adversely change the rights of the Members hereunder in any respect, (ii) to reflect any changes to the Class A Common Stock or Class B Common Stock or the issuance of any other capital stock of the Corporation, (iii) to issue Units in accordance with Section 3.02(d), (iv) to the extent reasonably necessary or advisable to avoid the Company being treated as a “publicly traded partnership” or being taxed as a corporation pursuant to Section 7704 of the Code or any successor provision thereto under the Code or (v) in accordance with Section 5.08.

Section 15.04 Title to Company Assets. Company assets shall be owned by the Company as an entity, and no Member, individually or collectively, shall have any ownership interest in such assets of the Company or any portion thereof. The Company shall hold title to all of its property in the name of the Company and not in the name of any Member. All assets of the Company shall be recorded as the property of the Company on its books and records, irrespective of the name in which legal title to such assets is held. The Company’s credit and assets shall be used solely for the benefit of the Company, and no asset of the Company shall be transferred or encumbered for, or in payment of, any individual obligation of any Member.

Section 15.05 Addresses and Notices. All notices and other communications to be given to any party hereunder shall be sufficiently given for all purposes hereunder if in writing and delivered by hand, courier or overnight delivery service, or when received in the form of an electronic transmission (receipt confirmation requested), and shall be directed to the address set forth, or at such address or to the attention of such other person as the recipient party has specified by prior written notice to the Company or the sending party.

(c) To the Members, as set forth on Schedule 2.

Section 15.06 Binding Effect; Intended Beneficiaries. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives and permitted assigns.

Section 15.07 Creditors. None of the provisions of this Agreement shall be for the benefit of or enforceable by any creditors of the Company or any of its Affiliates, and no creditor who makes a loan to the Company or any of its Affiliates may have or acquire (except pursuant to the terms of a separate agreement executed by the Company in favor of such creditor) at any time as a result of making the loan any direct or indirect interest in Profits, Losses, Distributions, capital or property of the Company other than as a secured creditor.

Section 15.08 Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

Section 15.09 Counterparts. This Agreement may be executed in separate counterparts, each of which will be an original and all of which together shall constitute one and the same agreement binding on all the parties hereto.

Section 15.10 Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. Any suit, dispute, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement shall be heard in the state or federal courts of the State of Delaware, and the parties hereby consent to the exclusive jurisdiction of such court (and of the appropriate appellate courts) in any such suit, action or proceeding and waives any objection to venue laid therein. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, PROCESS IN ANY SUCH SUIT, ACTION OR PROCEEDING MAY BE SERVED ON ANY PARTY ANYWHERE IN THE WORLD, WHETHER WITHIN OR WITHOUT THE JURISDICTION OF ANY SUCH COURT (INCLUDING BY PREPAID CERTIFIED MAIL WITH A VALIDATED PROOF OF MAILING RECEIPT) AND SHALL HAVE THE SAME LEGAL FORCE AND EFFECT AS IF SERVED UPON SUCH PARTY PERSONALLY WITHIN THE STATE OF DELAWARE. WITHOUT LIMITING THE FOREGOING, TO THE FULLEST EXTENT PERMITTED BY LAW, THE PARTIES AGREE THAT SERVICE OF PROCESS UPON SUCH PARTY AT THE ADDRESS REFERRED TO IN SECTION 15.05 (INCLUDING BY PREPAID CERTIFIED MAIL WITH A VALIDATED PROOF OF MAILING RECEIPT), TOGETHER WITH WRITTEN NOTICE OF SUCH SERVICE TO SUCH PARTY, SHALL BE DEEMED EFFECTIVE SERVICE OF PROCESS UPON SUCH PARTY.

Section 15.11 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

Section 15.12 Further Action. The parties shall execute and deliver all documents, provide all information and take or refrain from taking such actions as may be necessary or appropriate to achieve the purposes of this Agreement.

Section 15.13 Execution and Delivery by Electronic Signature and Electronic Transmission. This Agreement and any signed agreement or instrument entered into in connection with this Agreement or contemplated hereby or entered into by the Company in accordance herewith, and any amendments hereto or thereto, to the extent signed and delivered by means of an electronic signature or electronic transmission, including by a facsimile machine or via email, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of electronic signature or electronic transmission to execute or deliver a document or the fact that any signature or agreement or instrument was transmitted or communicated through such electronic transmission as a defense to the formation of a contract and each such party forever waives any such defense.

Section 15.14 Right of Offset. Whenever the Company or the Corporation is to pay any sum (other than pursuant to Article IV) to any Member, any amounts that such Member owes to the Company or the Corporation which are not the subject of a good faith dispute may be deducted from that sum before payment. For the avoidance of doubt, the distribution of Units to the Corporation shall not be subject to this Section 15.14.

Section 15.15 Entire Agreement. This Agreement, those documents expressly referred to herein, any indemnity agreements entered into in connection with the Prior LLC Agreement with any member of the board of directors at that time and other documents of even date herewith embody the complete agreement and understanding among the parties and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way. For the avoidance of doubt, the Prior LLC Agreement is superseded by this Agreement as of the Effective Date and shall be of no further force and effect thereafter.

Section 15.16 Remedies. Each Member shall have all rights and remedies set forth in this Agreement and all rights and remedies which such Person has been granted at any time under any other agreement or contract and all of the rights which such Person has under any Law. Any Person having any rights under any provision of this Agreement or any other agreements contemplated hereby shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by Law.

Section 15.17 Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The use of the word "including" in this Agreement shall be by way of example rather than by limitation. Reference to any agreement, document or instrument means such agreement, document or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and if applicable hereof. Without limiting the generality of the immediately preceding sentence, no amendment or other modification to any agreement, document or instrument that requires the consent of any Person pursuant to the terms of this Agreement or any other agreement will be given effect hereunder unless such Person has consented in writing to such amendment or modification. Wherever required by the context, references to a Fiscal Year shall refer to a portion thereof. The use of the words "or," "either" and "any" shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

Section 4.3 Common Stock.

(a) *Voting.*

(i) Except as otherwise provided in this Amended and Restated Certificate or as required by applicable law, each holder of record of Class A Common Stock, as such, shall be entitled to one vote for each share of Class A Common Stock held of record as of the applicable record date by such holder on all matters on which stockholders generally are entitled to vote.

(iii) Except as otherwise provided in this Amended and Restated Certificate (including any Preferred Stock Designation) or required by applicable law, at any annual or special meeting of the stockholders of the Corporation, holders of the Class A Common Stock and holders of the Class B Common Stock, voting together as a single class, shall have the exclusive right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders. Notwithstanding the foregoing, except as otherwise required by law or this Amended and Restated Certificate (including any Preferred Stock Designation), holders of shares of any series of Common Stock shall not be entitled to vote on any amendment to this Amended and Restated Certificate (including any amendment to any Preferred Stock Designation) that relates solely to the terms of one or more outstanding series of Preferred Stock or other series of Common Stock if the holders of such affected series of Preferred Stock or Common Stock, as applicable, are entitled exclusively, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Amended and Restated Certificate (including any Preferred Stock Designation) or the DGCL.

(b) *Dividends and Distributions.*

(i) Class A Common Stock. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock having a preference over or the right to participate with the Class A Common Stock with respect to the payment of dividends and other distributions in cash, stock of any corporation or property of the Corporation, the holders of Class A Common Stock shall be entitled to receive ratably, taken together as a single class, in proportion to the number of shares held by each such stockholder such dividends and other distributions as may from time to time be declared by the Board in its discretion out of the assets of the Corporation that are by law available therefor at such times and in such amounts as the Board in its discretion shall determine.

(ii) Class B Common Stock. Dividends and other distributions shall not be declared or paid on the Class B Common Stock.

(c) *Liquidation, Dissolution or Winding Up; Deemed Liquidation Events.* In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, or any Liquidation Event, after payment or provision for payment of the debts and other liabilities of the Corporation and of the preferential and other amounts, if any, to which the holders of Preferred Stock having a preference over the Class B Common Stock as to distributions upon dissolution, liquidation, winding up or a Deemed Liquidation Event, the holders of shares of Class B Common Stock shall be entitled to receive \$0.0001 per share, and upon receiving such amount, such holders of shares of Class B Common Stock, as such, shall not be entitled to receive any other assets or funds of the Corporation. Thereafter, the holders of all outstanding shares of Class A Common Stock shall be entitled to receive the remaining assets of the Corporation available for distribution ratably in proportion to the number of shares held by each such stockholder. For purposes of this Amended and Restated Certificate, "Deemed Liquidation Event" shall mean (i) any consolidation or merger of the Corporation with or into any other corporation or other entity or person, or any other corporate reorganization, other than any such consolidation, merger or reorganization in which the shares of capital stock of the Corporation immediately prior to such consolidation, merger or reorganization continue to represent a majority of the voting power of the surviving entity (or, if the surviving entity is a wholly owned subsidiary, its parent) immediately after such consolidation, merger or reorganization; provided, that, for the purpose of this Section 4.3(c), all stock, options, warrants, purchase rights or other securities exercisable for or convertible into Common Stock outstanding immediately prior to such merger or consolidation shall be deemed to be outstanding immediately prior to such merger or consolidation and, if applicable, converted or exchanged in such merger or consolidation on the same terms as the actual outstanding shares of capital stock are converted or exchanged; (ii) any transaction or series of related transactions to which the Corporation is a party in which shares of the Corporation are transferred such that in excess of fifty percent (50%) of the Corporation's voting power is transferred; provided, that, an acquisition shall not include any transaction or series of transactions principally for bona fide equity financing purposes in which cash is received by the Corporation or any successor or indebtedness of the Corporation is cancelled or converted or a combination thereof; or (iii) a sale, lease, exclusive license or other disposition of all or substantially all of the assets of the Corporation.

(d) *Cancellation of Class B Common Stock.* In the event that any outstanding share of Class B Common Stock shall cease to be held directly or indirectly by a holder of a Common Unit, as set forth in the books and records of AON LLC (including pursuant to an Exchange), such share shall automatically and without further action on the part of the Corporation or any holder of Class B Common Stock be transferred to the Corporation and cancelled for no consideration. The Corporation shall not issue additional shares of Class B Common Stock after the Effective Time other than in connection with the valid issuance of Common Units in accordance with the LLC Agreement, such that after such issuance of Class B Common Stock such holder of Common Units holds an identical number of Common Units and shares of Class B Common Stock.

(e) *Reservation of Stock.* The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock an amount equal to the number of then- outstanding Common Units subject to Exchange from time to time.

(f) *Splits*. If the Corporation at any time combines or subdivides (by any stock split, stock dividend, recapitalization, reorganization, merger, amendment of this Amended and Restated Certificate, scheme, arrangement or otherwise (each, a “**Split**”)) any series of Common Stock into a greater or lesser number of shares, the shares of each other series of Common Stock outstanding immediately prior to such combination or subdivision shall be proportionately similarly combined or subdivided such that the ratio of shares of Class B Common Stock to shares of outstanding Class A Common Stock immediately prior to such combination or subdivision shall be maintained immediately after such combination or subdivision; provided, that such actions with respect to the Class B Common Stock shall be subject to Sections 3.04 and 3.05 of the LLC Agreement. Any adjustment described in this Section 4.3(f) shall become effective at the close of business on the date the combination or subdivision becomes effective.

(g) *Restrictions on Transfers of Class B Common Stock*. A holder of Class B Common Stock may transfer or assign shares of Class B Common Stock (or any legal or beneficial interest in such shares) (directly or indirectly, including by operation of law) only to a Permitted Transferee (as defined in the LLC Agreement) of such holder, and only if such holder also simultaneously transfers an equal number of such holder’s Common Units to such Permitted Transferee in compliance with Article X of the LLC Agreement. Any purported transfer of shares of Class B Common Stock to any person other than a Permitted Transferee, or not accompanied by a simultaneous transfer of such holder’s Common Units to such Permitted Transferee in compliance with Article X of the LLC Agreement shall be null and void ab initio and shall not be recognized or given effect by the Corporation, the Corporation’s transfer agent or the Secretary of the Corporation.

Section 4.4 Rights and Options. The Corporation has the authority to create and issue rights, warrants and options entitling the holders thereof to acquire from the Corporation any shares of its capital stock of any class or classes, with such rights, warrants and options to be evidenced by or in instrument(s) approved by the Board. The Board is empowered to set the exercise price, duration, times for exercise and other terms and conditions of such rights, warrants or options; provided, however, that the consideration to be received for any shares of capital stock issuable upon exercise thereof may not be less than the par value thereof.

ARTICLE V BOARD OF DIRECTORS

Section 5.1 Board Powers. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. In addition to the powers and authority expressly conferred upon the Board by statute, this Amended and Restated Certificate or the Bylaws of the Corporation then in effect (the “**Bylaws**”), the Board is hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL, this Amended and Restated Certificate, and any Bylaws adopted by the stockholders of the Corporation; provided, however, that no Bylaws hereafter adopted by the stockholders of the Corporation shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

Section 5.2 Number, Election and Term.

(a) The number of directors of the Corporation shall be fixed from time to time exclusively by the Board pursuant to a resolution adopted by a majority of the Board, subject to any contractual rights of stockholders or any series of the Preferred Stock to elect directors.

(b) Subject to Section 5.5 hereof, the Board shall be divided into three classes, as nearly equal in number as possible and designated Class I, Class II and Class III. The term of the initial Class I Directors shall expire at the first annual meeting of the stockholders of the Corporation following the effectiveness of this Amended and Restated Certificate; the term of the initial Class II Directors shall expire at the second annual meeting of the stockholders of the Corporation following the effectiveness of this Amended and Restated Certificate; and the term of the initial Class III Directors shall expire at the third annual meeting of the stockholders of the Corporation following the effectiveness of this Amended and Restated Certificate. At each succeeding annual meeting of the stockholders of the Corporation, beginning with the first annual meeting of the stockholders of the Corporation following the effectiveness of this Amended and Restated Certificate, each of the successors elected to the class of directors whose term expires at that annual meeting shall be elected for a three-year term or until the election and qualification of their respective successors in office, subject to their earlier death, resignation or removal. Subject to Section 5.5 hereof, if the number of directors that constitutes the Board is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case shall a decrease in the number of directors constituting the Board shorten the term of any incumbent director. Subject to any contractual rights of stockholders, in accordance with the DGCL, or the rights of the holders of one or more series of Preferred Stock, voting separately by class or series, to elect directors pursuant to the terms of one or more series of Preferred Stock, the election of directors shall be determined by a plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon. The Board is hereby expressly authorized, by resolution or resolutions thereof, to assign members of the Board already in office to the aforesaid classes at the time this Amended and Restated Certificate (and therefore such classification) becomes effective in accordance with the DGCL.

(c) Subject to Section 5.5 hereof, a director shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

(d) Unless and except to the extent that the Bylaws shall so require, the election of directors need not be by written ballot.

Section 5.3 Newly Created Directorships and Vacancies. Subject to Section 5.5 hereof and the contractual rights of any stockholder, in accordance with the DGCL, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause may be filled solely and exclusively by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

Section 5.4 Removal. Subject to Section 5.5 hereof and the contractual rights of any stockholder, in accordance with the DGCL, any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Section 5.5 Preferred Stock — Directors. Notwithstanding any other provision of this *Article V*, and except as otherwise required by law, whenever the holders of one or more series of the Preferred Stock shall have the right, voting separately by class or series, to elect one or more directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships shall be governed by the terms of such series of the Preferred Stock as set forth in this Amended and Restated Certificate (including any Preferred Stock Designation) and such directors shall not be included in any of the classes created pursuant to this *Article V* unless expressly provided by such terms.

ARTICLE VI BYLAWS

In furtherance and not in limitation of the powers conferred upon it by law, the Board shall have the power and is expressly authorized to adopt, amend, alter or repeal the Bylaws. The affirmative vote of a majority of the Board shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; provided, however, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by law or by this Amended and Restated Certificate (including any Preferred Stock Designation), the affirmative vote of the holders of at least 66.7% of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the stockholders to adopt, amend, alter or repeal the Bylaws; and provided further, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

ARTICLE VII
MEETINGS OF STOCKHOLDERS; ACTION BY WRITTEN CONSENT

Section 7.1 Special Meetings. Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, and to the requirements of applicable law, special meetings of stockholders of the Corporation may be called only by the Chairman of the Board, the Chief Executive Officer of the Corporation, or the Board pursuant to a resolution adopted by a majority of the Board, and the ability of the stockholders of the Corporation to call a special meeting is hereby specifically denied. Except as provided in the foregoing sentence, special meetings of stockholders of the Corporation may not be called by another person or persons.

Section 7.2 Advance Notice. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws.

Section 7.3 Action by Written Consent. Except as may be otherwise provided for or fixed pursuant to this Amended and Restated Certificate (including any Preferred Stock Designation) relating to the rights of the holders of any outstanding series of Preferred Stock, any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders.

ARTICLE VIII
LIMITED LIABILITY; INDEMNIFICATION

Section 8.1 Limitation of Director Liability. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended unless they violated their duty of loyalty to the Corporation or its stockholders, acted in bad faith, knowingly or intentionally violated the law, authorized unlawful payments of dividends, unlawful stock purchases or unlawful redemptions, or derived improper personal benefit from their actions as directors. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

Section 8.2 Indemnification and Advancement of Expenses.

(a) To the fullest extent permitted by applicable law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who is or was made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a "**proceeding**") by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (an "**indemnitee**"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys' fees, judgments, fines, Employee Retirement Income Security Act ("**ERISA**") excise taxes and penalties and amounts paid in settlement) reasonably incurred by such indemnitee in connection with such proceeding. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including, without limitation, attorneys' fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) incurred by an indemnitee in defending or otherwise participating in any proceeding in advance of its final disposition; provided, however, that, solely to the extent required by applicable law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking, by or on behalf of the indemnitee, to repay all amounts so advanced if it shall ultimately be determined that the indemnitee is not entitled to be indemnified under this Section 8.2 or otherwise. The rights to indemnification and advancement of expenses conferred by this Section 8.2 shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators. Notwithstanding the foregoing provisions of this Section 8.2(a), except for proceedings to enforce rights to indemnification and advancement of expenses, the Corporation shall indemnify and advance expenses to an indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board.

(b) The rights to indemnification and advancement of expenses conferred on any indemnitee by this Section 8.2 shall not be exclusive of any other rights that any indemnitee may have or hereafter acquire under law, this Amended and Restated Certificate, the Bylaws, an agreement, vote of stockholders or disinterested directors, or otherwise.

(c) Any repeal or amendment of this Section 8.2 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Amended and Restated Certificate inconsistent with this Section 8.2, shall, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to provide broader indemnification rights on a retroactive basis than permitted prior thereto), and shall not in any way diminish or adversely affect any right or protection existing at the time of such repeal or amendment or adoption of such inconsistent provision in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to, any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

(d) This Section 8.2 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted by law, to indemnify and to advance expenses to persons other than indemnitees.

ARTICLE IX CORPORATE OPPORTUNITY

To the extent allowed by law, the doctrine of corporate opportunity, or any other analogous doctrine, shall not apply with respect to the Corporation or any of its officers or directors, or any of their respective affiliates, in circumstances where the application of any such doctrine would conflict with any fiduciary duties or contractual obligations they may have as of the date of this Amended and Restated Certificate or in the future, and the Corporation renounces any expectancy that any of the directors or officers of the Corporation will offer any such corporate opportunity of which he or she may become aware to the Corporation, except, the doctrine of corporate opportunity shall apply with respect to any of the directors or officers of the Corporation only with respect to a corporate opportunity that was offered to such person solely in his or her capacity as a director or officer of the Corporation and (i) such opportunity is one the Corporation is legally and contractually permitted to undertake and would otherwise be reasonable for the Corporation to pursue and (ii) the director or officer is permitted to refer that opportunity to the Corporation without violating any legal obligation.

ARTICLE X AMENDMENT OF AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Amended and Restated Certificate (including any Preferred Stock Designation), and other provisions authorized by the laws of the State of Delaware at the time in force that may be added or inserted, in the manner now or hereafter prescribed by this Amended and Restated Certificate and the DGCL; and, except as set forth in *Article VIII*, all rights, preferences and privileges of whatever nature herein conferred upon stockholders, directors or any other persons by and pursuant to this Amended and Restated Certificate in its present form or as hereafter amended are granted subject to the right reserved in this *Article X*; provided, however, that Section 4.3(a)(iii) of this Amended and Restated Certificate may be amended only as provided therein.

ARTICLE XI
EXCLUSIVE FORUM FOR CERTAIN LAWSUITS

Section 11.1 Forum. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or this Amended and Restated Certificate or the Bylaws, or (iv) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine, except for, as to each of (i) through (iv) above, any claim (A) as to which the Court of Chancery determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), (B) which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, or (C) for which the Court of Chancery does not have subject matter jurisdiction. This exclusive forum provision will not apply to any action brought to enforce any duty or liability created by the Exchange Act or any other claim for which the federal courts have exclusive jurisdiction. Section 27 of the Exchange Act creates exclusive federal jurisdiction over all suits brought to enforce any duty or liability created by the Exchange Act or the rules and regulations thereunder. If any action the subject matter of which is within the scope of this Section 11.1 is filed in a court other than a court located within the State of Delaware in the name of any stockholder, such stockholder shall be deemed to have consented to service of process on such stockholder's counsel. Additionally, unless the Corporation consents in writing to the selection of an alternative forum, the federal district courts shall, to the fullest extent permitted by law, be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, as amended, or the rules and regulations promulgated thereunder.

Section 11.2 Severability. If any provision or provisions of this *Article XI* shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this *Article XI* (including, without limitation, each portion of any sentence of this *Article XI* containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this *Article XI*.

IN WITNESS WHEREOF, Digital Transformation Opportunities Corp. has caused this Amended and Restated Certificate to be duly executed and acknowledged in its name and on its behalf by an authorized officer as of the date first set forth above.

Exhibit C

Form of Incentive Equity Plan

Exhibit C to Business Combination Agreement

AMERICAN ONCOLOGY NETWORK, INC.

2023 INCENTIVE EQUITY PLAN

1. Purposes of the Plan; Award Types.

(a) Purposes of the Plan. The purposes of this Plan are to attract and retain personnel for positions with the Company Group, to provide additional incentive to Employees, Directors, and Consultants (collectively, “Service Providers”), and to promote the success of the Company’s business.

(b) Award Types. The Plan permits the grant of Incentive Stock Options (“ISO”) to any ISO Employee and the grant of Nonstatutory Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, and Performance Awards to any Service Provider.

2. Definitions. The following definitions are used in this Plan:

(a) “Administrator” means Administrator as defined in Section 4(a).

(b) “Applicable Laws” means the legal and regulatory requirements relating to the administration of equity-based awards, including but not limited to the related issuance of Shares under U.S. federal and state corporate laws, U.S. federal and state securities laws, the Code, any stock exchange or quotation system on which the Common Stock is listed or quoted and, only to the extent applicable with respect to an Award or Awards, the tax, securities, exchange control, and other laws of any jurisdictions other than the United States where Awards are, or will be, granted under the Plan. Reference to a section of an Applicable Law or regulation related to that section shall include such section or regulation, any valid regulation issued under such section, and any comparable provision of any future legislation or regulation amending, supplementing or superseding such section or regulation.

(c) “Award” means, individually or collectively, a grant under the Plan of Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, or Performance Awards.

(d) “Award Agreement” means the written or electronic agreement setting forth the terms applicable to an Award granted under the Plan. The Award Agreement is subject to the terms of the Plan.

(e) “Board” means the Board of Directors of the Company.

(f) “Change in Control” means the occurrence of any of the following events:

(i) A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group (“Person”), acquires ownership of the stock of the Company that, with the stock held by such Person, constitutes more than 50% of the total voting power of the stock of the Company; provided, that for this subsection, the acquisition of additional stock by any one Person, who prior to such acquisition is considered to own more than 50% of the total voting power of the stock of the Company will not be considered a Change in Control and provided, further, that any change in the ownership of the stock of the Company as a result of a private financing of the Company that is approved by the Board also will not be considered a Change in Control. Further, if the stockholders of the Company immediately before such change in ownership continue to retain immediately after the change in ownership, in substantially the same proportions as their ownership of shares of the Company’s voting stock immediately prior to the change in ownership, direct or indirect beneficial ownership of 50% or more of the total voting power of the stock of the Company or of the ultimate parent entity of the Company, such event shall not be considered a Change in Control under this Section 2(f) (i). For this purpose, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company, as the case may be, either directly or through one or more subsidiary corporations or other business entities; or

(ii) A change in the effective control of the Company which occurs on the date a majority of members of the Board is replaced during any 12-month period by Directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the appointment or election. For purposes of this Section 2(f)(ii), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change in Control; or

(iii) A change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such Person or Persons) assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions; provided, that for this Section 2(f)(iii), the following will not constitute a change in the ownership of a substantial portion of the Company's assets:

- (1) a transfer to an entity controlled by the Company's stockholders immediately after the transfer, or
- (2) a transfer of assets by the Company to:
 - (A) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company's stock,
 - (B) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly, by the Company,
 - (C) a Person, that owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of the Company, or
 - (D) an entity, at least 50% of the total value or voting power of which is owned, directly or indirectly, by a Person described in Section 2(f)(iii)(2)(A) to Section 2(f)(iii)(2)(C).

For this definition, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. For this definition, persons will be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company. For the avoidance of doubt, wholly-owned subsidiaries of the Company shall not be considered "Persons" for purposes of this Section 2(f).

(iv) A transaction will not be a Change in Control:

- (1) unless the transaction qualifies as a change in control event within the meaning of Code Section 409A; or
- (2) if its primary purpose is to (1) change the jurisdiction of the Company's incorporation, or (2) create a holding company owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

(g) "Code" means the U.S. Internal Revenue Code of 1986, as amended. Reference to a section of the Code or regulation related to that section shall include such section or regulation, any valid regulation issued or other official applicable guidance of general or direct applicability promulgated under such section or regulation, and any comparable provision of any future legislation, regulation or official guidance of general or direct applicability amending, supplementing or superseding such section or regulation.

- (h) "Committee" means a committee of Directors or of other individuals satisfying Applicable Laws appointed by the Board.
- (i) "Common Stock" means the Class A common stock of the Company.
- (j) "Company" means American Oncology Network, Inc., a Delaware corporation, or any of its successors.

(k) “Company Group” means the Company, American Oncology Partners of Maryland, P.A. and American Oncology Partners, P.A. and any corporation, partnership, limited liability company or other entity in which any of the foregoing own, directly or indirectly, equity securities with a majority of the voting power.

(l) “Consultant” means any natural person engaged by a member of the Company Group to render bona fide services to such entity, provided the services (i) are not in connection with the offer or sale of securities in a capital raising transaction, and (ii) do not directly promote or maintain a market for the Company’s securities. A Consultant must be a person to whom the issuance of Shares registered on Form S-8 under the Securities Act is permitted.

(m) “Director” means a member of the Board.

(n) “Disability” means total and permanent disability as defined in Section 22(e)(3) of the Code, provided that in the case of Awards other than Incentive Stock Options, the Administrator in its discretion may determine whether a permanent and total disability exists in accordance with uniform and non-discriminatory standards adopted by the Administrator from time to time.

(o) “Employee” means any person, including Officers and Directors, providing services as an employee to the Company or any member of the Company Group. However, with respect to Incentive Stock Options, an Employee must be employed by the Company or any Parent or Subsidiary of the Company (such an Employee, an “ISO Employee”). Notwithstanding, Options awarded to individuals not providing services to the Company or a Subsidiary of the Company should be carefully structured to comply with the payment timing rule of Code Section 409A. Neither service as a Director nor payment of a director’s fee by the Company will constitute “employment” by the Company.

(p) “Exchange Act” means the U.S. Securities Exchange Act of 1934.

(q) “Exchange Program” means a program under which (i) outstanding Awards are surrendered or cancelled in exchange for awards of the same type (which may have higher or lower Exercise Prices and different terms), awards of a different type, and/or cash, (ii) Participants would have the opportunity to transfer any outstanding Awards to a financial institution or other person or entity selected by the Administrator, and/or (iii) the Exercise Price of an outstanding Award is increased or reduced. The Administrator will determine the terms and conditions of any Exchange Program in its sole discretion.

(r) “Exercise Price” means the price payable per share to exercise an Award.

(s) “Expiration Date” means the last possible day on which an Option or Stock Appreciation Right may be exercised. Any exercise must be completed before midnight U.S. Eastern Time between the Expiration Date and the following date; provided, however, that any broker-assisted cashless exercise of an Option granted hereunder must be completed by the close of market trading on the Expiration Date.

(t) “Fair Market Value” means, as of any date, the value of a Share, determined as follows:

(i) If the Common Stock is listed on any established stock exchange or a national market system, including without limitation the New York Stock Exchange, the NASDAQ Global Select Market, the NASDAQ Global Market or the NASDAQ Capital Market of The NASDAQ Stock Market, the Fair Market Value will be the closing sales price for a Share (or the closing bid, if no sales were reported) as quoted on such exchange or system on the day of determination, as reported by such source as the Administrator determines to be reliable. If the determination date for the Fair Market Value occurs on a non-Trading Day (i.e., a weekend or holiday), the Fair Market Value will be such price on the immediately preceding Trading Day, unless otherwise determined by the Administrator;

(ii) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, the Fair Market Value of a Share will be the mean between the high bid and low asked prices for the Common Stock on the day of determination (or, if no bids and asks were reported on that date on the last Trading Day such bids and asks were reported), as reported by such source as the Administrator determines to be reliable;

(iii) Absent an established market for the Common Stock, the Fair Market Value will be determined in good faith by the Administrator.

Notwithstanding the foregoing, if the determination date for the Fair Market Value occurs on a weekend, holiday or other day other than a Trading Day, the Fair Market Value will be the price as determined under subsections (t)(i) or (t)(ii) above on the immediately preceding Trading Day, unless otherwise determined by the Administrator. In addition, for purposes of determining the fair market value of shares for any reason other than the determination of the Exercise Price of Options or Stock Appreciation Rights, fair market value will be determined by the Administrator in a manner compliant with Applicable Laws and applied consistently for such purpose. Note that the determination of fair market value for purposes of tax withholding may be made in the Administrator's sole discretion subject to Applicable Laws and is not required to be consistent with the determination of Fair Market Value for other purposes.

(u) "Fiscal Year" means a fiscal year of the Company.

(v) "Grant Date" means Grant Date as defined in Section 4(c).

(w) "Incentive Stock Option" means an Option that is intended to qualify and does qualify as an incentive stock option within the meaning of Code Section 422.

(y) "Officer" means a person who is an officer of the Company within the meaning of Section 16 of the Exchange Act.

(z) "Option" means a right to acquire Shares granted under Section 6. (aa) "Outside Director" means a Director who is not an Employee.

(bb) "Parent" means a "parent corporation," whether now or hereafter existing, as defined in Code Section 424(e).

(cc) "Participant" means the holder of an outstanding Award.

(dd) "Performance Awards" means an Award which may be earned in whole or in part upon attainment of performance goals or other vesting criteria as the Administrator may determine and which may be cash- or stock-denominated and may be settled for cash, Shares or other securities or a combination of the foregoing under Section 10.

(ee) "Performance Period" means Performance Period as defined in Section 10(a)

(ff) "Period of Restriction" means the period during which the transfer of Shares of Restricted Stock is subject to restrictions and therefore, the Shares are subject to a substantial risk of forfeiture. Such restrictions may be based on the passage of time, the achievement of target levels of performance, or the occurrence of other events as determined by the Administrator.

(gg) "Plan" means this 2023 Incentive Equity Plan.

(hh) "Restricted Stock" means Shares issued under an Award granted under Section 8 or issued as a result of the early exercise of an Option.

(ii) "Restricted Stock Unit" means a bookkeeping entry representing an amount equal to the Fair Market Value, granted under Section 9. Each Restricted Stock Unit represents an unfunded and unsecured obligation of the Company.

(jj) "Securities Act" means U.S. Securities Act of 1933.

(kk) "Service Provider" means an Employee, Director or Consultant.

(ll) "Share" means a share of the Common Stock as adjusted in accordance with Section 13 of the Plan.

(mm) “Stock Appreciation Right” means an Award granted under Section 7.

(nn) “Subsidiary” means a “subsidiary corporation” as defined in Code Section 424(f), in relation to the Company.

(oo) “Tax Withholdings” means tax, social insurance and social security liability or premium obligations in connection with the Awards, including, without limitation, (i) all federal, state, and local income, employment and any other taxes (including the Participant’s U.S. Federal Insurance Contributions Act (FICA) obligation) that are required to be withheld by the Company or a member of the Company Group, (ii) the Participant’s and, to the extent required by the Company, the fringe benefit tax liability of the Company or a member of the Company Group, if any, associated with the grant, vesting, or exercise of an Award or sale of Shares issued under the Award, and (iii) any other taxes or social insurance or social security liabilities or premium the responsibility for which the Participant has, or has agreed to bear, with respect to such Award, the Shares subject to, or other amounts or property payable under, an Award, or otherwise associated with or related to participation in the Plan and with respect to which the Company or the applicable member of the Company Group has either agreed to withhold or has an obligation to withhold.

(pp) “Ten Percent Owner” means Ten Percent Owner as defined in Section 6(b)(i).

(qq) “Trading Day” means a day on which the primary stock exchange or national market system (or other trading platform, as applicable) on which the Common Stock trades is open for trading.

(rr) “Transaction” means Transaction as defined in Section 14(a).

3. Shares Subject to the Plan.

(a) Allocation of Shares to Plan. The maximum aggregate number of Shares that may be issued under the Plan is:

(i) 5,300,000 Shares, plus

(ii) any additional Shares that become available for issuance under the Plan under Sections 3(b) and 3(c), minus

(iii) with respect to any Retention Class B-1 Unit Awards, any such Shares (1) into which the Retention Class B-1 Unit Awards have been exchanged as part of the Company Class B-1 Unit Award Exchange Offer or (2) that have been issued or are issuable in respect of any Company Common Units into which such Retention Class B-1 Unit Awards were reclassified upon the adoption of the Amended and Restated Company LLC Agreement.

The Shares may be authorized but unissued Common Stock or Common Stock issued and then reacquired by the Company.

(b) Automatic Share Reserve Increase. The number of Shares available for issuance under the Plan will be increased on the first day of each Fiscal Year beginning with the 2023 Fiscal Year, in an amount equal to the lesser of:

(i) 5% of the total number of shares of all classes of common stock of the Company outstanding on the last day of the immediately preceding Fiscal Year, and

(ii) a lesser number of Shares determined by the Administrator, provided, however, that the maximum number of additional Shares available for issuance pursuant to this Section 3(b) shall be 30,000,000.

(c) Share Reserve Return.

(i) Options and Stock Appreciation Rights. If an Option or Stock Appreciation Right expires or becomes unexercisable without having been exercised in full or is surrendered under an Exchange Program, the unissued Shares subject to the Option or Stock Appreciation Right will become available for future issuance under the Plan.

(ii) Stock Appreciation Rights. Only Shares actually issued pursuant to a Stock Appreciation Right (i.e., the net Shares issued) will cease to be available under the Plan; all remaining Shares originally subject to the Stock Appreciation Right will remain available for future issuance under the Plan.

(iii) Full-Value Awards. Shares issued pursuant to Awards of Restricted Stock, Restricted Stock Units, or stock-settled Performance Awards that are reacquired by the Company due to failure to vest or are forfeited to the Company will become available for future issuance under the Plan.

(iv) Withheld Shares. Shares used to pay the Exercise Price of an Award or to satisfy Tax Withholdings related to an Award will become available for future issuance under the Plan.

(v) Cash-Settled Awards. If any portion of an Award under the Plan is paid to a Participant in cash rather than Shares, that cash payment will not reduce the number of Shares available for issuance under the Plan.

(d) Incentive Stock Options. The maximum number of Shares that may be issued upon the exercise of Incentive Stock Options will equal to 300% of the aggregate Share number stated in Section 3(a) plus, to the extent allowable under Code Section 422, any Shares that become available for issuance under the Plan under Sections 3(b) and 3(c).

(e) Adjustment. The numbers provided in Sections 3(a), 3(b), and 3(d) will be adjusted as a result of changes in capitalization and any other adjustments under Section 13.

(f) Substitute Awards. If the Committee grants Awards in substitution for equity compensation awards outstanding under a plan maintained by an entity acquired by or becomes a part of any member of the Company Group, the grant of those substitute Awards will not decrease the number of Shares available for issuance under the Plan.

(g) Share Reserve. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as will be sufficient to satisfy the requirements of the Plan.

4. Administration of the Plan.

(a) Procedure.

(i) The Plan will be administered by the Board or a Committee (the "Administrator"). Different Administrators may administer the Plan with respect to different groups of Service Providers. The Board may retain the authority to concurrently administer the Plan with a Committee and may revoke the delegation of some or all authority previously delegated.

(ii) To the extent permitted by Applicable Laws, the Board or a Committee may delegate to one or more subcommittees of the Board or a Committee or officers the authority to grant Awards to Employees of the Company or any of its Subsidiaries, provided that the delegation must comply with any limitations on the authority required by Applicable Laws, including the total number of Shares that may be subject to the Awards granted by such officer(s). This delegation may be revoked at any time by the Board or Committee.

(b) Powers of the Administrator. Subject to the terms of the Plan, any limitations on delegations specified by the Board, and any requirements imposed by Applicable Laws, the Administrator will have the authority, in its sole discretion, to make any determinations and perform any actions deemed necessary or advisable to administer the Plan including:

(i) to determine the Fair Market Value;

(ii) to approve forms of Award Agreements for use under the Plan;

(iii) to select the Service Providers to whom Awards may be granted and grant Awards to such Service Providers;

(iv) to determine the number of Shares to be covered by each Award granted;

(v) to determine the terms and conditions, consistent with the Plan, of any Award granted. Such terms and conditions may include, but are not limited to, the Exercise Price, the time(s) when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating to an Award;

(vi) to institute and determine the terms and conditions of an Exchange Program;

(vii) to construe interpret the Plan and make any decisions necessary to administer the Plan, including but not limited to determining whether and when a Change in Control has occurred;

(viii) to establish, amend and rescind rules and regulations and adopt sub-plans relating to the Plan, including rules, regulations and sub-plans for the purposes of facilitating compliance with applicable non-U.S. laws, easing the administration of the Plan and/or obtaining tax-favorable treatment for Awards granted to Service Providers located outside the U.S., in each case as the Administrator may deem necessary or advisable;

(ix) to interpret, modify or amend each Award (subject to Section 19), including extending the Expiration Date and the post-termination exercisability period of such modified or amended Awards;

(x) to allow Participants to satisfy tax withholding obligations in any manner permitted by Section 16;

(xi) to delegate ministerial duties to any of the Company's Employees;

(xii) to authorize any person to take any steps and execute, on behalf of the Company, any documents required for an Award previously granted by the Administrator to be effective;

(xiii) to temporarily suspend the exercisability of an Award if the Administrator deems such suspension to be necessary or appropriate for administrative purposes, provided that, unless prohibited by Applicable Laws, such suspension shall be lifted in all cases not less than 10 Trading Days before the last date that the Award may be exercised;

(xiv) to allow Participants to defer the receipt of the payment of cash or the delivery of Shares otherwise due to any such Participants under an Award; and

(xv) to make any determinations necessary or appropriate under Section 13

(c) Grant Date. The grant date of an Award ("Grant Date") will be the date that the Administrator makes the determination granting such Award or may be a later date if such later date is designated by the Administrator on the date of the determination or under an automatic grant policy. Notice of the determination will be provided to each Participant within a reasonable time after the Grant Date.

(d) Waiver. The Administrator may waive any terms, conditions or restrictions.

(e) Fractional Shares. Except as otherwise provided by the Administrator, any fractional Shares that result from the adjustment of Awards will be canceled. Any fractional Shares that result from vesting percentages will be accumulated and vested on the date that an accumulated full Share is vested.

(f) Electronic Delivery. The Company may deliver by e-mail or other electronic means (including posting on a website maintained by the Company or by a third party under contract with the Company or another member of the Company Group) all documents relating to the Plan or any Award and all other documents that the Company is required to deliver to its security holders (including prospectuses, annual reports and proxy statements).

(g) Choice of Law; Choice of Forum. The Plan, all Awards and all determinations made and actions taken under the Plan, to the extent not otherwise governed by the laws of the United States, will be governed by the laws of the State of Delaware without giving effect to principles of conflicts of law. For purposes of litigating any dispute that arises under this Plan, a Participant's acceptance of an Award is his or her consent to the jurisdiction of the State of Delaware, and agreement that any such litigation will be conducted in Delaware Court of Chancery, or the federal courts for the United States for the District of Delaware, and no other courts, regardless of where a Participant's services are performed.

(h) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards.

5. Eligibility. Nonstatutory Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units and Performance Awards may be granted to Service Providers. Incentive Stock Options may be granted only to ISO Employees.

6. Stock Options.

(a) Stock Option Award Agreement. Each Option will be evidenced by an Award Agreement that will specify the number of Shares subject to the Option, per share Exercise Price, its Expiration Date, and such other terms and conditions as the Administrator determines. Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. An Option not designated as an Incentive Stock Option is a Nonstatutory Stock Option.

(b) Exercise Price. The Exercise Price for the Shares to be issued upon exercise of an Option will be determined by the Administrator and stated in the Award Agreement, subject to the following:

(i) In the case of an Incentive Stock Option:

(1) granted to an ISO Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Parent or Subsidiary of the Company (a "Ten Percent Owner"), the Exercise Price for the Shares to be issued will be no less than 110% of the Fair Market Value per Share on the date of grant; and

(2) granted to any ISO Employee other than a Ten Percent Owner, the Exercise Price for the Shares to be issued will be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Stock Option, the Exercise Price for the Shares to be issued will be no less than 100% of the Fair Market Value per Share on the date of grant.

(iii) Notwithstanding the foregoing, Options may be granted with an Exercise Price of less than 100% of the Fair Market Value per Share on the Grant Date (i) pursuant to a transaction described in, and in a manner consistent with, Section 424(a) of the Code or (ii) to a Service Provider that is not a U.S. taxpayer.

(c) Form of Consideration. The Administrator will determine the acceptable form(s) of consideration for exercising an Option. Unless the Administrator determines otherwise, the consideration may consist of any one or more or combination of the following, to the extent permitted by Applicable Laws:

(i) cash;

(ii) check or wire transfer;

(iii) promissory note, if and to the extent approved by the Company;

(iv) other Shares that have a Fair Market Value on the date of surrender equal to the aggregate Exercise Price of the Shares as to which such Option will be exercised. To the extent not prohibited by the Administrator, this shall include the ability to tender Shares to exercise the Option and then use the Shares received on exercise to exercise the Option with respect to additional Shares;

(v) consideration received by the Company under a cashless exercise arrangement (whether through a broker or otherwise) implemented by the Company for the exercise of Options that has been approved by the Administrator, if and to the extent permitted by the Company with respect to a particular Award;

(vi) consideration received by the Company under a net exercise program under which Shares are withheld from otherwise deliverable Shares that has been approved by the Administrator, if and to the extent permitted by the Company with respect to a particular Award; and

(vii) any other consideration or method of payment to issue Shares (provided that other forms of considerations may only be approved by the Administrator).

The Administrator has the power to remove or limit any of the above forms of consideration for exercising an Option, except for the payment of cash, at any time in its sole discretion.

(d) Term of Option. The term of each Option will be determined by the Administrator and stated in the Award Agreement, provided that, in the case of an Incentive Stock Option: (a) granted to a Ten Percent Owner, the Option may not be exercisable after the expiration of 5 years from the date such Option is granted, or such shorter term as may be provided in the Award Agreement; and (b) granted to an ISO Employee other than a Ten Percent Owner, the Option may not be exercisable after the expiration of 10 years from the date such Option is granted term, or such shorter term as may be provided in the Award Agreement.

(e) Incentive Stock Option Limitations.

(i) To the extent that the aggregate fair market value of the shares with respect to which incentive stock options under Code Section 422(b) are exercisable for the first time by a Participant during any calendar year (under all plans and agreements of the Company or any Parent or Subsidiary of the Company) exceeds \$100,000, the incentive stock options whose value exceeds \$100,000 will be treated as nonstatutory stock options. Incentive stock options will be considered in the order in which they were granted. For this purpose, the fair market value of the shares subject to an option will be determined as of the grant date of each option.

(ii) If an Option is designated in the Administrator action that granted it as an Incentive Stock Option but the terms of the Option do not comply with Sections 6(b) and 6(d), then the Option will not qualify as an Incentive Stock Option.

(f) Exercise of Option. An Option is exercised when the Company receives: (i) a notice of exercise (in such form as the Administrator may specify from time to time) from the person entitled to exercise the Option and (ii) full payment for the Shares with respect to which the Option is exercised (together with applicable Tax Withholdings). Shares issued upon exercise of an Option will be issued in the name of the Participant. Until the Shares are issued (as evidenced by the entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares subject to an Option, despite the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. An Option may not be exercised for a fraction of a Share. Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan (except as provided in Section 3(c)) and for purchase under the Option, by the number of Shares as to which the Option is exercised.

(i) Termination of Relationship as a Service Provider. If a Participant ceases to be a Service Provider, other than upon such cessation as the result of the Participant's death or Disability, the Participant may exercise his or her Option within 30 days of such cessation, or such longer period of time as is specified in the Award Agreement (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement or Section 6(d), as applicable) to the extent that the Option is vested on the date of cessation. Unless otherwise provided by the Administrator or set forth in the Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if on the date of such cessation the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan immediately. If after such cessation the Participant does not exercise his or her Option within the time specified by the Administrator, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

(ii) Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within 6 months of cessation, or such longer period of time as is specified in the Award Agreement (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement or Section 6(d), as applicable) to the extent the Option is vested on the date of cessation. Unless otherwise provided by the Administrator or set forth in the Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if on the date of cessation the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan immediately. If after such cessation the Participant does not exercise his or her Option within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

(iii) Death of Participant. If a Participant dies while a Service Provider, the Option may be exercised within 6 months following the Participant's death, or within such longer period of time as is specified in the Award Agreement (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement or Section 6(d), as applicable) to the extent that the Option is vested on the date of death, by the Participant's designated beneficiary, provided the Administrator has permitted the designation of a beneficiary and provided such beneficiary has been designated prior to the Participant's death in a form (if any) acceptable to the Administrator. If the Administrator has not permitted the designation of the beneficiary or if no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. If the Option is exercised pursuant to this Section 6(f)(iii), Participant's designated beneficiary or personal representative shall be subject to the terms of this Plan and the Award Agreement, including but not limited to the restrictions on transferability and forfeitability applicable to the Service Provider. Unless otherwise provided by the Administrator or set forth in the Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if at the time of death Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan immediately. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

(g) Expiration of Options. Subject to Section 6(d), an Option's Expiration Date will be set forth in the Award Agreement. An Option may expire before its expiration date under the Plan (including pursuant to Sections 6(f), 13, 14, or 17(d)) or under the Award Agreement.

(h) Tolling of Expiration. If exercising an Option prior to its expiration is not permitted because of Applicable Laws, other than the rules of any stock exchange or quotation system on which the Common Stock is listed or quoted, the Option will remain exercisable until 30 days after the first date on which exercise no longer would be prevented by such provisions; provided, however, that this tolling of expiration shall not apply if and to the extent the holder of such Option is a United States taxpayer and the tolling would result in a violation of Section 409A such that the Option would be subject to additional taxation or interest under Section 409A. If this would result in the Option remaining exercisable past its Expiration Date, then unless earlier terminated pursuant to Section 14, the Option will remain exercisable only until the end of the later of (x) the first day on which its exercise would not be prevented by Section 20(a) and (y) its Expiration Date.

7. Stock Appreciation Rights.

(a) Stock Appreciation Right Award Agreement. Each Stock Appreciation Right grant will be evidenced by an Award Agreement that will specify the number of Shares subject to the Stock Appreciation Right, its per share Exercise Price, its Expiration Date, and such other terms and conditions as the Administrator determines.

(b) Exercise Price. The Exercise Price of a Stock Appreciation Right will be determined by the Administrator, provided that in the case of a Stock Appreciation Right granted to a U.S. taxpayer, the Exercise Price will be no less than 100% of the Fair Market Value of a Share on the date of grant.

(c) Payment of Stock Appreciation Right Amount. Payment upon Stock Appreciation Right exercise may be made in cash, in Shares (which, on the date of exercise, have an aggregate fair market value equal to the amount of payment to be made under the Award), or any combination of cash and Shares, with the determination of form of payment made by the Administrator. When a Participant exercises a Stock Appreciation Right, he or she will be entitled to receive a payment from the Company equal to:

- (i) the excess, if any, between the fair market value on the date of exercise over the Exercise Price multiplied by
- (ii) the number of Shares with respect to which the Stock Appreciation Right is exercised.

(d) Exercise of Stock Appreciation Right. A Stock Appreciation Right is exercised when the Company receives a notice of exercise (in such form as the Administrator may specify from time to time) from the person entitled to exercise the Stock Appreciation Right. Shares issued upon exercise of a Stock Appreciation Right will be issued in the name of the Participant. Until the Shares are issued (as evidenced by the entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares subject to a Stock Appreciation Right, despite the exercise of the Stock Appreciation Right. The Company will issue (or cause to be issued) such Shares promptly after the Stock Appreciation Right is exercised. A Stock Appreciation Right may not be exercised for a fraction of a Share. Exercising a Stock Appreciation Right in any manner will decrease (x) the number of Shares thereafter available under the Stock Appreciation Right by the number of Shares as to which the Stock Appreciation Right is exercised and (y) the number of Shares thereafter available under the Plan by the number of Shares issued upon such exercise.

(e) Expiration of Stock Appreciation Rights. A Stock Appreciation Right's Expiration Date will be set forth in the Award Agreement. A Stock Appreciation Right may expire before its expiration date under the Plan (including pursuant to Sections 13, 14, or 16(c)) or under the Award Agreement. Notwithstanding the foregoing, the rules of Section 6(d) relating to the maximum term and Section 6(f) relating to exercise also will apply to Stock Appreciation Rights.

(f) Tolling of Expiration. If exercising a Stock Appreciation Right prior to its expiration is not permitted because of Applicable Laws, other than the rules of any stock exchange or quotation system on which the Common Stock is listed or quoted, the Stock Appreciation Right will remain exercisable until 30 days after the first date on which exercise no longer would be prevented by such provisions; provided, however, that this tolling of expiration shall not apply if and to the extent the holder of such Stock Appreciation Right is a United States taxpayer and the tolling would result in a violation of Section 409A such that the Stock Appreciation Right would be subject to additional taxation or interest under Section 409A. If this would result in the Stock Appreciation Right remaining exercisable past its Expiration Date, then unless earlier terminated pursuant to Section 14, the Stock Appreciation Right will remain exercisable only until the end of the later of (x) the first day on which its exercise would not be prevented by Section 20(a) and (y) its Expiration Date.

8. Restricted Stock.

(a) Restricted Stock Award Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the number of Shares subject to the Award of Restricted Stock and such other terms and conditions as the Administrator determines. For the avoidance of doubt, Restricted Stock may be granted without any Period of Restriction (e.g., fully vested stock bonuses). Unless the Administrator determines otherwise, Shares of Restricted Stock will be held in escrow while unvested.

(b) Restrictions.

(i) Except as provided in this Section 8(b) or the Award Agreement, while unvested, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated.

(ii) While unvested, Service Providers holding Shares of Restricted Stock may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

(iii) Service Providers holding a Share covered by an Award of Restricted Stock will not be entitled to receive dividends and other distributions paid with respect to such Shares while such Shares are unvested, unless the Administrator provides otherwise. If the Administrator provides that dividends and distributions will be received and any such dividends or distributions are paid in cash they will be subject to the same provisions regarding forfeitability as the Shares with respect to which they were paid and if such dividend or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares with respect to which they were paid and, unless the Administrator determines otherwise, the Company will hold such dividends until the restrictions on the Shares with respect to which they were paid have lapsed.

(iv) Except as otherwise provided in this Section 8(b) or an Award Agreement, a Share covered by each Award of Restricted Stock made under the Plan will be released from escrow when practicable after the last day of the applicable Period of Restriction.

(v) The Administrator may impose (prior to grant) or remove (at any time) any restrictions on Shares covered by an Award of Restricted Stock.

9. Restricted Stock Units.

(a) Restricted Stock Unit Award Agreement. Each Award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the number of Restricted Stock Units subject to the Award of Restricted Stock Units and such other terms and conditions as the Administrator determines.

(b) Vesting Criteria and Other Terms. The Administrator will set vesting criteria, if any, that, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, divisional, business unit, or individual goals (that may include continued employment or service) or any other basis determined by the Administrator in its sole discretion.

(c) Earning Restricted Stock Units. Upon meeting any applicable vesting criteria, the Participant will have earned the Restricted Stock Units and will be paid as determined in Section 9(d). The Administrator may reduce or waive any criteria that must be met to earn the Restricted Stock Units.

(d) Form and Timing of Payment. Payment of earned Restricted Stock Units will be made at the time(s) set forth in the Award Agreement and determined by the Administrator. Unless otherwise provided in the Award Agreement, the Administrator may settle earned Restricted Stock Units in cash, Shares, or a combination of both.

10. Performance Awards.

(a) Award Agreement. Each Performance Award will be evidenced by an Award Agreement that will specify the specify any time period during which any performance objectives or other vesting provisions, if any, will be measured ("Performance Period"), and such other terms and conditions as the Administrator determines.

(b) Objectives or Vesting Provisions and Other Terms. The Administrator will set objectives or vesting provisions that, depending on the extent to which the objectives or vesting provisions are met, will determine the value of the payout for the Performance Awards. The Administrator may set vesting criteria based upon the achievement of Company-wide, divisional, business unit, or individual goals (that may include continued employment or service) or any other basis determined by the Administrator in its sole discretion.

(c) Form and Timing of Payment. Payment of earned Performance Awards will be made at the time(s) specified in the Award Agreement. Payment with respect to earned Performance Awards will be made in cash, in Shares of equivalent value, or any combination of cash and Shares, with the determination of form of payment made by the Administrator at the time of payment or, in the discretion of the Administrator, at the time of grant.

(d) Value of Performance Awards. Each Performance Award's threshold, target, and maximum payout values will be established by the Administrator on or before the Grant Date.

(e) Earning Performance Awards. After an applicable Performance Period has ended, the holder of a Performance Award will be entitled to receive a payout for the Performance Award earned by the Participant over the Performance Period. The Administrator may reduce or waive any performance objectives or other vesting provisions for such Performance Award.

11. Leaves of Absence/ Reduced or Part-time Work Schedule/Transfer Between Locations/Change of Status.

(a) Leaves of Absence/ Reduced or Part-time Work Schedule/Transfer Between Locations. Unless the Administrator provides otherwise or as otherwise required by Applicable Laws, vesting of Awards granted hereunder will be adjusted or suspended during any unpaid leave of absence in accordance with the Company's leave of absence policy in effect at the time of such leave. A Participant will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or within the Company Group. In addition, unless the Administrator provides otherwise or as otherwise required by Applicable Laws, if, after the date of grant of a Participant's Award, the Participant commences working on a part-time or reduced work schedule basis, the vesting of such Award will be adjusted in accordance with the Company's reduced work schedule/ part-time policy then in effect. Adjustments or suspensions of vesting pursuant to this Section shall be accomplished in a manner that is exempt from or complies with the requirements of Code Section 409A and the regulations and guidance thereunder.

(b) Employment Status. A Participant will not cease to be a Service Provider in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company (or member of the Company Group) or between the Company or any member of the Company Group.

(c) Incentive Stock Options. With respect to Incentive Stock Options, no such leave may exceed 3 months, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then 6 months following the first day of such leave any Incentive Stock Option held by a Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

12. Transferability of Awards. Unless determined otherwise by the Administrator, or otherwise required by Applicable Laws, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, the Award will be limited by any additional terms and conditions imposed by the Administrator. Any unauthorized transfer of an Award will be void.

13. Adjustments; Dissolution or Liquidation.

(a) Adjustments. If any extraordinary dividend or other extraordinary distribution (whether in cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, reclassification, repurchase, or exchange of Shares or other securities of the Company, other change in the corporate structure of the Company affecting the Shares, or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any of its successors) affecting the Shares occurs (including a Change in Control), the Administrator, to prevent diminution or enlargement of the benefits or potential benefits intended to be provided under the Plan, will adjust the number and class of shares that may be delivered under the Plan and/or the number, class, and price of shares covered by each outstanding Award, and the numerical Share limits in Section 3. Notwithstanding the foregoing, the conversion of any convertible securities of the Company and ordinary course repurchases of Shares or other securities of the Company will not be treated as an event that will require adjustment.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant, at such time prior to the effective date of such proposed transaction as the Administrator determines. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

14. Change in Control or Merger.

(a) Administrator Discretion. If a Change in Control or a merger of the Company with or into another entity occurs (each, a “Transaction”), each outstanding Award will be treated as the Administrator determines (subject to the provisions of this Section), without a Participant’s consent, including that such Award be continued by the successor corporation or a Parent or Subsidiary of the successor corporation (or an affiliate thereof) or that the vesting of any such Awards may accelerate automatically upon consummation of a Transaction.

(b) Identical Treatment Not Required. The Administrator need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Administrator may take different actions with respect to the vested and unvested portions of an Award. The Administrator will not be required to treat all Awards similarly in the Transaction.

(c) Continuation. An Award will be considered continued if, following the Change in Control or merger:

(i) the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Transaction, the consideration (whether stock, cash, or other securities or property) received in the Transaction by holders of Shares for each Share held on the Closing Date (and if holders were offered a choice of consideration, the type of consideration received by the holders of a majority of the outstanding Shares) and the Award otherwise is continued in accordance with its terms (including vesting criteria), subject to Section 14(c)(iii) below and Section 13(a); provided that if the consideration received in the Transaction is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon exercising an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, or Performance Award, for each Share subject to such Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Transaction; or

(ii) the Award is terminated in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant’s rights as of the date of the occurrence of the Transaction. Any such cash or property may be subjected to any escrow applicable to holders of Common Stock in the Change in Control. If as of the date of the occurrence of the Transaction the Administrator determines that no amount would have been attained upon the exercise of such Award or realization of the Participant’s rights, then such Award may be terminated by the Company without payment. The amount of cash or property can be subjected to vesting and paid to the Participant over the original vesting schedule of the Award.

(iii) Notwithstanding anything in this Section 14(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant’s consent, in all cases, unless specifically provided otherwise under the applicable Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable; provided, however, a modification to such performance goals only to reflect the successor corporation’s post- Transaction corporate structure will not invalidate an otherwise valid Award assumption.

(d) Modification. The Administrator will have authority to modify Awards in connection with a Change in Control or merger:

(i) in a manner that causes the Awards to lose their tax-preferred status,

(ii) to terminate any right a Participant has to exercise an Option prior to vesting in the Shares subject to the Option (i.e., “early exercise”), so that following the closing of the Transaction the Option may only be exercised only to the extent it is vested;

(iii) to reduce the Exercise Price subject to the Award in a manner that is disproportionate to the increase in the number of Shares subject to the Award, as long as the amount that would be received upon exercise of the Award immediately before and immediately following the closing of the Transaction is equivalent and the adjustment complies with U.S. Treasury Regulation Section 1.409A-1(b)(v)(D); and

(iv) to suspend a Participant’s right to exercise an Option during a limited period of time preceding and or following the closing of the Transaction without Participant consent if such suspension is administratively necessary or advisable to permit the closing of the Transaction.

(e) Non-Continuation. If the successor corporation does not continue an Award (or some portion such Award), the Administrator may provide that the Participant will fully vest in (and have the right to exercise) 100% of the then-unvested Shares subject to his or her outstanding Options and Stock Appreciation Rights, all restrictions on 100% of the Participant’s outstanding Restricted Stock and Restricted Stock Units will lapse, and, regarding 100% of Participant’s outstanding Awards with performance-based vesting, all performance goals or other vesting criteria will be treated as achieved at 100% of target levels and all other terms and conditions met, in all cases. In no event will vesting of an Award accelerate as to more than 100% of the Award. Unless specifically provided otherwise under the applicable Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if Options or Stock Appreciation Rights are not continued when a Change in Control or a merger of the Company with or into another corporation or other entity occurs, the Administrator will notify the Participant in writing or electronically that the Participant’s vested Options or Stock Appreciation Rights (after considering the foregoing vesting acceleration, if any) will be exercisable for a period of time determined by the Administrator in its sole discretion and all of the Participant’s Options or Stock Appreciation Rights will terminate upon the expiration of such period (whether vested or unvested).

15. Outside Director Grants.

(a) With respect to Awards granted to an Outside Director, in the event of a Change in Control, the Participant will fully vest in and have the right to exercise outstanding Options and/or Stock Appreciation Rights as to all of the Shares underlying such Award, including those Shares which otherwise would not be vested or exercisable, all restrictions on other outstanding Awards will lapse, and, with respect to Awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at 100% of target levels and all other terms and conditions met, unless specifically provided otherwise under the applicable Award Agreement, a Company policy related to Director compensation, or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, that specifically references this default rule.

(b) No Outside Director may be paid, issued or granted, in any Fiscal Year, cash retainer fees and equity awards (including any Awards issued under this Plan) with an aggregate value greater than \$750,000, increased to \$1,500,000 in connection with his or her initial service (with the value of each equity award based on its grant date fair value (determined in accordance with U.S. generally accepted accounting principles)). Any cash compensation paid or Awards granted to an individual for his or her services as an Employee, or for his or her services as a Consultant (other than as an Outside Director), will not count for purposes of the limitation under this Section 15(b).

16. Tax Matters.

(a) Withholding Requirements. Prior to the delivery of any Shares or cash under an Award (or exercise thereof) or such earlier time as any Tax Withholding are due, the Company may deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy any Tax Withholding with respect to such Award or Shares subject to an Award (including upon exercise of an Award).

(b) Withholding Arrangements. The Administrator, in its sole discretion and under such procedures as it may specify from time to time, may elect to satisfy such Tax Withholding, in whole or in part (including in combination) by (without limitation) (i) requiring the Participant to pay cash, check or other cash equivalents, (ii) withholding otherwise deliverable cash (including cash from the sale of Shares issued to the Participant) or Shares having a fair market value equal to the amount required to be withheld or such greater amount (including up to a maximum statutory amount) as the Administrator may determine or permit if such amount does not result in unfavorable financial accounting treatment, as the Administrator determines in its sole discretion, (iii) forcing the sale of Shares issued pursuant to an Award (or exercise thereof) having a fair market value equal to the minimum statutory amount applicable in a Participant's jurisdiction or any greater amount as the Administrator may determine or permit if such greater amount would not result in unfavorable financial accounting treatment, as the Administrator determines in its sole discretion, (iv) requiring the Participant to deliver to the Company already-owned Shares having a fair market value equal to the minimum statutory amount required to be withheld or any greater amount as the Administrator may determine or permit if such greater amount would not result in unfavorable financial accounting treatment, as the Administrator determines in its sole discretion, (v) requiring the Participant to engage in a cashless exercise transaction (whether through a broker or otherwise) implemented by the Company in connection with the Plan, (vi) having the Company or a Parent or Subsidiary withhold from wages or any other cash amount due or to become due to the Participant and payable by the Company or any Parent or Subsidiary, or (vii) such other consideration and method of payment for the meeting of Tax Withholding as the Administrator may determine to the extent permitted by Applicable Laws, provided that, in all instances, the satisfaction of the Tax Withholding will not result in any adverse accounting consequence to the Company, as the Administrator may determine in its sole discretion. The fair market value of the Shares to be withheld or delivered will be determined as of the date the amount of tax to be withheld is calculated or such other date as Administrator determines is applicable or appropriate with respect to the Tax Withholding calculation.

(c) Compliance With Code Section 409A. Unless the Administrator determines that compliance with Code Section 409A is not necessary, it is intended that Awards will be designed and operated so that they are either exempt or excepted from the application of Code Section 409A or comply with any requirements necessary to avoid the imposition of additional tax under Code Section 409A(a)(1)(B) so that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Code Section 409A and the Plan and each Award Agreement will be interpreted consistent with this intent. This Section 16(c) is not a guarantee to any Participant of the consequences of his or her Awards. In no event will the Company have any responsibility, liability or obligation to reimburse, indemnify or hold harmless Participant for any taxes that may be imposed or other costs that may be incurred, as a result of Section 409A.

17. Other Terms.

(a) No Effect on Employment or Service. Neither the Plan nor any Award will confer upon a Participant any right regarding continuing the Participant's relationship as a Service Provider with the Company or member of the Company Group, nor will they interfere with the Participant's right, or the Participant's employer's right, to terminate such relationship at any time free from any liability or claim under the Plan.

(b) Interpretation and Rules of Construction. The words "include," "includes" and "including" when used herein shall be deemed in each case to be followed by the words "without limitation."

(c) Plan Governs. In the event of a conflict between the terms and conditions of the Plan and the terms and conditions of any Grant Agreement, the terms and conditions of the Plan will prevail.

(d) Forfeiture Events.

(i) All Awards granted under the Plan will be subject to recoupment under any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other Applicable Laws. In addition, the Administrator may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Administrator determines necessary or appropriate, including without limitation to any reacquisition right regarding previously acquired Shares or other cash or property. Unless this Section 17(d)(i) is specifically mentioned and waived in an Award Agreement or other document, no recovery of compensation under a clawback policy or otherwise will be an event that triggers or contributes to any right of a Participant to resign for "good reason" or "constructive termination" (or similar term) under any agreement with the Company or a member of the Company Group.

(ii) The Administrator may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award will be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but will not be limited to, termination of such Participant's status as Service Provider for cause or any specified action or inaction by a Participant that would constitute cause for termination of such Participant's status as a Service Provider.

18. Term of Plan. Subject to Section 21, the Plan will become effective upon the later to occur of (a) its adoption by the Board, (b) approval by the Company's stockholders, or (c) the Closing Date. The Plan will continue in effect until terminated under Section 19, but (i) no Incentive Stock Options may be granted after 10 years from the earlier of the Board or stockholder approval of the Plan and (ii) Section 3(b) relating to automatic share reserve increase will operate only until the tenth anniversary of the earlier of the Board or stockholder approval of the Plan.

19. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Administrator, in its sole discretion, may amend, alter, suspend or terminate the Plan or any part thereof, at any time and for any reason.

(b) Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary or desirable to comply with Applicable Laws.

(c) Consent of Participants Generally Required. Subject to Section 19(d) below, no amendment, alteration, suspension or termination of the Plan or an Award under it will materially impair the rights of any Participant without a signed, written agreement authorized by the Administrator between the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it regarding Awards granted under the Plan prior to such termination.

(d) Exceptions to Consent Requirement.

(i) A Participant's rights will not be deemed to have been materially impaired by any amendment, alteration, suspension or termination if the Administrator, in its sole discretion, determines that the amendment, alteration, suspension or termination taken as a whole, does not materially impair the Participant's rights; and

(ii) Subject to any limitations of Applicable Laws, the Administrator may amend the terms of any one or more Awards without the affected Participant's consent even if it does materially impair the Participant's right if such amendment is done

(ii) in a manner specified by the Plan,

(iii) to maintain the qualified status of the Award as an Incentive Stock Option under Code Section 422,

(iv) to change the terms of an Incentive Stock Option, if such change results in impairment of the Award only because it impairs the qualified status of the Award as an Incentive Stock Option under Code Section 422,

(v) to clarify the manner of exemption from Code Section 409A or compliance with any requirements necessary to avoid the imposition of additional tax or interest under Code Section 409A(a)(1)(B), or

(vi) to comply with other Applicable Laws.

20. Conditions Upon Issuance of Shares.

(a) Legal Compliance. The Company will make good faith efforts to comply with all Applicable Laws related to the issuance of Shares. Shares will not be issued pursuant to an Award, including without limitation upon exercise or vesting thereof, as applicable, unless the issuance and delivery of such Shares and exercise or vesting of the Award, as applicable, will comply with Applicable Laws. If required by the Administrator, issuance will be further subject to the approval of counsel for the Company with respect to such compliance. If the Company determines it to be impossible or impractical to obtain authority from any regulatory body having jurisdiction or to complete or comply with the requirements of any Applicable Laws, registration or other qualification of the Shares under any state, federal or foreign law or under the rules and regulations of the U.S. Securities and Exchange Commission, the stock exchange on which Shares of the same class are then listed, or any other governmental or regulatory body, which authority, registration, qualification or rule compliance is deemed by the Company's counsel to be necessary or advisable for the issuance and sale of any Shares hereunder, the Company will be relieved of any liability regarding the failure to issue or sell such Shares as to which such authority, registration, qualification or rule compliance was not obtained and the Administrator reserves the authority, without the consent of a Participant, to terminate or cancel Awards with or without consideration in such a situation.

(b) Investment Representations. As a condition to the exercise or vesting of an Award, the Company may require the person exercising such Award to represent and warrant during any such exercise or vesting that the Shares are being purchased only for investment and with no present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

(c) Failure to Accept Award. Such Shelf shall provide for the resale of the Registrable Securities included therein pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein. Subject to Sections 2.1.3 and 3.4 hereof, the Company shall maintain a Shelf in accordance with the terms hereof, and shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements as may be necessary to keep a Shelf continuously effective, available for use to permit the Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. In the event that the Company files a Form S-1 Shelf pursuant to this Section 2.1.1, the Company shall use commercially reasonable efforts to convert the Form S-1 Shelf to a Form S-3 as soon as practicable after the Company is eligible to use Form S-3.

2.1.2 Issuer Shelf Registration. The Company shall, subject to Section 3.4 hereof, submit or file within 90 days of the Closing Date, and use commercially reasonable efforts to cause to be declared effective as soon as reasonably practicable thereafter, a Registration Statement on an appropriate form covering issuance and resale of the Additional Registrable Securities on a delayed or continuous basis (an “**Issuer Shelf Registration Statement**”). Such Shelf shall provide for the registered resale of all the Additional Registrable Securities by their Holders from time to time in accordance with the methods of distribution elected by the Holders and set forth therein. Subject to Sections 2.1.3 and 3.4 hereof, the Company shall maintain an Issuer Shelf Registration Statement in accordance with the terms hereof, and shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements as may be necessary to keep an Issuer Shelf Registration Statement continuously effective, available for use to permit the Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Additional Registrable Securities.

2.1.3 Subsequent Shelf Registration. If any Shelf ceases to be effective under the Securities Act for any reason at any time while Registrable Securities are still outstanding, the Company shall, subject to Section 3.4 hereof, use its commercially reasonable efforts to, as promptly as is reasonably practicable, cause such Shelf to again become effective under the Securities Act (including using its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness of such Shelf), and shall use its commercially reasonable efforts to, as promptly as is reasonably practicable, amend such Shelf in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf or file an additional registration statement as a Shelf Registration (a “**Subsequent Shelf Registration**”) registering the resale of all Registrable Securities under such Shelf (determined as of two business days prior to such filing), and pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein. If a Subsequent Shelf Registration is filed, the Company shall use its commercially reasonable efforts to (i) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that the Subsequent Shelf Registration shall be an automatic shelf registration statement (as defined in Rule 405 promulgated under the Securities Act) if the Company is a well-known seasoned issuer (as defined in Rule 405 promulgated under the Securities Act) at the most recent applicable eligibility determination date) and (ii) keep such Subsequent Shelf Registration continuously effective, available for use to permit the Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities.

Subject to Section 3.4 hereof, in the event that any Holder or Holders, collectively, hold Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon request of any Holder or the Sponsor, shall promptly use its commercially reasonable efforts to cause the resale of such Registrable Securities to be covered by either, at the Company's option, any then-available Shelf (including by means of a post-effective amendment) or a Subsequent Shelf Registration and cause the same to become effective as soon as practicable after such filing and such Shelf or Subsequent Shelf Registration shall be subject to the terms hereof; *provided, however*, that, other than Registrable Securities held by AEA, (i) the Company shall only be required to cause such Registrable Securities to be so covered if the total offering price thereof is reasonably expected to exceed, in the aggregate, \$25 million and (ii) the Company shall only be required to cause such Registrable Securities to be so covered once per calendar year.

2.1.5 Requests for Underwritten Shelf Takedowns. Following the expiration of the applicable Lock-Up Period, at any time and from time to time when an effective Shelf is on file with the Commission, any Holder or the Sponsor (any of the Holders or the Sponsor, a "**Takedown Demanding Holder**") may request to sell all or any portion of its Registrable Securities in an Underwritten Offering or other coordinated offering that is registered pursuant to the Shelf (each, an "**Underwritten Shelf Takedown**"); provided that, except for any Underwritten Shelf Takedown requested by AEA as a Takedown Demanding Holder (the "**AEA Initiating Holder**"), the Company shall only be obligated to effect an Underwritten Shelf Takedown if such offering shall include Registrable Securities proposed to be sold by the Takedown Demanding Holder, either individually or together with other Takedown Demanding Holders, with a total offering price reasonably expected to exceed, in the aggregate, \$25 million (the "**Minimum Takedown Threshold**"). All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company, which shall specify the approximate number of Registrable Securities proposed to be sold in the Underwritten Shelf Takedown. The Company shall have the right to select the Underwriters for such offering (which shall consist of one or more reputable nationally recognized investment banks), subject to the initial Takedown Demanding Holder's prior approval (which shall not be unreasonably withheld, conditioned or delayed). Underwritten Shelf Takedowns effected pursuant to this Section 2.1.5 shall be counted as Demand Registrations (including Underwritten Demand Registrations) effected pursuant to Section 2.2.

2.2 Demand Registration.

2.2.1 Request for Registration. At any time and from time to time, subject to compliance by the Holders with Section 3.4, and provided that there is not an effective Shelf Registration Statement available for the resale of the Registrable Securities pursuant to Section 2.1, any Holder or the Sponsor (any of the Holders or the Sponsor, a "**Demanding Holder**") may make a written demand for Registration under the Securities Act of all or any portion of their Registrable Securities on Form S-1 or any similar long-form Registration or, if then available, on Form S-3. Each registration requested pursuant to this Section 2.2 is referred to herein as a "**Demand Registration**." Any demand for a Demand Registration shall specify the number of shares of Registrable Securities proposed to be sold and the intended method(s) of distribution thereof. The Company will notify the Sponsor and all Holders of the demand, and each such holder of Registrable Securities who wishes to include all or a portion of such holder's Registrable Securities in the Demand Registration (each such holder including shares of Registrable Securities in such registration, a "**Demanding Holder**") shall so notify the Company within twenty (20) calendar days after the receipt by the holder of the notice from the Company. Upon any such request, the Demanding Holders shall be entitled to have their Registrable Securities included in the Demand Registration, subject to Section 2.2.4 and the provisos set forth in Section 3.1.1. Notwithstanding anything to the contrary in this Agreement, the Company may effect any Underwritten Offering pursuant to any then-effective Registration Statement, including a Form S-3, that is then available for such offering.

2.2.2 Effective Registration. A Registration will not count as a Demand Registration until the Registration Statement filed with the Commission with respect to such Demand Registration has been declared effective and the Company has complied with all of its obligations under this Agreement with respect thereto; provided, however, that if, after such Registration Statement has been declared effective, the offering of Registrable Securities pursuant to a Demand Registration is interfered with by any stop order or injunction of the Commission or any other governmental agency or court, the Registration Statement with respect to such Demand Registration will be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated, and (ii) a majority-in-interest of the Demanding Holders (or AEA, in the event that AEA is the Demanding Holder for a Demand Registration) thereafter elect to continue the offering; provided, further, that the Company shall not be obligated to file a second Registration Statement until a Registration Statement that has been filed is counted as a Demand Registration or is terminated.

2.2.3 Underwritten Demand Registration. If the Demanding Holders so elect and such holders so advise the Company as part of their written demand for a Demand Registration, the offering of such Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Demand Registration. In such event, the right of any Holder to include its Registrable Securities in such registration shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such holder's Registrable Securities in the underwriting to the extent provided herein. All Demanding Holders proposing to distribute their Registrable Securities through such underwriting shall enter into an underwriting agreement in customary form with the Underwriter or Underwriters selected for such underwriting by the holders initiating the Demand Registration, and subject to the approval of the Company.

2.2.4 Reduction of Underwritten Offering. If the managing Underwriter or Underwriters for an Underwritten Offering advises the Company, the Takedown Demanding Holders, the Demanding Holders and the Holders requesting registration pursuant to Section 2.3 of this Agreement with respect to such Underwritten Offering (the "**Requesting Holders**") in writing that the dollar amount or number of shares of Registrable Securities which the Takedown Demanding Holders or Demanding Holders, as applicable, and the Requesting Holders desire to sell, taken together with all other shares of Common Stock or other securities which the Company desires to sell and the shares of Common Stock, if any, that have been requested to be sold in such Underwritten Offering pursuant to written contractual Piggy-Back Registration rights held by other stockholders of the Company who desire to sell, exceeds the maximum dollar amount or maximum number of shares that can be sold in such Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of shares, as applicable, the "**Maximum Number of Shares**"), then (1) in the case of an Underwritten Offering requested by an initial Takedown Demanding Holder or Demanding Holder, as applicable, other than AEA, the Company shall include in such Underwritten Offering (i) first, the Registrable Securities of the Takedown Demanding Holders or Demanding Holders, as applicable, and Requesting Holders (pro rata in accordance with the number of Registrable Securities that each such Person has requested be included in such Underwritten Offering, regardless of the number of shares held by each such Person (such proportion is referred to herein as "**Pro Rata**")) that can be sold without exceeding the Maximum Number of Shares, and (ii) second, the shares of Common Stock or other securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Shares, and (2) in the case of an Underwritten Offering requested by the AEA Initiating Holder, the Company shall include in such Underwritten Offering (i) first, the Registrable Securities of the AEA Initiating Holder that can be sold without exceeding the Maximum Number of Shares, (ii) second, the Registrable Securities of any other Holders Pro Rata that can be sold without exceeding the Maximum Number of Shares, and (iii) third, the shares of Common Stock or other securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Shares.

2.2.5 Withdrawal. Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used for marketing such Underwritten Offering, a majority-in-interest of the Takedown Demanding Holders or Demanding Holders, as applicable, initiating an Underwritten Offering (or, in the case of an Underwritten Offering requested by the AEA Initiating Holder, AEA) may elect to withdraw from such Underwritten Offering for any or no reason whatsoever by giving written notice (a “**Withdrawal Notice**”) to the Company and the Underwriter or Underwriters (if any) of their request to withdraw from such Underwritten Offering; provided that any other Takedown Demanding Holder(s) or Demanding Holder(s), as applicable, may elect to have the Company continue an Underwritten Shelf Takedown if the Minimum Takedown Threshold would still be satisfied by the Registrable Securities proposed to be sold in the Underwritten Shelf Takedown by the Takedown Demanding Holder(s) or Demanding Holder(s), as applicable. If withdrawn, a demand for an Underwritten Offering shall not constitute a demand for an Underwritten Offering by the withdrawing Takedown Demanding Holder or Demanding Holder, as applicable, for purposes of Section 2.1.5 hereof and shall not count toward the Yearly Limit and the Total Limit; provided that, if any other Takedown Demanding Holder(s) or Demanding Holder(s), as applicable, elects to continue an Underwritten Offering pursuant to the proviso in the immediately preceding sentence, such Underwritten Offering shall instead count as an Underwritten Offering demanded by the Takedown Demanding Holders or Demanding Holders, as applicable, for purposes of Section 2.1.5 hereof and shall count toward the Yearly Limit and the Total Limit (except that for any Underwritten Offering in which AEA represents a majority-in-interest of the Takedown Demanding Holders or Demanding Holders, as applicable, and elects to withdraw pursuant to this Section 2.1.7, if such Underwritten Offering continues at the election of any other Takedown Demanding Holder(s) or Demanding Holder(s), as applicable, such Underwritten Shelf Takedown shall not count toward the Yearly Limit and the Total Limit with respect to AEA). Following the receipt of any Withdrawal Notice, the Company shall promptly forward such Withdrawal Notice to any other Requesting Holders. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Shelf Takedown prior to its withdrawal under this Section 2.2.5.

2.3 Piggy-Back Registration.

2.3.1 Piggy-Back Rights. If the Company or any Holder proposed to consummate a registered offering of, or if the Company proposes to file a Registration Statement under the Securities Act with respect to the Registration of, equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into, equity securities, for its own account or for stockholders of the Company for their account (or by the Company and by stockholders of the Company including, without limitation, an Underwritten Offering pursuant to Section 2.1 or Section 2.2), other than a Registration Statement (or any registered offering with respect thereto) (i) filed in connection with any employee stock option or other benefit plan, (ii) for an exchange offer or offering of securities solely to the Company’s existing stockholders, (iii) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), (iv) for an offering of debt that is convertible into equity securities of the Company or (v) for a dividend reinvestment plan, then the Company shall (x) give written notice of such proposed offering to the Sponsor and Holders as soon as practicable but in no event less than ten (10) days before the anticipated filing date of such Registration Statement or, in the case of an Underwritten Offering pursuant to a Shelf Registration, the applicable “red herring” prospectus or prospectus supplement used for marketing such offering, which notice shall describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, of the offering, and (y) offer to the Sponsor and Holders in such notice the opportunity to include in such registered offering such number of shares of Registrable Securities as such Persons may request in writing within five (5) days following receipt of such notice (a “**Piggy-Back Registration**”). Subject to Section 2.3.2 hereof, the Company shall cause such Registrable Securities to be included in such Piggy-Back Registration and, if applicable, shall use its commercially reasonable efforts to cause the managing Underwriter or Underwriters of such Piggy-Back Registration to permit the Registrable Securities requested by the Sponsor or Holder pursuant to this Section 2.3.1 to be included therein on the same terms and conditions as any similar securities of the Company included in such registered offering and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. The inclusion of the Sponsor’s or any Holder’s Registrable Securities in a Piggy-Back Registration shall be subject to such Person’s agreement to enter into an underwriting agreement and “lock-up” agreement, in each case, in customary form with the Underwriter or Underwriters selected for such Underwritten Offering.

2.3.2 Reduction of Piggy-Back Registration. If the managing Underwriter or Underwriters for a Piggy-Back Registration that is to be an Underwritten Offering advises the Company and the Sponsor and Holders participating in the Piggy-Back Registration in writing that the dollar amount or number of shares of Common Stock or other equity securities that the Company or the Sponsor or Holders desires to sell, taken together with shares of Common Stock or other equity securities, if any, as to which Registration or registered offering has been demanded pursuant to separate written contractual arrangements with persons or entities other than the holders of Registrable Securities hereunder, the Registrable Securities as to which Registration has been requested under this Section 2.3, and the shares of Class A Common Stock or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to the written contractual piggy-back registration rights of other stockholders of the Company, exceeds the Maximum Number of Shares, then:

(a) If the Registration or registered offering is undertaken for the Company's account, the Company shall include in any such Registration or registered offering: (A) first, the shares of Common Stock or other securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Shares; (B) second, to the extent that the Maximum Number of Shares has not been reached under the foregoing clause (A), the Registrable Securities of the Sponsor and Holders exercising their rights to register their Registrable Securities pursuant to Section 2.3.1 hereof, pro rata, based on the respective number can be sold without exceeding the Maximum Number of Shares; and (C) third, to the extent that the Maximum Number of Shares has not been reached under the foregoing clauses (A) and (B), the shares of Common Stock or other securities, if any, as to which Registration or a registered offering has been requested pursuant to written contractual Piggy-Back Registration rights with such persons and that can be sold without exceeding the Maximum Number of Shares;

(b) If the Registration or registered offering is a "demand" registration undertaken at the demand of persons other than either the Sponsor and Holders, then the Company shall include in any such Registration or registered offering: (A) first, the shares of Common Stock or other securities for the account of the demanding persons that can be sold without exceeding the Maximum Number of Shares; (B) second, to the extent that the Maximum Number of Shares has not been reached under the foregoing clause (A), the shares of Common Stock or other securities comprised of Registrable Securities, Pro Rata, as to which registration has been requested pursuant to the terms hereof, that can be sold without exceeding the Maximum Number of Shares; (C) third, to the extent that the Maximum Number of Shares has not been reached under the foregoing clauses (A) and (B), collectively, the shares of Common Stock or other securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Shares; and (D) fourth, to the extent that the Maximum Number of Shares has not been reached under the foregoing clauses (A), (B) and (C), the shares of Common Stock or other securities for the account of other persons that the Company is obligated to register pursuant to written contractual arrangements with such persons, that can be sold without exceeding the Maximum Number of Shares; and

(c) If the Registration or registered offering is pursuant to a request by the Sponsor or Holder(s) pursuant to Section 2.1 hereof, then the Company shall include in any such Registration or registered offering securities in the priority set forth in Section 2.2.4 hereof.

2.3.3 Withdrawal. Any holder of Registrable Securities (other than a Takedown Demanding Holder or Demanding Holder, as applicable, whose right to withdraw from an Underwritten Offering, and related obligations, shall be governed by Section 2.2.5 hereof) may elect to withdraw such holder's request for inclusion of Registrable Securities in any Piggy-Back Registration by giving written notice to the Company of such request to withdraw prior to the effectiveness of the Registration Statement with respect to such Piggy-Back Registration or, in the case of a Piggy-Back Registration pursuant to a Shelf Registration, the filing of the applicable "red herring" prospectus or prospectus supplement with respect to such Piggy-Back Registration used for marketing such transaction. The Company (whether on its own determination or as the result of a withdrawal by persons or entities making a demand pursuant to written contractual obligations) may withdraw a Registration Statement at any time prior to the effectiveness of such Registration Statement. Notwithstanding any such withdrawal, the Company shall pay all expenses incurred by the holders of Registrable Securities in connection with such Piggy- Back Registration as provided in Section 3.3.

2.3.4 Unlimited Piggy-Back Registration Rights. For the avoidance of doubt, any Piggy-Back Registration effected pursuant to Section 2.3 hereof shall not be counted as a demand for an Underwritten Offering under Section 2.1 or Section 2.2 hereof and shall not count toward the Yearly Limit or the Total Limit. The holders of Registrable Securities may participate in an unlimited number of Piggy- Back Registrations.

2.4 Market Stand-off. In connection with any Underwritten Offering of equity securities of the Company or any Company-initiated Registration for the account of the Company (subject to the Company's compliance with Section 2.3 hereof), each Holder that is an executive officer, director or Holder in excess of 1.0% of the then-outstanding Class A Common Stock agrees that it shall not Transfer any shares of Class A Common Stock or other equity securities of the Company (other than those included in such offering pursuant to this Agreement), without the prior written consent of the Company, during the 90-day period (or such shorter time agreed to by the managing Underwriters) beginning on the date of pricing of such offering (the "**Underwritten Lock-Up Period**"), except as expressly permitted by such lock-up agreement or in the event the Underwriters managing the offering otherwise consent in writing. Each Holder agrees to execute a customary lock-up agreement in favor of the Underwriters to such effect (in each case on substantially the same terms and conditions as the Company's directors and executive officers or the other stockholders of the Company). Any discretionary waiver or termination of the restrictions of any or all of such agreements by the Company or the underwriters shall apply pro rata to all Holders that are subject to such agreements, based on the number of shares subject to such agreements. The Company will not be obligated to undertake an Underwritten Offering during any Underwritten Lock-Up Period binding on the Holders, nor will the Company be obligated to include in any Piggy-Back Registration any Registrable Securities that are then subject to a "lock-up" agreement.

3. REGISTRATION PROCEDURES.

3.1 Filings; Information. In connection with any Shelf and/or Shelf Takedown, the Company shall use its commercially reasonable efforts to effect the Registration and permit the sale of such Registrable Securities in accordance with the intended method(s) of distribution thereof as expeditiously as practicable, and in connection with any such request:

3.1.1 Filing Registration Statement. The Company shall use its commercially reasonable efforts to, as expeditiously as reasonably practicable, prepare and file with the Commission a Registration Statement on any form for which the Company then qualifies or which counsel for the Company shall deem appropriate and which form shall be available for the sale of all Registrable Securities to be registered thereunder in accordance with the intended method(s) of distribution thereof, and shall use its commercially reasonable efforts to cause such Registration Statement to become effective and use its commercially reasonable efforts to keep it effective until all Registrable Securities have ceased to be Registrable Securities.

3.1.2 Copies. The Company shall, prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Sponsor and Holders of Registrable Securities included in such Registration, and the Sponsor's and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary prospectus), and such other documents as the Underwriters, if any, and the Sponsor and Holders of Registrable Securities included in such Registration or legal counsel for the Sponsor and any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by the Sponsor and such Holders.

3.1.3 Amendments and Supplements. The Company shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such Registration Statement and the Prospectus used in connection therewith, as may be reasonably requested by any Holder of Registrable Securities that holds at least 5% percent of the Registrable Securities registered on such Registration Statement or any Underwriter of Registrable Securities or as may be necessary to keep such Registration Statement effective and in compliance with the provisions of the Securities Act until all Registrable Securities and other securities covered by such Registration Statement have been disposed of in accordance with the intended method(s) of distribution set forth in such Registration Statement or such securities have been withdrawn.

3.1.4 Notification. After the filing of a Registration Statement, the Company shall promptly, and in no event more than two (2) business days after such filing, notify the holders of Registrable Securities included in such Registration Statement of such filing, and shall further notify such holders promptly and confirm such advice in writing in all events within two (2) business days of the occurrence of any of the following: (i) when such Registration Statement becomes effective; (ii) when any post-effective amendment to such Registration Statement becomes effective; (iii) the issuance or threatened issuance by the Commission of any stop order (and the Company shall take all actions required to prevent the entry of such stop order or to remove it if entered); and (iv) any request by the Commission for any amendment or supplement to such Registration Statement or any prospectus relating thereto or for additional information or of the occurrence of an event requiring the preparation of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of the securities covered by such Registration Statement, such prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and promptly make available to the holders of Registrable Securities included in such Registration Statement any such supplement or amendment; except that before filing with the Commission a Registration Statement or prospectus or any amendment or supplement thereto, including documents incorporated by reference, the Company shall furnish to the holders of Registrable Securities included in such Registration Statement and to the legal counsel for any such holders, copies of all such documents proposed to be filed sufficiently in advance of filing to provide such holders and legal counsel with a reasonable opportunity to review such documents and comment thereon, and the Company shall not file any Registration Statement or prospectus or amendment or supplement thereto, including documents incorporated by reference, to which such holders or their legal counsel shall object.

3.1.5 State Securities Laws Compliance. The Company shall use its commercially reasonable efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or “blue sky” laws of such jurisdictions in the United States as the Sponsor and Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request (or provide evidence reasonably satisfactory to the Sponsor and such Holders that the Registrable Securities are exempt from such registration or qualification) and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the Sponsor and Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; *provided, however*, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph or subject itself to taxation in any such jurisdiction.

3.1.6 Agreements for Disposition. The Company shall enter into customary agreements (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of such Registrable Securities. The representations, warranties and covenants of the Company in any underwriting agreement which are made to or for the benefit of any Underwriters, to the extent applicable, shall also be made to and for the benefit of the holders of Registrable Securities included in such registration statement. No Holder of Registrable Securities included in such registration statement shall be required to make any representations or warranties in the underwriting agreement except, if applicable, with respect to such Holder’s organization, good standing, authority, title to Registrable Securities, lack of conflict of such sale with such Holder’s material agreements and organizational documents, and with respect to written information relating to such Holder that such Holder has furnished in writing expressly for inclusion in such Registration Statement.

3.1.7 Cooperation. The principal executive officer of the Company, the principal financial officer of the Company, the principal accounting officer of the Company and all other officers and members of the management of the Company shall cooperate fully in any offering of Registrable Securities hereunder, which cooperation shall include, without limitation, the preparation of the Registration Statement with respect to such offering and all other offering materials and related documents, and participation in meetings with Underwriters, attorneys, accountants and potential Holders.

3.1.8 Records. The Company shall make available for inspection by the Sponsor and Holders of Registrable Securities included in such Registration Statement, any Underwriter participating in any disposition pursuant to such registration statement and any attorney, accountant or other professional retained by any holder of Registrable Securities included in such Registration Statement or any Underwriter, all financial and other records, pertinent corporate documents and properties of the Company, as shall be necessary to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees to supply all information requested by any of them in connection with such Registration Statement; *provided, however*, that the Sponsor, such Holders or Underwriters enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information.

3.1.9 Opinions and Comfort Letters. The Company shall: (i) on the date the Registrable Securities are delivered for sale pursuant to such Registration, if requested by the Underwriter(s), if any, obtain an opinion and negative assurance letter, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion and negative assurance letter are being given as are customarily included in such opinions and negative assurance letters, as well as furnish to the Sponsor and each Holder of Registrable Securities included in such Registration, addressed to such Person, such opinion (but, for avoidance of doubt, not such "negative assurance letter") (provided that such opinion need not permit the Sponsor or such Holders to rely on provisions or paragraphs of such opinion not customarily relied upon by selling securityholders); and (ii) obtain a "cold comfort" letter, and a bring-down thereof, from the Company's independent registered public accountants in the event of an Underwritten Offering which the participating Holders may rely on, in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the managing Underwriter may reasonably request. In the event no legal opinion is delivered to any Underwriter, the Company shall furnish to each Holder of Registrable Securities included in such Registration Statement, at any time that such Holder elects to use a prospectus, a customary opinion of counsel to the Company to the effect that the Registration Statement containing such prospectus has been declared effective and that no stop order is in effect.

3.1.10 Earnings Statement. The Company shall comply with all applicable rules and regulations of the Commission and the Securities Act, and make available to its stockholders, as soon as reasonably practicable, an earnings statement covering a period of twelve (12) months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

3.1.11 Listing; Transfer Agent. The Company shall use its commercially reasonable efforts to cause all Registrable Securities included in any registration to be listed on such exchanges or otherwise designated for trading in the same manner as similar securities issued by the Company are then listed or designated or, if no such similar securities are then listed or designated, in a manner satisfactory to the holders of a majority of the Registrable Securities included in such registration (which majority must include AEA, if Registrable Securities of AEA are included in such registration). The Company shall provide a transfer agent or warrant agent, as applicable, and registrar for all Registrable Securities no later than the effective date of such Registration Statement.

3.1.12 Road Show. If the registration involves the registration of Registrable Securities involving anticipated gross proceeds in excess of \$25 million, the Company shall use its reasonable efforts to make available senior executives of the Company to participate in customary “road show” presentations that may be reasonably requested by the Underwriter in any Underwritten Offering (it being agreed that such “road show” may utilize videoconferencing).

3.2 Obligation to Suspend Distribution; Adverse Disclosure. Upon receipt of written notice from the Company of the happening of any event of the kind described in Section 3.1.4(iv), each holder of Registrable Securities included in any registration shall immediately discontinue disposition of such Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such holder receives the supplemented or amended Prospectus contemplated by Section 3.1.4(iv), or until it is advised in writing by the Company that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company’s control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than ninety (90) days in any 12-month period, determined in good faith by the Company to be necessary for such purpose. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to such Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.3.

3.3 Registration Expenses. The Company shall bear all Registration Expenses incurred in connection with any Registrations, and all expenses incurred in performing or complying with its other obligations under this Agreement, whether or not the Registration Statement becomes effective. The Company shall have no obligation to pay any underwriting discounts or selling commissions attributable to the Registrable Securities being sold by the Holders thereof, which underwriting discounts or selling commissions shall be borne by such Holders. Additionally, in an underwritten offering, all Holders and the Company shall bear the expenses of the Underwriter pro rata in proportion to the respective amount of shares each is selling in such offering.

3.4 Information. The holders of Registrable Securities shall provide such information as may reasonably be requested by the Company, or the managing Underwriter, if any, in connection with the preparation of any Registration Statement, including amendments and supplements thereto, in order to effect the registration of any Registrable Securities under the Securities Act pursuant to Section 2 and in connection with the Company’s obligation to comply with federal and applicable state securities laws. In addition, each Holder agrees, if requested in writing, to represent to the Company the total number of Registrable Securities held by such Holder in order for the Company to make determinations hereunder.

3.5 Other Obligations. At any time and from time to time in connection with a sale or transfer of Registrable Securities exempt from registration under the Securities Act or through any broker-dealer transactions described in the plan of distribution set forth within any prospectus and pursuant to the Registration Statement of which such prospectus forms a part, the Company shall, subject to the receipt of customary documentation required from the applicable holders in connection therewith and compliance with applicable laws, (i) promptly instruct its transfer agent to remove any restrictive legends applicable to the Registrable Securities being sold or transferred and (ii) cause its legal counsel to deliver the necessary legal opinions, if any, to the transfer agent in connection with the instruction under subclause clause (i). In addition, the Company shall cooperate reasonably with, and take such customary actions as may reasonably be requested by such holders in connection with the aforementioned sales or transfers.

4. INDEMNIFICATION AND CONTRIBUTION.

4.1 Indemnification by the Company. The Company agrees to indemnify and hold harmless the Sponsor and each Holder and each other holder of Registrable Securities, and each of their respective officers, employees, Affiliates, directors, partners, members, attorneys and agents, and each person, if any, who controls an Holder and each other holder of Registrable Securities (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) (each, an “**Holder Indemnified Party**”), from and against any expenses, losses, judgments, claims, damages or liabilities, whether joint or several, arising out of or based upon any untrue statement (or allegedly untrue statement) of a material fact contained in any Registration Statement under which the sale of such Registrable Securities was registered under the Securities Act, any preliminary prospectus, final prospectus or summary prospectus contained in the Registration Statement, or any amendment or supplement to such Registration Statement, or arising out of or based upon any omission (or alleged omission) to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation by the Company of the Securities Act or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration; and the Company shall promptly reimburse the Holder Indemnified Party for any reasonable legal and any other reasonable out-of-pocket expenses reasonably incurred by such Holder Indemnified Party in connection with investigating and defending any such expense, loss, judgment, claim, damage, liability or action whether or not any such person is a party to any such claim or action and including any and all legal and other expenses incurred in giving testimony or furnishing documents in response to a subpoena or otherwise; *provided, however*, that the Company will not be liable in any such case to the extent that any such expense, loss, claim, damage or liability arises out of or is based upon any untrue statement or allegedly untrue statement or omission or alleged omission made in such Registration Statement, preliminary prospectus, final prospectus, or summary prospectus, or any such amendment or supplement, in reliance upon and in conformity with information furnished to the Company, in writing, by or on behalf of such Holder Indemnified Party expressly for use therein. The Company also shall indemnify any Underwriter of the Registrable Securities, their officers, Affiliates, directors, partners, members and agents and each person who controls such Underwriter on substantially the same basis as that of the indemnification provided above in this Section 4.1.

4.2 Indemnification by Holders of Registrable Securities. Subject to the limitations set forth in Section 4.4.3 hereof, each Holder of Registrable Securities will, in the event that any registration is being effected under the Securities Act pursuant to this Agreement of any Registrable Securities held by such Holder, indemnify and hold harmless the Company, each of its directors, officers, agents and each person who controls the Company, against any losses, claims, judgments, damages or liabilities, whether joint or several, insofar as such losses, claims, judgments, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement (or allegedly untrue statement) of a material fact contained in any Registration Statement under which the sale of such Registrable Securities was registered under the Securities Act, any preliminary prospectus, final prospectus or summary prospectus contained in the Registration Statement, or any amendment or supplement to the Registration Statement, or arise out of or are based upon any omission (or the alleged omission) to state a material fact required to be stated therein or necessary to make the statement therein not misleading, if the statement or omission was made in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of such Holder expressly for use therein, and shall reimburse the Company, its directors and officers, and each other selling holder or controlling person for any legal or other expenses reasonably incurred by any of them in connection with investigation or defending any such loss, claim, damage, liability or action. Each Holder’s indemnification obligations hereunder shall be several and not joint and shall be limited to the amount of any net proceeds actually received by such Holder.

4.3 Conduct of Indemnification Proceedings. Promptly after receipt by any person of any notice of any loss, claim, damage or liability or any action in respect of which indemnity may be sought pursuant to Section 4.1 or 4.2, such person (the “**Indemnified Party**”) shall, if a claim in respect thereof is to be made against any other person for indemnification hereunder, promptly notify such other person (the “**Indemnifying Party**”) in writing of the loss, claim, judgment, damage, liability or action; *provided, however*, that the failure by the Indemnified Party to notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability which the Indemnifying Party may have to such Indemnified Party hereunder, except and solely to the extent the Indemnifying Party is actually prejudiced by such failure. If the Indemnified Party is seeking indemnification with respect to any claim or action brought against the Indemnified Party, then the Indemnifying Party shall be entitled to participate in such claim or action, and, to the extent that it wishes, jointly with all other Indemnifying Parties, to assume control of the defense thereof with counsel satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume control of the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, that in any action in which both the Indemnified Party and the Indemnifying Party are named as defendants, the Indemnified Party shall have the right to employ separate counsel (but no more than one such separate counsel) to represent the Indemnified Party and its controlling persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, with the fees and expenses of such counsel to be paid by such Indemnifying Party if, based upon the written advice of counsel of such Indemnified Party, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, consent to entry of judgment or effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such judgment or settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding.

4.4 Contribution.

4.4.1 If the indemnification provided for in the foregoing Sections 4.1, 4.2 and 4.3 is unavailable or insufficient to hold harmless any Indemnified Party in respect of any expenses, loss, claim, damage, liability or action referred to herein, then each such Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, claim, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the Indemnified Parties and the Indemnifying Parties in connection with the actions or omissions which resulted in such loss, claim, damage, liability or action, as well as any other relevant equitable considerations. The relative fault of any Indemnified Party and any Indemnifying Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such Indemnified Party or such Indemnifying Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

4.4.2 The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 4.4 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding Section 4.4.1.

4.4.3 The amount paid or payable by an Indemnified Party as a result of any loss, claim, damage, liability or action referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 4.4, no holder of Registrable Securities shall be required to contribute any amount in excess of the dollar amount of the net proceeds (after payment of any underwriting fees, discounts, commissions or taxes) actually received by such holder from the sale of Registrable Securities which gave rise to such contribution obligation. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) with respect to any action shall be entitled to contribution in such action from any person who was not guilty of such fraudulent misrepresentation. The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of securities. The Company and each holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

4.4.4 Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in any underwriting agreement entered into in connection with an underwritten public offering are in conflict with the foregoing provisions, the provision in the underwriting agreement shall control.

5. UNDERWRITING AND DISTRIBUTION.

5.1 Rule 144. The Company covenants that it shall file any reports required to be filed by it under the Securities Act and the Exchange Act and shall take such further action as the holders of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 under the Securities Act, as such Rules may be amended from time to time, or any similar rule or regulation hereafter adopted by the Commission. Upon the request of any Holder, the Company will deliver to such Holder a written statement of a duly authorized officer as to whether the Company has complied with such information requirements, and, if not, the specific reasons for non-compliance.

5.2 Restrictive Legends. In connection with a Registration Statement, the Company shall, if requested by a Holder, take commercially reasonable efforts to (i) cause the removal of any restrictive legend related to compliance with the federal securities laws set forth on the Registrable Securities, (ii) cause its legal counsel to deliver to the transfer agent a customary instruction letter or opinion, if required by the transfer agent, in connection with removal of such restrictive legend, and (iii) issue Registrable Securities without any such legend in certificated or book-entry form or by electronic delivery through The Depository Trust Company, at the Holder's option, as soon as practicable following such request. The Company's obligation to remove legends under this Section 5.2 may be conditioned upon the Holder providing such representations, agreements and documentation as are reasonably necessary, customarily required, or reasonably requested, in connection with the removal of federal securities laws restrictive legends.

6. LOCK-UP.

6.1 Lock-Up. Subject to Section 6.2 hereof, the Sponsor and the Holders (other than AEA) agree that they shall not Transfer any Lock-Up Shares until the end of the applicable Lock-Up Period (the "**Lock-Up**").

6.2 Permitted Transferees. Notwithstanding the provisions set forth in Section 6.1 hereof, the Sponsor, the Holders or their respective Permitted Transferees may Transfer the Lock-Up Shares during the Lock-Up Period to: (a) the Company's officers or directors, any Affiliates or family members of any of Company's officers or directors, the Sponsor, any Affiliate of the Sponsor or to any member(s) of the Sponsor, any Affiliates of such members and funds and accounts advised by such members, or any limited partners of any such funds that are invested in the Sponsor; (b) in the case of an individual, a transferee by gift to a member of such individual's immediate family or to a trust, the beneficiary of which is a member of such individual's immediate family, an Affiliate of such individual or to a charitable organization; (c) in the case of an individual, a transferee by virtue of the laws of descent and distribution upon death of such person; (d) in the case of an individual, a transferee pursuant to a qualified domestic relations order; (e) an entity that is an Affiliate of the holder; (f) a transferee by virtue of the laws of the State of Delaware or the Sponsor's limited liability company agreement upon dissolution of the Sponsor; (g) a transferee in the event of the Company's liquidation, merger, capital stock exchange, reorganization or other similar transaction which results in all of the Company's stockholders having the right to exchange their shares of Common Stock for cash, securities or other property subsequent to the completion of an initial Business Combination; or (h) the Company for no value for cancellation in connection with the consummation of the Company's initial Business Combination; *provided, however*, that, in the case of clauses (a) through (g) these permitted transferees must enter into a written agreement with the Company agreeing to be bound by the transfer restrictions and the other restrictions contained herein.

7. MISCELLANEOUS.

7.1 Other Registration Rights. The Company represents and warrants that no person or entity, other than the Sponsor and the Holders, has any right to require the Company to register any securities of the Company for sale or to include such securities of the Company in any Registration Statement filed by the Company for the sale of securities for its own account or for the account of any other person or entity. The Company (i) represents and warrants that no subscription agreement or warrant agreement has been amended in any manner since its applicable effective date and (ii) shall not amend the subscription agreements or the warrant agreements in any manner that would provide to any party thereto registration rights superior to the rights of the other Holders set forth herein unless the Company amends this Agreement to provide substantially similar rights to the other Holders. Further, the Company represents and warrants that this Agreement supersedes any other registration rights agreement or agreement with similar terms and conditions among the parties hereto, and in the event of a conflict between any such agreement or agreements and this Agreement, the terms of this Agreement shall prevail.

7.2 Assignment; No Third Party Beneficiaries. This Agreement and the rights, duties and obligations of the Company hereunder may not be assigned or delegated by the Company in whole or in part, except with the consent of the Sponsor and each Holder party hereto. This Agreement and the rights, duties and obligations of the holders of Registrable Securities hereunder may be freely assigned or delegated by such holder of Registrable Securities in conjunction with and to the extent of any transfer of Registrable Securities by any such holder. This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties, to the permitted assigns of the Sponsor, Holders or holder of Registrable Securities or of any assignee of the Sponsor, Holders or holder of Registrable Securities. This Agreement is not intended to confer any rights or benefits on any persons that are not party hereto other than as expressly set forth in Article 3.5 and this Section 7.2.

7.3 Notices. All notices, demands, requests, consents, approvals or other communications (collectively, “**Notices**”) required or permitted to be given hereunder or which are given with respect to this Agreement shall be in writing and shall be personally served, delivered by reputable air courier service with charges prepaid, or transmitted by hand delivery, telegram, telex or facsimile, addressed as set forth below, or to such other address as such party shall have specified most recently by written notice. Notice shall be deemed given on the date of service or transmission if personally served or transmitted by telegram, telex or facsimile; provided, that if such service or transmission is not on a business day or is after normal business hours, then such notice shall be deemed given on the next business day. Notice otherwise sent as provided herein shall be deemed given on the next business day following timely delivery of such notice to a reputable air courier service with an order for next-day delivery.

7.4 Severability. This Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible that is valid and enforceable.

7.5 Counterparts. This Agreement may be executed in multiple counterparts (including facsimile or PDF counterparts), each of which shall be deemed an original, and all of which taken together shall constitute one and the same instrument. Delivery of a signed counterpart of this Agreement by facsimile or email/pdf transmission shall constitute valid and sufficient delivery thereof.

7.6 Entire Agreement. This Agreement (including all agreements entered into pursuant hereto and all certificates and instruments delivered pursuant hereto and thereto) constitute the entire agreement of the parties with respect to the subject matter hereof and supersede all prior and contemporaneous agreements, representations, understandings, negotiations and discussions between the parties, whether oral or written.

7.7 Modifications and Amendments. Upon the written consent of (i) the Company and (ii) the Holders of at least a majority-in-interest of the Registrable Securities at the time in question (which majority-in-interest must include AEA), compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; *provided, however,* that, notwithstanding the foregoing, any amendment hereto or waiver hereof that adversely affects the Sponsor or one Holder, solely in his, her or its capacity as a holder of the shares of capital stock of the Company, in a manner that is materially different from the other Holders (in such capacity), shall require the consent of the Sponsor or Holder so affected. No course of dealing between the Sponsor, any Holder or the Company and any other party hereto or any failure or delay on the part of the Sponsor, a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of the Sponsor, any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

7.8 Titles and Headings. Titles and headings of sections of this Agreement are for convenience only and shall not affect the construction of any provision of this Agreement.

7.9 Waivers and Extensions. Any party to this Agreement may waive any right, breach or default which such party has the right to waive, provided that such waiver will not be effective against the waiving party unless it is in writing, is signed by such party, and specifically refers to this Agreement. Waivers may be made in advance or after the right waived has arisen or the breach or default waived has occurred. Any waiver may be conditional. No waiver of any breach of any agreement or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof nor of any other agreement or provision herein contained. No waiver or extension of time for performance of any obligations or acts shall be deemed a waiver or extension of the time for performance of any other obligations or acts.

7.10 Remedies Cumulative. In the event that the Company fails to observe or perform any covenant or agreement to be observed or performed under this Agreement, the Sponsor, Holder or any other holder of Registrable Securities may proceed to protect and enforce its rights by suit in equity or action at law, whether for specific performance of any term contained in this Agreement or for an injunction against the breach of any such term or in aid of the exercise of any power granted in this Agreement or to enforce any other legal or equitable right, or to take any one or more of such actions, without being required to post a bond. None of the rights, powers or remedies conferred under this Agreement shall be mutually exclusive, and each such right, power or remedy shall be cumulative and in addition to any other right, power or remedy, whether conferred by this Agreement or now or hereafter available at law, in equity, by statute or otherwise.

7.11 Governing Law. Venue. Waiver of Trial by Jury. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement, shall be governed by, and construed in accordance with, the internal substantive laws of the State of Delaware applicable to contracts entered into and to be performed solely within such state, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of laws of another jurisdiction. Any action based upon, arising out of or related to this Agreement may be brought in federal and state courts located in the State of Delaware, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the action shall be heard and determined only in any such court, and agrees not to bring any action arising out of or relating to this Agreement in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by law or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any action brought pursuant to this Section 7.11. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION BASED UPON, ARISING OUT OF OR RELATED TO THIS AGREEMENT.

7.12 Term. This Agreement shall terminate upon the earlier of (i) the tenth anniversary of the date of this Agreement and (ii) with respect to the Sponsor or any Holder, the date that such Person no longer holds any Registrable Securities.

7.13 Additional Holders; Joinder. In addition to persons or entities who may become Holders pursuant to Section 6.2 hereof, the Company may make any person or entity who acquires Class A Common Stock or rights to acquire Class A Common Stock after the date hereof a party to this Agreement (each such person or entity, an “**Additional Holder**”) by obtaining an executed joinder to this Agreement from such Additional Holder in the form of Exhibit A attached hereto (a “**Joinder**”). Such Joinder shall specify the rights and obligations of the applicable Additional Holder under this Agreement. Upon the execution and delivery and subject to the terms of a Joinder by such Additional Holder, the Class A Common Stock of the Company then owned, or underlying any rights then owned, by such Additional Holder (the “**Additional Holder Common Stock**”) shall be Registrable Securities to the extent provided herein and therein, and such Additional Holder shall be a Holder under this Agreement with respect to such Additional Holder Common Stock.

AMERICAN ONCOLOGY NETWORK, INC.

WARRANT TO PURCHASE COMMON STOCK

Warrant No.: _____

Number of Shares of Class B Common Stock: _____

Date of Issuance: _____, 2023 ("**Issuance Date**")

American Oncology Network, Inc., a company organized under the laws of Delaware (the "**Company**"), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, [____], the registered holder hereof or its permitted assigns (the "**Holder**"), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, at any time or times, up to _____ (_____) fully paid non-assessable shares of Common Stock (as defined below), subject to adjustment as provided herein (the "**Warrant Shares**").

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(d)), this Warrant may be exercised by the Holder at any time or times, in whole or in part, by delivery (whether via facsimile, electronic mail or otherwise) of a written notice, in the form attached hereto as Exhibit A (the "**Exercise Notice**"), of the Holder's election to exercise this Warrant. Within one (1) Trading Day following the delivery of the Exercise Notice, the Holder shall make payment to the Company of an amount equal to the Exercise Price in effect on the date of such exercise multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the "**Aggregate Exercise Price**") in cash by wire transfer of immediately available funds. The Holder shall not be required to deliver the original Warrant in order to effect an exercise hereunder, nor shall any ink-original signature or medallion guarantee (or other type of guarantee or notarization) with respect to any Exercise Notice be required. Execution and delivery of the Exercise Notice with respect to less than all of the Warrant Shares shall have the same effect as cancellation of the original Warrant and issuance of a new Warrant evidencing the right to purchase the remaining number of Warrant Shares and the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within five (5) Trading Days of the date on which the final Exercise Notice has been delivered to the Company. If the Holder delivers the Aggregate Exercise Price and such information as the Company may reasonably request in order to effect the credit or issuance and dispatch, as applicable, set forth in clauses (X) below, on or prior to the second (2nd) Trading Day following the date on which the Exercise Notice has been delivered to the Company, then the Company shall effect such credit or issuance on or prior to the third (3rd) Trading Day following the date on which the Exercise Notice has been delivered to the Company. If the Holder has not delivered the Aggregate Exercise Price on or prior to the second (2nd) Trading Day following the date on which the Exercise Notice has been delivered to the Company, then the Company shall effect the credit or issuance and dispatch, as applicable, set forth in clauses (X) below, on or prior to the third (3rd) Trading Day following the date on which the Aggregate Exercise Price is delivered. For purposes of this Warrant, "**Share Delivery Date**" means the day on which the Company is required to deliver Warrant Shares pursuant to this Section 1(a). On the Share Delivery Date, (X) the Company shall issue a certificate, registered in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise. Upon delivery of the Exercise Notice and payment of the Aggregate Exercise Price, the Holder shall be deemed for all corporate purposes to have become the holder of record and beneficial owner of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the certificates evidencing such Warrant Shares. If this Warrant is (i) physically delivered to the Company in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant is greater than the number of Warrant Shares being acquired upon an exercise, or (ii) tendered to the Company in connection with a redemption of Common Units for the Company's Class A Common Stock and the number of Warrant Shares represented by this Warrant is greater than the number of Shares of Class A Common Stock being acquired upon such redemption, then the Company shall as soon as practicable and in no event later than three (3) Trading Days after any exercise/redemption and at its own expense, issue and deliver to the Holder (or its designee) a new Warrant (in accordance with Section 7(d)) representing the right to purchase the number of Warrant Shares issuable immediately prior to such exercise/redemption under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised/redemption. No fractional Warrant Shares are to be issued upon the exercise of this Warrant, but rather the number of Warrant Shares to be issued shall be rounded to the nearest whole number. The Company shall pay any and all transfer, stamp, issuance and similar taxes, costs and expenses which may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company's obligations to issue and deliver Warrant Shares in accordance with the terms and subject to the conditions hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination; provided, however, that the Company shall not be required to deliver Warrant Shares with respect to an exercise prior to the Holder's delivery of the Aggregate Exercise Price with respect to such exercise.

(b) Exercise Price and Term of Exercise. For purposes of this Warrant, “**Exercise Price**” means \$ 0.01 per share, subject to adjustment as provided herein. The exercise term of this Warrant shall continue indefinitely so long as Holder is the holder of Common Units of American Oncology Network, LLC (the “**Common Units**”); provided however, that the number of shares of Common Stock that this Warrant is exercisable for shall not exceed the number of Common Units held by Holder and such shares of Common Stock shall be automatically adjusted so as to equal such number of Common Units held by Holder.

(c) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 11.

(d) Limitation on Beneficial Ownership. Notwithstanding anything to the contrary contained herein, the Company shall not effect the exercise of any portion of this Warrant, and the Holder shall not have the right to exercise any portion of this Warrant, pursuant to the terms and conditions of this Warrant and any such exercise shall be null and void and treated as if never made, to the extent that after giving effect to such exercise, the Holder together with the other Attribution Parties collectively would beneficially own a number of shares of Common Stock in excess of the Maximum Percentage. The “**Maximum Percentage**” shall be set at 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock pursuant to such exercise (to the extent permitted pursuant to this Section 1(d), such 4.99% subject to adjustment for the Combined A+B Proviso (as defined below)). For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by the Holder shall include the number of shares of Common Stock beneficially owned by the Holder, plus the number of shares of Common Stock issuable upon exercise of this Warrant that would result in the Holder holding the Maximum Percentage of the number of outstanding shares of Common Stock. Furthermore, to the extent Holder or its Attribution Parties beneficially own Class A Common Stock (whether directly or indirectly through the exercise or conversion of another security), the Maximum Percentage shall be automatically adjusted from time to time such that Holder’s beneficial ownership of the Company’s Common Stock and Class A Common Stock issuable pursuant to the exercise of this Warrant (to the extent permitted pursuant to this Section 1(d)), when combined with Class A Common Stock beneficially owned by the Holder (taking into account any limitation on conversion or exercise of any convertible security analogous to the limitation contained in this Section 1(d)) on an aggregated basis shall not exceed 4.99% of the Common Stock and Class A Common Stock on an aggregated basis outstanding immediately after giving effect to the issuance of shares of Common Stock pursuant to such exercise (to the extent permitted pursuant to this Section 1(d)) (the foregoing collectively, the “**Combined A+B Proviso**”). For purposes of this Section 1(d), beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “**1934 Act**”). For purposes of this Warrant, in determining the number of outstanding shares of Common Stock the Holder may acquire upon the exercise of this Warrant without exceeding the Maximum Percentage, the Holder may rely on the number of outstanding shares of Common Stock and Class A Common Stock as reflected, if applicable, in (x) the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q and Current Reports on Form 8-K or other public filing with the Securities and Exchange Commission (the “**SEC**”), as the case may be, (y) a more recent public announcement by the Company or (z) any other written notice by the Company, including as may be requested by the Holder in writing, which the Company shall promptly provide, setting forth the number of shares of Common Stock or Class A Common Stock outstanding (the “**Reported Outstanding Share Number**”). If the Company receives an Exercise Notice from the Holder at a time when the actual number of outstanding shares of Common Stock or Class A Common Stock is less than the Reported Outstanding Share Number, the Company shall (i) notify the Holder in writing of the number of shares of Common Stock or Class A Common Stock then outstanding and, to the extent that such Exercise Notice would otherwise cause the Holder’s beneficial ownership, as determined pursuant to this Section 1(d), to exceed the Maximum Percentage, the Holder shall notify the Company of a reduced number of Warrant Shares to be purchased pursuant to such Exercise Notice (the number of shares by which such purchase is reduced, the “**Reduction Shares**”) and (ii) as soon as reasonably practicable, the Company shall return to the Holder any exercise price paid by the Holder for the Reduction Shares. In the event that the issuance of Common Stock to the Holder upon exercise of this Warrant results in the Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the 1934 Act), the number of shares so issued by which the Holder’s and the other Attribution Parties’ aggregate beneficial ownership exceeds the Maximum Percentage (the “**Excess Shares**”) shall be deemed null and void and shall be cancelled ab initio, and the Holder shall not have the power to vote or to transfer the Excess Shares. As soon as reasonably practicable after the issuance of the Excess Shares has been deemed null and void, the Company shall return to the Holder the exercise price paid by the Holder for the Excess Shares and the Holder shall transfer the Excess Shares to the Company. No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 1(d) to the extent necessary to correct this paragraph or any portion of this paragraph which may be defective or inconsistent with the intended beneficial ownership limitation contained in this Section 1(d) or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived and shall apply to a successor holder of this Warrant. By written notice to the Company, the Holder may from time to time increase or decrease the Maximum Percentage to any other percentage; provided that any increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

(e) **Required Reserve Amount.** So long as this Warrant remains outstanding, the Company shall at all times keep reserved for issuance under this Warrant a number of shares of Common Stock at least equal to 100% of the maximum number of shares of Common Stock as shall be necessary to satisfy the Company's obligation to issue shares of Common Stock under the Warrants then outstanding (without regard to any limitations on exercise) (the "**Required Reserve Amount**"); provided that at no time shall the number of shares of Common Stock reserved pursuant to this Section 1(e) be reduced other than in connection with any exercise of Warrants or such other event covered by Section 2(c) below.

(f) **Insufficient Authorized Shares.** If at any time while this Warrant remains outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance the Required Reserve Amount (an "**Authorized Share Failure**"), then the Company shall promptly take all action reasonably necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for this Warrant then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than one hundred and twenty (120) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal. Notwithstanding the foregoing, if at any such time of an Authorized Share Failure, the Company is able to obtain the written consent of a majority of the shares of its issued and outstanding shares of Common Stock to approve the increase in the number of authorized shares of Common Stock, the Company may satisfy this obligation by obtaining such consent and submitting for filing with the SEC an Information Statement on Schedule 14C, and such obligation shall be deemed satisfied on the 21st calendar day after such filing is accepted.

(g) Withholding Taxes. Applicable withholding taxes (including backup withholding) may be withheld from payments and deemed payments on or with respect to this Warrant. In addition, if any withholding taxes (including backup withholding) are paid on behalf of Holder, then those withholding taxes may be set off against payments of cash or the delivery of shares of Common Stock, if any, in respect of this Warrant (or any payments on Common Stock) or sales proceeds received by, or other funds or assets of, Holder.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and the number of Warrant Shares shall be adjusted from time to time as follows:

(a) Voluntary Adjustment By Company. The Company may at any time during the term of this Warrant reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the Board of Directors of the Company; provided that the Company shall promptly notify the Holder in writing of any such reduction and the period of time that such reduction shall remain effective.

(b) Adjustment Upon Subdivision or Combination of Common Stock. If the Company at any time on or after the Date of Issuance of this Warrant subdivides (by any stock split, stock dividend, recapitalization or otherwise) its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Date of Issuance of this Warrant combines (by combination, reverse stock split or otherwise) its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this Section 2(b) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(c) Other Events. If any event occurs of the type contemplated by the provisions of Sections 2(a) and 2(b), but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company's Board of Directors will make an appropriate adjustment in the Exercise Price and the number of Warrant Shares, as mutually determined by the Company's Board of Directors and the Holder, so as to protect the rights of the Holder; provided that no such adjustment pursuant to this Section 2(c) will increase the Exercise Price or decrease the number of Warrant Shares as otherwise determined pursuant to Sections 2(a) and 2(b).

3. RIGHTS UPON DISTRIBUTION OF ASSETS. In addition to any adjustments pursuant to Section 2 above, if, on or after the Date of Issuance of this Warrant, the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property, options, evidence of indebtedness or any other assets by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "**Distribution**"), then, in each such case, upon exercise of this Warrant that occurs after the record date fixed for determination of stockholders entitled to receive such Distribution, the Holder shall be entitled, in addition to the Warrant Shares otherwise issuable upon such exercise, the Distribution that such Holder would have been entitled to receive in respect of such number of Warrant Shares had the Holder been the record holder of such Warrant Shares immediately prior to such record date without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage (provided, however, that to the extent that such Distribution would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to such Distribution to such extent (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Distribution (and beneficial ownership) to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time or times as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such Distribution (and any Distributions declared or made on such initial Distribution or on any subsequent Distribution held similarly in abeyance) to the same extent as if there had been no such limitation).

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time on or after the Date of Issuance of this Warrant the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights (provided, however, that to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder or its Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to such extent (and shall not be entitled to beneficial ownership of such Common Stock as a result of such Purchase Right (and beneficial ownership) to such extent) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times as its right thereto would not result in the Holder or its Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right to be held similarly in abeyance) to the same extent as if there had been no such limitation).

(b) Fundamental Transaction. The Company shall not enter into or be party to a Fundamental Transaction unless the Successor Entity assumes in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 4(b), including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for the Company (so that from and after the date of the applicable Fundamental Transaction, the provisions of this Warrant referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of each Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Fundamental Transaction, such shares of common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 1(d) hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 4(b) to permit the Fundamental Transaction without the assumption of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a “**Corporate Event**”), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) (collectively, the “**Corporate Event Consideration**”) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant). The provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder. The provisions of this Section 4(b) shall apply similarly and equally to successive Fundamental Transactions and Corporate Events.

5. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issuance or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all of the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant, and (iii) shall, so long as any of the Warrants are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the Warrants, the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of the Warrants then outstanding (without regard to any limitations on exercise).

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of capital stock of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders; provided, that, the Company shall not be obligated to provide such copies under this Section 6 if such notice and other information given to stockholders of the Company is publicly available on the Securities and Exchange Commission's Electronic Data Gathering, Analysis, and Retrieval system.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred, the Holder shall surrender this Warrant to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form (but without the obligation to post a bond) and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES. Whenever notice is required to be given under this Warrant, including, without limitation, an Exercise Notice, unless otherwise provided herein, such notice shall be given in writing, (i) if delivered (a) from within the domestic United States, by first-class registered or certified airmail, or nationally recognized overnight express courier, postage prepaid, electronic mail or by facsimile or (b) from outside the United States, by International Federal Express, electronic mail or facsimile, and (ii) will be deemed given (A) if delivered by first-class registered or certified mail domestic, three (3) Business Days after so mailed, (B) if delivered by nationally recognized overnight carrier, one (1) Business Day after so mailed, (C) if delivered by International Federal Express, two (2) Business Days after so mailed and (D) at the time of transmission, if delivered by electronic mail to each of the email addresses specified in this Section 8 prior to 5:00 p.m. (New York time) on a Trading Day, (E) the next Trading Day after the date of transmission, if delivered by electronic mail to each of the email addresses specified in this Section 8 on a day that is not a Trading Day or later than 5:00 p.m. (New York time) on any Trading Day and (F) if delivered by facsimile, upon electronic confirmation of delivery of such facsimile, and will be delivered and addressed as follows:

(ii) if to the Holder, at such address or other contact information delivered by the Holder to Company or as is on the books and records of the Company.

The Company shall provide the Holder with prompt written notice of all actions taken pursuant to this Warrant, including in reasonable detail a description of such action and the reason therefor. Without limiting the generality of the foregoing, the Company will give written notice to the Holder (i) no later than two (1) Business Days following any adjustment of the Exercise Price, setting forth in reasonable detail, and certifying, the calculation of such adjustment and (ii) of the date on which the Company closes its books or takes a record (A) with respect to any dividend or distribution upon the shares of Common Stock, (B) with respect to any grants, issuances or sales of any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property to holders of shares of Common Stock or (C) for determining rights to vote with respect to any Fundamental Transaction, dissolution or liquidation, in each case at the same time as it provides such notice to the holders of Common Stock.

9. **AMENDMENT AND WAIVER.** Except as otherwise provided herein, the provisions of this Warrant may be amended or waived and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of the Holder.

10. **GOVERNING LAW; JURISDICTION; JURY TRIAL.** This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of Delaware. The Company hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of Wilmington, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. The Company hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to the Company at the address set forth in Section 8(i) above or such other address as the Company subsequently delivers to the Holder and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder. If either party shall commence an action, suit or proceeding to enforce any provisions of this Warrant, the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for their reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding. **THE COMPANY AND THE HOLDER HEREBY IRREVOCABLY WAIVE ANY RIGHT THEY MAY HAVE, AND AGREE NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

11. **DISPUTE RESOLUTION.** In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile or electronic mail within two (2) Business Days of receipt of the Exercise Notice or other event giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two (2) Business Days submit via facsimile or electronic mail (a) the disputed determination of the Exercise Price to an independent, reputable investment bank selected by the Company and approved by the Holder or (b) the disputed arithmetic calculation of the Warrant Shares to the Company's independent, outside accountant. The Company shall cause at its expense the investment bank or the accountant, as the case may be, to perform the determinations or calculations and notify the Company and the Holder of the results no later than ten (10) Business Days from the time it receives the disputed determinations or calculations. Such investment bank's or accountant's determination or calculation, as the case may be, shall be binding upon all parties absent demonstrable error.

12. REMEDIES, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the holder of this Warrant shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

13. TRANSFER; SIGNATURE. This Warrant and the Warrant Shares may be offered for sale, sold, transferred, pledged or assigned without the consent of the Company. This Warrant may be executed by facsimile signature or electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com).

14. SEVERABILITY; CONSTRUCTION; HEADINGS. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s). This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant.

15. DISCLOSURE. Upon receipt or delivery by the Company of any notice in accordance with the terms of this Warrant, unless the Company has in good faith determined that the matters relating to such notice do not constitute material, nonpublic information relating to the Company or its subsidiaries, the Company shall publicly disclose such material, nonpublic information on a Current Report on Form 8-K or otherwise. In the event that the Company believes that a notice by the Company contains material, nonpublic information relating to the Company or its subsidiaries, the Company so shall indicate to such Holder contemporaneously with delivery of such notice, and in the absence of any such indication, the Holder shall be allowed to presume that all matters relating to such notice do not constitute material, nonpublic information relating to the Company or its subsidiaries.

5. LIQUIDATION RIGHTS.

(a) In the event of any liquidation, winding-up or dissolution of the Company or any Deemed Liquidation Event, whether voluntary or involuntary, each Holder shall be entitled to receive, in respect of such shares of Preferred Stock, and to be paid out of the assets of the Company available for distribution to its stockholders, in preference to the holders of, and before any payment or distribution is made on, any Junior Stock or any LLC Units an amount per share of Preferred Stock equal to the greater of (i) (1) the Original Issue Price thereon multiplied by the Applicable Percentage plus (2) any Accrued Dividends on such share of Preferred Stock (including all dividends that have previously accreted to Accrued Value pursuant to Section 3(b)), or (ii) such amount per share as would have been payable had all shares of Preferred Stock been converted into Common Stock pursuant to Section 6 immediately prior to such liquidation, winding-up or dissolution of the Company or any Deemed Liquidation Event.

(b) Neither the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all the assets or business of the Company (other than in connection with the liquidation, winding-up or dissolution of its business) nor the merger or consolidation of the Company into or with any other Person shall be deemed to be a liquidation, winding-up or dissolution, voluntary or involuntary, for the purposes of this Section 5.

(c) After the payment in full to the Holders of the amounts provided for in this Section 5, the Holders of shares of Preferred Stock as such shall have no right or claim to any of the remaining assets of the Company in respect of their ownership of such Preferred Stock.

(d) In the event the assets of the Company available for distribution to the Holders upon any liquidation, winding-up or dissolution of the Company, whether voluntary or involuntary, shall be insufficient to pay in full all amounts to which such Holders are entitled pursuant to Section 5(a), no such distribution shall be made on account of any shares of Parity Stock upon such liquidation, dissolution or winding-up unless proportionate distributable amounts shall be paid on account of the shares of Preferred Stock, equally and ratably, in proportion to the full distributable amounts for which Holders of all Preferred Stock and of any Parity Stock are entitled upon such liquidation, winding-up or dissolution.

(e) The amount deemed paid or distributed to the holders of capital stock of the Company upon any such merger, consolidation, sale, transfer, exclusive license, other disposition or redemption shall be the cash or the value of the property, rights or securities to be paid or distributed to such holders pursuant to such Deemed Liquidation Event. If such amount deemed paid or distributed is in a form of property other than in cash, the value of such distribution shall be deemed to be the fair market value of such property. The determination of fair market value of such property shall be made in good faith by the Board of Directors, provided that to the extent such property consists of securities, the fair market value of such securities shall be determined as follows:

(i) For securities not subject to investment letters or other similar restrictions on free marketability covered by Section 5(e)(ii) below,

(A) if traded on a Trading Market, the value shall be deemed to be the average of the closing prices of the securities on such exchange or system over the thirty (30) Trading Day period ending three (3) days prior to the closing of the Deemed Liquidation Event;

(B) if actively traded over-the-counter, the value shall be deemed to be the average of the closing bid or sale prices (whichever is applicable) over the thirty (30) Trading Day period ending three (3) days prior to the closing of such transaction; or

(C) if there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board of Directors.

For the purposes of this Section 5(e)(i), “closing prices” or “closing bid or sales prices” shall be deemed to be: (A) for securities traded primarily on a Trading Market, the last reported trade price or sale price, as the case may be, at Close of Business, on that day and (B) for securities listed or traded on other exchanges, markets and systems, the market price as of the end of the regular hours trading period that is generally accepted as such for such exchange, market or system. If, after the date hereof, the benchmark times generally accepted in the securities industry for determining the market price of a stock as of a given trading day shall change from those set forth above, the fair market value shall be determined as of such other generally accepted benchmark times.

(ii) The method of valuation of securities subject to investment letters or other similar restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder’s status as an affiliate or former affiliate) shall take into account an appropriate discount (as determined in good faith by the Board of Directors) from the market value as determined pursuant to Section 5(e)(i) above so as to reflect the approximate fair market value thereof.

6. CONVERSION.

(a) Each Holder shall have the right, at each Holder’s option, to convert such Holder’s shares of Preferred Stock, in whole or in part into that number of whole, fully paid and non-assessable shares of Common Stock for each share of Preferred Stock equal to the Conversion Ratio then in effect, with such adjustment or cash payment for fractional shares as the Company may elect pursuant to Section 7. To convert shares of Preferred Stock into shares of Common Stock pursuant to this Section 6(a), such Holder shall give written notice (the “**Holder Conversion Notice**” and the date of such notice, the “**Holder Conversion Notice Date**”) to the Company stating that such Holder elects to so convert shares of Preferred Stock and shall state therein: (A) the number of shares of Preferred Stock to be converted by such Holder, (B) the name or names in which such Holder wishes the shares of Common Stock to be issued, (C) the Holder’s computation of the number of shares of Common Stock to be received by such Holder and (D) the Conversion Price on the Holder Conversion Notice Date. If a Holder validly delivers a Holder Conversion Notice in accordance with this Section 6(a), the Company shall issue the shares of Common Stock as soon as reasonably practicable, but in no event later than three (3) Business Days thereafter (the date of issuance of such shares, the “**Holder Conversion Date**”).

(b)

(i) On or after the three-year anniversary of the Issue Date, the Company shall have the right to cause all (but not less than all) of the outstanding shares of Preferred Stock to be converted into that number of whole, fully paid and non-assessable shares of Common Stock for each share of Preferred Stock at the Conversion Ratio then in effect, with such adjustment or cash payment for fractional shares as the Company may elect pursuant to Section 7; *provided, however*, that the Company may only convert shares of Preferred Stock into shares of Common Stock pursuant to this Section 6(b) (i) if the 30-Day VWAP of the Common Stock immediately prior to the Company Conversion Date (as defined below) is greater than \$16.00 (as adjusted for any stock split, stock dividend, combination, or other recapitalization or reclassification effected after the date hereof).

(ii) To convert shares of Preferred Stock into shares of Common Stock pursuant to Section 6(b)(i), the Company shall give written notice (the “**Company Conversion Notice**” and the date of such notice, the “**Company Conversion Notice Date**”) to each Holder stating that the Company elects to force conversion of such shares of Preferred Stock pursuant to Section 6(b)(i), and shall state therein (A) the number of shares of Preferred Stock to be converted, (B) the effective date of such conversion (the “**Company Conversion Date**”) (C) the Conversion Price and the Conversion Ratio on the Company Conversion Date and (C) the Company’s computation of the number of shares of Common Stock to be received by the Holder. If the Company validly delivers a Company Conversion Notice in accordance with this Section 6(b)(ii), the conversion will be immediately effective and Company shall issue the shares of Common Stock effective immediately prior to the close of business on the Company Conversion Date.

(iii) Notwithstanding anything to the contrary herein, the Company may convert shares of Preferred Stock into shares of Common Stock pursuant to (and subject to the time limitations and other requirements of) this Section 6(b) at any time prior to the consummation of a Deemed Liquidation Event.

(c) Upon conversion, each Holder shall surrender to the Company the certificates representing any shares held in certificated form to be converted during usual business hours at its principal place of business or the offices of its duly appointed Transfer Agent maintained by it, accompanied by (i) (if so required by the Company or its duly appointed Transfer Agent) a written instrument or instruments of transfer in form reasonably satisfactory to the Company or its duly appointed Transfer Agent duly executed by the Holder or its duly authorized legal representative and (ii) transfer tax stamps or funds therefor, if required pursuant to Section 6(i).

(d) Immediately prior to the Close of Business on the Holder Conversion Date or the Company Conversion Date, as applicable, with respect to a conversion, a Holder shall be deemed to be the holder of record of Common Stock issuable upon conversion of such Holder’s shares of Preferred Stock notwithstanding that the share register of the Company shall then be closed or that certificates representing such Common Stock shall not then be actually delivered to such Holder. Except to the extent that a Holder is not able to convert its shares of Preferred Stock into Common Stock as a result of Section 6(k), on the Holder Conversion Date or the Company Conversion Date, as applicable, dividends shall cease to accrue on the shares Preferred Stock so converted and all other rights with respect to the shares of Preferred Stock so converted, including the rights, if any, to receive notices, will terminate, except only the rights of Holders thereof to receive the number of whole, fully paid and non-assessable shares of Common Stock into which such shares of Preferred Stock have been converted (with such adjustment or cash payment for fractional shares as the Company may elect pursuant to Section 7). As promptly as practical after the conversion of any shares of Preferred Stock into Common Stock, the Company shall deliver to the applicable Holder an Ownership Notice identifying the number of full shares of Common Stock to which such Holder is entitled, and a cash payment in respect of fractional shares in accordance with Section 7.

(e) The Conversion Price shall be subject to the following adjustments (except as provided in Section 6(f)):

(i) Adjustments to Conversion Price for Diluting Issues.

(A) Special Definitions. For purposes of this Section 6(e)(i), the following definitions shall apply:

(1) “**Additional Shares of Common Stock**” shall mean all shares of Common Stock issued (or, pursuant to Section 6(e)(i)(D) below, deemed to be issued) by the Company after the Issue Date, other than (1) the following shares of Common Stock and (2) shares of Common Stock deemed issued pursuant to the following Options and Convertible Securities (clauses (1) and (2), collectively, “**Exempted Securities**”):

i. as to the Preferred Stock, shares of Common Stock issued as a dividend or distribution on such series of Preferred Stock;

ii. shares of Common Stock or Options issued to employees or directors of, or consultants or advisors to, the Company or any of its subsidiaries pursuant to a plan, agreement or arrangement approved by the Board of Directors;

iii. shares of Common Stock, Options or Convertible Securities issued as consideration in any bona fide business acquisition by the Company or any Subsidiary thereof, whether by merger, consolidation, purchase of assets or otherwise approved by the Board of Directors, including the approval of the Preferred Director;

iv. shares of Common Stock, Options or Convertible Securities issued to Persons with which the Company or any Subsidiary thereof has entered into a bona fide new strategic partnership approved by the Board of Directors, including the approval of the Preferred Director, provided that such issuances are not in connection with any equity financing;

v. shares of Common Stock or Convertible Securities actually issued upon the exercise of Options or shares of Common Stock actually issued upon the conversion or exchange of Convertible Securities, in each case provided such issuance is pursuant to the terms of such Option or Convertible Security;

vi. shares of Common Stock, Options or Convertible Securities issued to a lender in connection with a debt financing or the amendment of any debt financing arrangements approved by the Board of Directors, including the approval of the Preferred Director; or

vii. shares of Common Stock, Options or Convertible Securities issued in a conversion of the Company or upon any split, combination, dividend or other similar event in respect of the Company equity securities approved by the Board of Directors, including the approval of the Preferred Director.

(2) “**Convertible Securities**” shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for Common Stock, but excluding Options.

(3) “**Option**” shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

(B) No Adjustment of Conversion Price. No adjustment in the Conversion Price shall be made as the result of the issuance or deemed issuance of Additional Shares of Common Stock if the Company receives written notice from the Holders agreeing that no such adjustment shall be made as the result of the issuance or deemed issuance of such Additional Shares of Common Stock.

(C) Deemed Issue of Additional Shares of Common Stock.

(1) If the Company, AON, or any Subsidiary at any time or from time to time after the Issue Date shall issue any Options or Convertible Securities (excluding Options or Convertible Securities which are themselves Exempted Securities) or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto, assuming the satisfaction of any conditions to exercisability, convertibility or exchangeability but without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date.

(2) If the terms of any Option or Convertible Security, the issuance of which resulted in an adjustment to the Conversion Price pursuant to the terms of Section 6(e)(i)(D), are revised as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Company upon such exercise, conversion and/or exchange, then, effective upon such increase or decrease becoming effective, the Conversion Price computed upon the original issue of such Option or Convertible Security (or upon the occurrence of a record date with respect thereto) shall be readjusted to such Conversion Price as would have obtained had such revised terms been in effect upon the original date of issuance of such Option or Convertible Security. Notwithstanding the foregoing, no readjustment pursuant to this clause (b) shall have the effect of increasing the Conversion Price to an amount which exceeds the lower of (i) the Conversion Price in effect immediately prior to the original adjustment made as a result of the issuance of such Option or Convertible Security, or (ii) the Conversion Price that would have resulted from any issuances of Additional Shares of Common Stock (other than deemed issuances of Additional Shares of Common Stock as a result of the issuance of such Option or Convertible Security) between the original adjustment date and such readjustment date.

(3) If the terms of any Option or Convertible Security (excluding Options or Convertible Securities which are themselves Exempted Securities), the issuance of which did not result in an adjustment to the Conversion Price pursuant to the terms of Section 6(e)(i)(D) (either because the consideration per share (determined pursuant to Section 6(e)(i)(E)) of the Additional Shares of Common Stock subject thereto was equal to or greater than the Conversion Price then in effect, or because such Option or Convertible Security was issued before the Issue Date), are revised after the Issue Date as a result of an amendment to such terms or any other adjustment pursuant to the provisions of such Option or Convertible Security (but excluding automatic adjustments to such terms pursuant to anti-dilution or similar provisions of such Option or Convertible Security) to provide for either (1) any increase in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any decrease in the consideration payable to the Company upon such exercise, conversion or exchange, then such Option or Convertible Security, as so amended or adjusted, and the Additional Shares of Common Stock subject thereto (determined in the manner provided in this Section 6(e)(i)(C)) shall be deemed to have been issued effective upon such increase or decrease becoming effective.

(4) Upon the expiration or termination of any unexercised Option or unconverted or unexchanged Convertible Security (or portion thereof) which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Price pursuant to the terms of Section 6(e)(i)(D), the Conversion Price shall be readjusted to such Conversion Price as would have obtained had such Option or Convertible Security (or portion thereof) never been issued.

(5) If the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Company upon such exercise, conversion and/or exchange, is calculable at the time such Option or Convertible Security is issued or amended but is subject to adjustment based upon subsequent events, any adjustment to the Conversion Price provided for in this Section 6(e)(i)(C) shall be effected at the time of such issuance or amendment based on such number of shares or amount of consideration without regard to any provisions for subsequent adjustments (and any subsequent adjustments shall be treated as provided in clauses (b) and (c) of this Section 6(e)(i)(C)). If the number of shares of Common Stock issuable upon the exercise, conversion and/or exchange of any Option or Convertible Security, or the consideration payable to the Company upon such exercise, conversion and/or exchange, cannot be calculated at all at the time such Option or Convertible Security is issued or amended, any adjustment to the Conversion Price that would result under the terms of this Section 6(e)(i)(C) at the time of such issuance or amendment shall instead be effected at the time such number of shares and/or amount of consideration is first calculable (even if subject to subsequent adjustments), assuming for purposes of calculating such adjustment to the Conversion Price that such issuance or amendment took place at the time such calculation can first be made.

(D) Adjustment of Conversion Price Upon Issuance of Additional Shares of Common Stock. In the event the Company shall at any time after the Issue Date issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Section 6(e)(i)(C)), without consideration or for a consideration per share less than the Conversion Price in effect immediately prior to such issuance or deemed issuance, then the Conversion Price shall be reduced, concurrently with such issue, to a price (calculated to the nearest one-hundredth of a cent) determined in accordance with the following formula:

$$CP2 = CP1 * (A + B) \div (A + C).$$

- CP1 = the Conversion Price in effect immediately after such issuance or deemed issuance of Additional Shares of Common Stock;
- CP2 = the Conversion Price in effect immediately prior to such issuance or deemed issuance of Additional Shares of Common Stock;
- A = the number of shares of Common Stock outstanding immediately prior to such issuance or deemed issuance of Additional Shares of Common Stock (treating for this purpose as outstanding all shares of Common Stock issuable upon exercise of Options outstanding immediately prior to such issuance or deemed issuance or upon conversion or exchange of Convertible Securities (including the Preferred Stock) outstanding (assuming exercise of any outstanding Options therefor) immediately prior to such issue);
- B = the number of shares of Common Stock that would have been issued if such Additional Shares of Common Stock had been issued or deemed issued at a price per share equal to CP1 (determined by dividing the aggregate consideration received by the Company in respect of such issue by CP1); and
- C = the number of such Additional Shares of Common Stock issued in such transaction.

(E) Determination of Consideration. For purposes of this Section 6(e)(i), the consideration received by the Company for the issuance or deemed issuance of any Additional Shares of Common Stock shall be computed as follows:

(1) Cash and Property. Such consideration shall:

i. insofar as it consists of cash, be computed at the aggregate amount of cash received by the Company, excluding amounts paid or payable for accrued interest;

ii. insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors of the Company; and

iii. in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Company for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (i) and (ii) above, as determined in good faith by the Board of Directors of the Company.

(2) Options and Convertible Securities. The consideration per share received by the Company for Additional Shares of Common Stock deemed to have been issued pursuant to Section 6(e)(i)(C), relating to Options and Convertible Securities, shall be determined by dividing:

i. The total amount, if any, received or receivable by the Company as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Company upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

ii. the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities.

(F) Multiple Closing Dates. In the event the Company shall issue on more than one date Additional Shares of Common Stock that are a part of one transaction or a series of related transactions and that would result in an adjustment to the Conversion Price pursuant to the terms of Section 6(e)(i)(D), and such issuance dates occur within a period of no more than ninety (90) days from the first such issuance to the final such issuance, then, upon the final such issuance, the Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the first such issuance (and without giving effect to any additional adjustments as a result of any such subsequent issuances within such period).

(ii) Special Adjustment for Trading Price. If at any time on or after the 30th day after the five-year anniversary of the Issue Date, any of the Preferred Stock remain outstanding and the 30-Day VWAP of the Common Stock is less than \$10.00 (as adjusted for any stock split, stock dividend, combination, or other recapitalization or reclassification effected after the date hereof), then the Conversion Price shall be adjusted to the greater of (x) the 30-Day VWAP on such date of determination and (y) \$5.00 (as adjusted for any stock split, stock dividend, combination, or other recapitalization or reclassification effected after the date hereof) (such adjusted price, the “**Special Adjustment Price**”); provided, that, if, at any such time the Conversion price then in effect is less than the Special Adjustment Price, then no adjustment shall be made pursuant to this Section 6(e)(ii).

(iii) Adjustment for Certain Dividends and Distributions. If the Company pays a dividend (or other distribution) in shares of Common Stock to holders of the Common Stock, in their capacity as holders of Common Stock and such dividend is not also declared on the Preferred Stock, then the Conversion Price in effect immediately following the record date for such dividend (or distribution) shall be divided by the following fraction:

$$\frac{OS_1}{OS_0}$$

where

OS_0 = the number of shares of Common Stock outstanding immediately prior to the record date for such dividend or distribution; and

OS_1 = the sum of (A) the number of shares of Common Stock outstanding immediately prior to the record date for such dividend or distribution and (B) the total number of shares of Common Stock constituting such dividend.

(iv) Adjustment for Certain Subscription Rights. If the Company issues to holders of shares of the Common Stock, in their capacity as holders of Common Stock, rights, options or warrants entitling them, for a period of not more than sixty days from the date of issuance of such rights, options or warrants, to subscribe for or purchase shares of Common Stock at less than the Market Value determined on the Ex-Date for such issuance, then the Conversion Price in effect immediately following the Close of Business on the record date for such issuance shall be divided by the following fraction:

$$\frac{OS_0 + X}{OS_0 + Y}$$

where

OS_0 = the number of shares of Common Stock outstanding at the Close of Business on the record date for such issuance;

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants divided by the Market Value determined as of the Ex-Date for such issuance.

To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights or warrants upon the exercise of such rights or warrants, the Conversion Price on any then-outstanding share of Preferred Stock not previously converted shall be readjusted to such Conversion Price that would have then been in effect had the adjustment made upon the issuance of such rights, options or warrants been made on the basis of the delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are only exercisable upon the occurrence of certain triggering events, then the Conversion Price shall not be adjusted until such triggering events occur. In determining the aggregate offering price payable for such shares of Common Stock, the conversion agent shall take into account any consideration received for such rights, options or warrants and the value of such consideration (if other than cash, to be determined by the Board of Directors).

(v) Adjustment for Stock Splits and Combinations. If the Company subdivides, combines or reclassifies the shares of Common Stock into solely a greater or lesser number of shares of Common Stock, then the Conversion Price in effect immediately following the Opening of Business on the effective date of such share subdivision, combination or reclassification shall be divided by the following fraction:

$$\frac{OS_1}{OS_0}$$

where

OS_0 = the number of shares of Common Stock outstanding immediately prior to the effective date of such share subdivision, combination or reclassification; and

OS_1 = the number of shares of Common Stock outstanding immediately after the Opening of Business on the effective date of such share subdivision, combination or reclassification.

(vi) Adjustment for Merger or Reorganization, etc.

(A) If the Company distributes to all holders of shares of Common Stock evidences of indebtedness, shares of capital stock (other than Common Stock) or other assets (including securities, but excluding any dividend or distribution referred to in clause (i); any rights or warrants referred to in clause (ii) above; any consideration payable in connection with a tender offer made by the Company or any of its Affiliates referred to in clause (v) below; and any dividend of shares of capital stock of any class or series, or similar equity interests, of or relating to a Subsidiary or other business unit in the case of a spin-off to which the following clause (iv)(B) applies), then the Conversion Price in effect immediately following the Close of Business on the record date for such distribution shall be divided by the following fraction:

$$\frac{SP_0}{SP_0 - FMV}$$

where

SP_0 = the Closing Sale Price per share of Common Stock on the Trading Day immediately preceding the Ex-Date for such distribution; and

FMV = the fair market value of the portion of the distribution applicable to one share of Common Stock at the Close of Business on the Trading Day immediately preceding the Ex-Date as determined by the Board of Directors.

Notwithstanding the foregoing, if "**FMV**" (as defined above) is equal to or greater than "**SP0**" (as defined above), in lieu of the foregoing adjustment to the Conversion Price, each holder of Preferred Stock shall receive, for each share of Preferred Stock, at the same time and upon the same terms as holders of the Common Stock, the amount and kind of such distributed assets that such holder would have received as if such holder owned a number of shares of Common Stock equal to the Conversion Ratio in effect on the record date for the distribution.

(B) In a spin-off, where the Company makes a distribution to all holders of shares of Common Stock consisting of capital stock of any class or series, or similar equity interests, of or relating to, a Subsidiary or other business unit where such capital stock or similar equity interests are, or will be when issued, listed or admitted for trading on a National Securities Exchange, the Conversion Price shall be adjusted at the Close of Business on the tenth Trading Day after the Ex- Date of the distribution by dividing such Conversion Price in effect immediately prior to the Opening of Business on such tenth Trading Day by the following fraction:

$$\frac{MP_0 + MP_S}{MP_0}$$

where

MP_0 = the average of the Closing Sale Price of the Common Stock over each of the first 10 Trading Days commencing on and including the Ex-Date of such distribution; and

MP_S = the average of the closing sale price of the capital stock or equity interests representing the portion of such distribution applicable to one share of Common Stock over each of the first 10 Trading Days commencing on and including the Ex-Date of such distribution, as reported in the principal securities exchange or quotation system or market on which such shares are traded, or if not traded on a national or regional securities exchange or over-the-counter market, the fair market value of the capital stock or equity interests representing the portion of such distribution applicable to one share of Common Stock on such Ex-Date as determined by the Board of Directors. Such closing sale prices for the Trading Days in such 10 Trading Day period shall be adjusted in respect of transactions in respect of such capital stock or equity interests in like manner to the adjustment to "**Closing Sale Price**" specified in the second sentence of the definition of such term.

For purposes of determining the Conversion Price in respect of any Conversion Date that occurs during the 10 Trading Days following, and including, the Ex-Date of any such spin-off, references within the previous sentence to 10 Trading Days or the 10th Trading Day shall be deemed to be replaced with such lesser number of Trading Days as have elapsed between the Ex-Date of such distribution and such Conversion Date. In the event that such distribution described in this clause (iv) is not so made, the Conversion Price of any then outstanding shares of Preferred Stock not previously converted shall be readjusted, effective as of the date the Board of Directors publicly announces its decision not to pay such dividend or distribution, to the Conversion Price that would then be in effect if such dividend distribution had not been declared.

(vii) Notwithstanding anything herein to the contrary, no adjustment under this Section 6(e) need be made to the Conversion Price unless such adjustment would require an increase or decrease of at least 1.0% of the Conversion Price then in effect. Any lesser adjustment shall be carried forward and shall be made at the earlier of (i) the time of and together with the next subsequent adjustment, if any, which, together with any adjustment or adjustments so carried forward, shall amount to an increase or decrease of at least 1.0% of such Conversion Price and (ii) the Opening of Business on each Conversion Date.

(viii) Notwithstanding any other provisions of this Section 6(e), rights or warrants distributed by the Company to holders of Common Stock, in their capacity as holders of Common Stock, entitling the holders thereof to subscribe for or purchase shares of the Company's capital stock (either initially or under certain circumstances), which rights or warrants, until the occurrence of a specified event or events ("**Trigger Event**"): (A) are deemed to be transferred with such shares of Common Stock; (B) are not exercisable; and (C) are also issued in respect of future issuances of Common Stock, shall be deemed not to have been distributed for purposes of this Section 6(e) (and no adjustment to the Conversion Price under this Section 6(e) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights and warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Price shall be made under Section 6(e)(ii) or 6(e)(iv). In addition, in the event of any distribution (or deemed distribution) of rights or warrants for which an adjustment to the Conversion Price under this Section 6(e) was made, (1) in the case of any such rights or warrants that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Price on any then-outstanding share of Preferred Stock not previously converted shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Common Stock with respect to such rights or warrants (assuming such holder had retained such rights or warrants), made to all holders of Common Stock as of the date of such redemption or repurchase, and (2) in the case of such rights or warrants that shall have expired or been terminated without exercise thereof, the Conversion Price on any then-outstanding share of Preferred Stock not previously converted shall be readjusted as if such expired or terminated rights and warrants had not been issued. To the extent that the Company has a rights plan or agreement in effect upon conversion of the Preferred Stock, which rights plan provides for rights or warrants of the type described in this clause, then upon conversion of Preferred Stock the Holder will receive, in addition to the Common Stock to which he is entitled, a corresponding number of rights in accordance with the rights plan, unless a Trigger Event has occurred and the adjustments to the Conversion Price with respect thereto have been made in accordance with the foregoing first sentence of this Section 6(e)(viii). In lieu of any such adjustment pursuant to the first sentence of this Section 6(e)(viii) in respect of a Trigger Event, the Company may amend such applicable stockholder rights plan or agreement to provide that there shall be the distributed, and cause to be distributed, immediately prior to the occurrence of such Trigger Event, to all Holders of Preferred Stock the rights that would have attached to such number of shares of Common Stock as are issuable upon conversion of such Preferred Stock immediately prior to the occurrence of such Trigger Event, without having to convert their shares of Preferred Stock.

(f) Notwithstanding anything to the contrary in Section 6(e), no adjustment to the Conversion Price shall be made with respect to any distribution if the Holders are entitled to participate in such distribution as if they held a number of shares of Common Stock issuable upon conversion of the Preferred Stock immediately prior to the record date for such distribution, without having to convert their shares of Preferred Stock.

(g) If the Company shall take a record of the holders of its Common Stock for the purpose of entitling them to receive a dividend or other distribution, and shall thereafter (and before the dividend or distribution has been paid or delivered to stockholders) abandon its plan to pay or deliver such dividend or distribution, then thereafter no adjustment in the Conversion Price then in effect on any then-outstanding share of Preferred Stock not previously converted shall be required by reason of the taking of such record.

(h) Upon any increase or decrease in the Conversion Price, then, and in each such case, the Company promptly shall deliver to each Holder a certificate signed by an Officer, setting forth in reasonable detail the event requiring the adjustment and the method by which such adjustment was calculated and specifying the increased or decreased Conversion Price then in effect following such adjustment.

(i) The issuance or delivery of certificates for Common Stock upon the conversion of shares of Preferred Stock and the issuance or delivery of any Ownership Notice, whether at the request of a Holder or upon the conversion of shares of Preferred Stock, shall each be made without charge to the Holder or recipient of shares of Preferred Stock for such certificates or Ownership Notice or for any tax in respect of the issuance or delivery of such certificates or the securities represented thereby or such Ownership Notice or the securities identified therein, and such certificates or Ownership Notice shall be issued or delivered in the respective names of, or in such names as may be directed by, the applicable Holder; *provided, however*, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name other than that of the Holder of the shares of the relevant Preferred Stock and the Company shall not be required to issue or deliver any such certificate or Ownership Notice unless or until the Person or Persons requesting the issuance or delivery thereof shall have paid to the Company the amount of such tax or shall have established to the reasonable satisfaction of the Company that such tax has been paid.

(j) Any shares of Common Stock delivered pursuant to this Section 6 shall be validly issued, fully paid and nonassessable (except as such nonassessability may be affected by matters of any Law), free and clear of any liens, claims, rights or encumbrances other than those arising under the Delaware General Corporation Law or this Certificate of Designations or created by the holders thereof.

(k) The Company shall at all times reserve and keep available for issuance upon the conversion of the Preferred Stock such maximum number of its authorized but unissued and otherwise unreserved shares of Common Stock as will from time to time be sufficient to permit the conversion of all outstanding shares of Preferred Stock pursuant any applicable provision of this Certificate of Designations, and shall take all action required to be taken by it (including promptly calling and holding one or more special meetings of the Board of Directors and the stockholders of the Company until such increase is approved in accordance with applicable Law and amending the Certificate of Incorporation) to increase the authorized number of shares of Common Stock if at any time there shall be insufficient unissued and otherwise unreserved shares of Common Stock to permit such reservation or to permit the conversion of all outstanding shares of Preferred Stock. Notwithstanding anything herein to the contrary, unless otherwise agreed by the affirmative vote of the Holders of at least a majority of the shares of Preferred Stock at the time outstanding and entitled to vote thereon, all shares of Preferred Stock which would otherwise convert into shares of Common Stock shall remain outstanding and shall continue to accumulate and compound additional dividends pursuant to Section 3 until such time as there are sufficient unissued shares of Common Stock to permit the conversion of all outstanding shares of Preferred Stock.

(l) In the case of:

- (i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination),
- (ii) any consolidation, merger or combination involving the Company,
- (iii) any sale, lease or other transfer to a third party of the consolidated assets of the Company and the Company's Subsidiaries substantially as an entirety, or
- (iv) any statutory share exchange,

in each case, (x) that is not a Deemed Liquidation Event and (y) as a result of which the Common Stock is converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof) (any such transaction or event, a "**Reorganization Event**"), then, at and after the effective time of such Reorganization Event, the right to convert each share of Preferred Stock shall be changed into a right to convert such share into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that a holder of a number of shares of Common Stock equal to the Conversion Ratio immediately prior to such Reorganization Event would have owned or been entitled to receive upon such Reorganization Event (such stock, securities or other property or assets, the "**Reference Property**"); provided, however, if the holders of shares of Common Stock have the opportunity to elect the form of consideration to be received in such Reorganization Event, the consideration that the Holders will receive will be the form and proportion of the aggregate consideration elected by the holders of shares of Common Stock who participate in the determination (based on the weighted average of elections) and will be subject to any limitations to which all holders of shares of Common Stock are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in the Reorganization Event. The Company shall not become a party to any Reorganization Event unless its terms are consistent with this Section 6(l). None of the foregoing provisions shall affect the right of a Holder of Preferred Stock to convert its Preferred Stock into shares of Common Stock as set forth in Section 6 prior to the effective time of such Reorganization Event. Notwithstanding Section 6(e), no adjustment to the Conversion Ratio shall be made for any Reorganization Event to the extent stock, securities or other property or assets become the Reference Property receivable upon conversion of Preferred Stock.

The Company shall provide, by amendment hereto effective upon any such Reorganization Event, for anti-dilution and other adjustments that shall be as nearly equivalent as is possible to the adjustments provided for in this Section 6. The provisions of this Section 6 shall apply to successive Reorganization Events.

In this Certificate of Designations, if the Common Stock has been replaced by Reference Property as a result of any such Reorganization Event, references to the Common Stock are intended to refer to such Reference Property.

(m) In addition to any other rights available to the Holders, if the Company fails for any reason to deliver to a Holder the shares of Common Stock following any conversion pursuant to this Section 6 (the "**Conversion Shares**") by the applicable deadline pursuant to this Section 6 (the "**Share Delivery Date**"), and if after such Share Delivery Date such Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such Holder of the Conversion Shares which such Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "**Buy-In**"), then the Company shall (A) pay in cash to such Holder (in addition to any other remedies available to or elected by such Holder) the amount, if any, by which (x) such Holder's total purchase price (including any brokerage commissions) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such Holder, either reissue (if surrendered) the shares of Preferred Stock equal to the number of shares of Preferred Stock submitted for conversion (in which case, such conversion shall be deemed rescinded) or deliver to such Holder the number of shares of Common Stock that would have been issued if the Company had timely complied with its delivery requirements under this Section 6. For example, if a Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Preferred Stock with respect to which the actual sale price of the Conversion Shares (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000, under clause (A) of the immediately preceding sentence, the Company shall be required to pay such Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to such Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver Conversion Shares upon conversion of the shares of Preferred Stock as required pursuant to the terms hereof.

7. NO FRACTIONAL SHARES.

No fractional shares of Common Stock or securities representing fractional shares of Common Stock shall be issued upon conversion, whether voluntary or mandatory, or in respect of dividend payments made in Common Stock on the Preferred Stock. Instead, the number of shares of Common Stock to be issued to any particular Holder upon conversion shall be rounded up to the next whole share.

8. UNCERTIFICATED SHARES.

(a) Uncertificated Shares.

(i) Form. Notwithstanding anything to the contrary herein, unless requested in writing by a Holder to the Company, the shares of Preferred Stock and any shares of Common Stock issued upon conversion thereof shall be in uncertificated, book entry form as permitted by the bylaws of the Company and the Delaware General Corporation Law. Within a reasonable time after the issuance or transfer of uncertificated shares, the Company shall, or shall cause the Transfer Agent to, send to the registered owner thereof an Ownership Notice.

(ii) Transfer. Transfers of Preferred Stock or Common Stock issued upon conversion thereof held in uncertificated, book-entry form shall be made only upon the transfer books of the Company kept at an office of the Transfer Agent upon receipt of proper transfer instructions from the registered owner of such uncertificated shares, or from a duly authorized attorney or from an individual presenting proper evidence of succession, assignment or authority to transfer the stock. The Company may refuse any requested transfer until furnished evidence satisfactory to it that such transfer is proper.

(iii) Legends. Each Ownership Notice issued with respect to a share of Preferred Stock shall bear a legend in substantially the following form:

“THE SECURITIES IDENTIFIED HEREIN HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**SECURITIES ACT**”), OR ANY STATE SECURITIES LAWS. NEITHER THESE SECURITIES NOR ANY INTEREST OR PARTICIPATION HEREIN MAY BE REOFFERED, SOLD, ASSIGNED, TRANSFERRED, PLEDGED, ENCUMBERED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF SUCH REGISTRATION OR UNLESS SUCH TRANSACTION IS EXEMPT FROM, OR NOT SUBJECT TO, REGISTRATION.

THE FOREGOING LEGEND WILL BE REMOVED AND A NEW OWNERSHIP NOTICE PROVIDED WITH RESPECT TO THE SECURITIES IDENTIFIED HEREIN UPON THE REQUEST OF THE HOLDER AFTER THE EXPIRATION OF THE APPLICABLE HOLDING PERIOD WITH RESPECT TO RESTRICTED SECURITIES SET FORTH IN RULE 144 UNDER THE SECURITIES ACT.

SUBJECT TO THE TERMS AND CONDITIONS SET FORTH IN THE CERTIFICATE OF INCORPORATION OF AMERICAN ONCOLOGY NETWORK, INC. (THE “**COMPANY**”), INCLUDING THE CERTIFICATES OF DESIGNATIONS INCLUDED THEREIN (AS FURTHER AMENDED AND RESTATED FROM TIME TO TIME, THE “**CHARTER**”).

THE COMPANY IS AUTHORIZED TO ISSUE MORE THAN ONE CLASS OF STOCK OR MORE THAN ONE SERIES OF ANY CLASS AND THE COMPANY WILL FURNISH

WITHOUT CHARGE TO EACH STOCKHOLDER WHO SO REQUESTS THE POWERS, DESIGNATIONS, PREFERENCES AND RELATIVE PARTICIPATING, OPTIONAL OR OTHER SPECIAL RIGHTS OF EACH CLASS OF STOCK OR SERIES THEREOF AND

THE QUALIFICATIONS, LIMITATIONS OR RESTRICTIONS OF SUCH PREFERENCES AND/OR RIGHTS. THE SHARES EVIDENCED BY THIS NOTICE ARE SUBJECT TO THE OBLIGATIONS AND RESTRICTIONS STATED IN, AND ARE TRANSFERABLE ONLY IN ACCORDANCE WITH, THE PROVISIONS OF THE CHARTER. THE TERMS OF THE CHARTER ARE HEREBY INCORPORATED INTO THIS NOTICE BY REFERENCE.

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.”

(b) Certain Obligations with Respect to Transfers and Exchanges of Preferred Stock.

(i) All shares of Preferred Stock issued upon any registration of transfer or exchange of such shares of Preferred Stock shall be the valid obligations of the Company, entitled to the same benefits under this Certificate of Designations as the shares of Preferred Stock surrendered upon such registration of transfer or exchange.

(ii) Prior to due presentment for registration of transfer of any shares of Preferred Stock, the Transfer Agent and the Company may deem and treat the Person in whose name such shares of Preferred Stock are registered as the absolute owner of such Preferred Stock and neither the Transfer Agent nor the Company shall be affected by notice to the contrary.

(iii) No service charge shall be made to a Holder for any registration of transfer or exchange of any Preferred Stock or Common Stock issued upon the conversion thereof on the transfer books of the Company or the Transfer Agent or upon surrender of any Preferred Stock certificate or Common Stock certificate at the office of the Transfer Agent maintained for that purpose.

(c) No Obligation of the Transfer Agent. The Transfer Agent shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Certificate of Designations or under applicable Law with respect to any transfer of any interest in any Preferred Stock other than to require delivery of such documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Certificate of Designations, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

9. TAX TREATMENT.

For U.S. federal and applicable state and local income tax purposes, the Company and holders of the Preferred Stock shall not report on its tax returns or otherwise (including information returns) or otherwise treat (1) Accrued Value that has accrued on the Preferred Stock but has not been paid in cash as constructive distributions required to be included into income of any holder of Preferred Stock (or its direct or indirect owners, as applicable) pursuant to Section 305(c) of the Internal Revenue Code of 1986, as amended (the “Code”), or otherwise treat such Accrued Value as distributions required to be included in income on a current basis or (2) the Preferred Stock as having any redemption premium within the meaning of Treasury Regulations Section 1.305-5(b) (and any corresponding provision of state or local law); except in each case as required by any of the following: (w) a change in relevant law occurring after the initial issue date, (x) after the initial issue date, the promulgation of relevant final U.S. Treasury Regulations addressing instruments similar to the Preferred Stock (from and after the effective date of such final regulations), (y) any amendment to the terms of this Certification of Designations that is made with the necessary consent of the holders of the Preferred Stock or (z) a “determination” within the meaning of Section 1313(a) of the Code.

10. OTHER PROVISIONS.

(a) With respect to any notice to a Holder required to be provided hereunder, neither failure to mail such notice, nor any defect therein or in the mailing thereof, to any particular Holder shall affect the sufficiency of the notice or the validity of the proceedings referred to in such notice with respect to the other Holders or affect the legality or validity of any vote upon any such action (assuming due and proper notice to such other Holders). Any notice which was mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the Holder receives the notice.

(b) Shares of Preferred Stock that have been issued and reacquired by the Company in any manner, including shares of Preferred Stock purchased or redeemed or exchanged or converted, shall (upon compliance with any applicable provisions of the Laws of Delaware) upon such reacquisition be automatically cancelled by the Company and shall not be reissued.

(c) The shares of Preferred Stock shall be issuable only in whole shares.

(d) All notice periods referred to herein shall commence: (i) when made, if made by hand delivery, and upon confirmation of receipt, if made by facsimile; (ii) one Business Day after being deposited with a nationally recognized next-day courier, postage prepaid; or (iii) three Business Days after being sent by certified or registered mail, postage prepaid. Notice to any Holder shall be given to the registered address set forth in the Company's records for such Holder.

(e) Any payments required to be made hereunder on any day that is not a Business Day shall be made on the next succeeding Business Day without interest or additional payment for such delay. All payments required hereunder shall be made by wire transfer of immediately available funds in United States Dollars to the Holders in accordance with the payment instructions as such Holders may deliver by written notice to the Company from time to time.

(f) Notwithstanding anything to the contrary herein, whenever the Board of Directors is permitted or required to determine fair market value, such determination shall be made in good faith.

(g) Without limiting Section 4(b), the Holders shall have no preemptive or preferential rights to purchase or subscribe to any stock, obligations, warrants or other securities of the Company of any class.

(h) The Company shall distribute to the Holders copies of all notices, materials, annual and quarterly reports, proxy statements, information statements and any other documents distributed generally to the holders of the Common Stock, at such times and by such method as documents are distributed to such holders of such Common Stock; provided, however, that the Company's obligations under this Section 10(h) shall be deemed to have been satisfied if such notices, materials, annual and quarterly reports, proxy statements, information statements or other documents are filed with the Securities and Exchange Commission via its Electronic Data Gathering, Analysis and Retrieval System and such information is publicly available on such system.
